The-axe-gal: Hiccup? That you?

Dragonman: yeah, how'd you know?

The-axe-gal: _Writing..._

The-axe-gal: only you would call yourself that. Plus, you're not technically a man yet.

Dragonman: psh. Technicalities.

Besttrainerever!: so what the heck is this anyways?

Dragonman: Snotlout?

Besttrainerever!: yup!

Dragonman: _Writing..._

Dragonman:...yeah...only you would come up with that name.

The-axe-gal: Hey! You stole my words!

Dragonman: ...

Besttrainerever!: Hiccup was that an insult? Cause if it were I-

Older-twin: hey! I figured this out! What is it?

Oldest-twin: you mean I figured it out. HEY! _I'm_ the oldest!

Older-twin: no I am!

Oldest-twin: no I am! Mom said!

Older-twin: I am!

Dragons4ever!: _Writing..._

Oldest-twin: I am!

Dragons4ever!: yeah, oh. Fishlegs here. I like it! I wonder if we'll be able to communicate with the dragons! That would be so cool!

Older-twin: I am!

The-axe-gal: _Writing..._

Oldest-twin: I am!

The-axe-gal: yeah this is a cool way to keep our conversations more secret. And Fishlegs? Us talking to dragons? Sorry, but not gonna happen.

Older-twin: I am!

Dragons4ever!: it could happen Astrid! I'll prove it! I'll go get Meatlug.

_**Dragons4ever!**__ has logged off_

Oldest-twin: I am!

Dragonman: you guys! Knock it off! You can do that outside of this.

Older-twin: knock what off of what?

Oldest-twin: you want us to destroy stuff? Cool!

Dragonman: _Writing..._

Dragonman: what?! No! That's not what I meant! I meant you can argue like that in real life, not on here. This could be used for more important things. Oh boy...forget it. Okay? Just forget I said anything.

Older-twin: done.

Oldest-twin: done.

The-axe-gal: wow. Nice work.

Dragonman: you think?

The-axe-gal: sarcasm.

Dragonman: ouch. Gee thanks. Like you did better with Fishlegs.

The-axe-gal: hey I was just telling the truth!

Dragonman: by the way. The axe gal?

The-axe-gal: what about it?

Dragonman: why axe?

The-axe-gal: I thought that was obvious.

Dragonman: ...um...no...

Besttrainerever!: how exactly is it obvious?

The-axe-gal: and you two don't know how you're related.

Dragonman: hey!

Besttrainerever!: ...no comment...

Dragons4ever!: guys?

Dragonman: how do we know you didn't just make another account and it's just you?

The-axe-gal: yeah. You expect us to fall for that?

Rocklover: Astrid, look out your window.

Astrid looked out her window to see Meatlug outside of Fishlegs' house- online. Fishlegs was nowhere to be seen. He was probably inside. Astrid narrowed her eyes as Meatlug waved at her. Astrid didn't take her eyes off of her when she went back online. She saw Meatlug typing away. Then a ding came from her computer.

Rocklover: told ya.

Astrid didn't know what to think. A dragon was talking to her. _Actually_ talking to her. Life on Berk just got...weird.

The-axe-gal: this is weird. Fishlegs is telling the truth. I just saw Meatlug typing myself.

Dragonman: ...

Besttrainerever!: ...

Older-twin: ...

Oldest-twin: ...

Dragons4ever! Told ya! Ha. Sorry I don't get to brag often.

Lol.

Dragonman: um...I'll go get Toothless. Brb.

_**Dragonman**__ is away at the moment_

The-axe-gal: *annoyed sigh* men.

Dragonman: men huh?

The-axe-gal: shut up Hiccup.

Besttrainerever!: heh. That rhymed!

Dragonman: hey Fishlegs you've been quiet.

Dragons4ever!: I'm just having fun reading your guy's conversation. Plus, I'm documenting the fact that we can now talk to our dragons! :)

Bad**Dragon**: of course you are...

Dragons4ever!: what's that suppose to mean Hookfang?

Bad**Dragon**: huh? Oh, nothing.

Bad**Dragon**: _Writing..._

Bad**Dragon**: Nothing at all...

Tailwhipper: hey guys!

The-axe-gal: hm...Stormfly?

Oldest-twin: well, she _IS_ the only one left.

The-axe-gal: shut it. So Stormfly. What'd you get up to today?

Tailwhipper: _Writing..._

Tailwhipper: Oh! I flew around to the meadows today! They're so pretty this time of year! I just love all of those blue flowers! Their smell is intoxicating! Then I went down to the shorelines and fished for a while. The fish down there are the best in my opinion. Then I flew up and rested on top of Berk's mountain. The view is spectacular! I should take you sometime.

Dragonman: yeah that view is the best! I remember when Toothless and I-

The-axe-gal: yeah Hiccup. That's great. Wow Stormfly, that sounds so relaxing. Maybe I should go with you sometime.

Rocklover: yes Astrid, I believe you have been working way too hard lately. You deserve a day off! :)

The-axe-gal: thanks Meatlug! That's sweet! I think I will.

Dragonman: ...

The-axe-gal: alright. Fine. You can say it Hiccup.

Dragonman: ...nah...

Speedster88: moment's gone. :(

Oldest-twin: hey. Has anyone seen my helmet? I think I lost it!

Older-twin: ha! Nice!

Dragonman: you guys aren't just wearing each other's by mistake again are you?

Oldest-twin: um- I'll check.

Oldest-twin: _Writing..._

Oldest-twin: nope.

Dragons4ever!: try and think back to when you last had it.

Oldest-twin: hey! I found it! It was

The-axe-gal: I think I know where it was.

Dragonman: haha

Tailwhipper: Astrid!

The-axe-gal: what?

Tailwhipper: *sigh* nothing.

Speedster88: hey Stormfly!

Tailwhipper: hey Toothless. How are you?

Speedster88: I'm fine thanks, and from the looks of it, so are you. :)

Tailwhipper: yeah. I had such a great day today!

Speedster88: So...about those places...are you thinking about going back?

Tailwhipper: yeah. Sometime. Tomorrow I promised Astrid that I'd fly with her around Berk. Why?

Speedster88: well...

Oldest-twin: it was under my bed.

Dragonman: Tuffnut! This was getting interesting!

Speedster88: hey I was saying something!

Older-twin: wait to go Tuff. Even I was interested.

Speedster88: can I just say something?

Oldest-twin: I'm gonna go yak tipping. Wanna come Ruff?

Speedster88: hey!

Bad**Dragon**: yeah, hehheh. Let Toothless speak. Haha...haha

Speedster88: *sigh*...gee thanks Hookfang.

Older-twin: sure. Whatever. I'll come.

Speedster88: guys!

Oldest-twin: haha. Sorry Toothy just buggin' ya! Lol

Speedster88: ...?...

Dragonman: oooooh, twin burn! Haha!

Speedster88: shut it Hiccup.

Besttrainerever!: you sound like Astrid. Lol

Speedster88: *sigh*

Tailwhipper: so... what _were_ you going to say Toothless?

Speedster88: what? Oh, um...

2 minutes later...

Dragonman: come on Toothless. You can say it.

Besttrainerever!: yeah. Besides. We're all waiting here.

The-axe-gal: Snotlout!

Besttrainerever!: what? I don't see you ratting on Hiccup.

Dragonman: oh, I gotta go. Dad's calling. Bye!

Tailwhipper: Astrid, could you be a little nicer to him? I know he can be annoying but

The-axe-gal: he keeps hitting on me. Don't think so. At least until he's gotten the message.

Tailwhipper: mm...alright then.

Older-twin: hey Tuffnut. This is boring now. Hey, let's go yak tipping now.

Oldest-twin: okay. Bye.

The-axe-gal: I should probably go too. Mom's making chicken tonight Stormfly! :)

Tailwhipper: cool! I'll be there in a bit.

The-axe-gal: okay. See ya!

Tailwhipper: so, Toothless. What was it you were saying?

Speedster88: oh! That...

To be continued...

A/N: the end! Hahahahahaa! Yes, yes. I am evil. So, there you have it. Life on Berk. Kind of. I'm not sure how funny it was. But whatever. So, after reading about the HTTYD books on wikipedia, I have become a fan of Toothless X Stormfly. So, you'll probably see a bit of that in my fics. Sorry for those that don't like it- but this is my fic. Well, once again, R & R please! :D thank you for the reviews! Suggested topics will be taken! :D

4. Autocorrect

HTTYD: Chatroom: Autocorrect

A/N: lol, I got this idea from watching the autocorrect segments of the Ellen Degeneres show on Youtube haha. Love it. So, I decided to do this. Hope you like it!

Bad**Dragon**: yeah, what's it suppose to donate?

Speedster88: donate? O.o

Bad**Dragon**: oh. I think I understand now.

Rocklover: I think it tries to guess the weather.

Speedster88: ...um... no comment.

Rocklover: WORD! Tries to guess the weather. WORD! Omgs!

(**A/N**: 'OMGS' stands for 'oh my gods' cause they have more than one.)

Speedster88: I think I'm gonna like this thing haha

Tailwhipper: hm. This should get interesting.

Bad**Dragon**: I think I'm gonna flop all over Berk with someone.

Speedster88: um...what?

Bad**Dragon**: FLY! FLY all over Berk with someone. Omgs.

Speedster88: I'm not sure how I feel about this autocorrect now. Lol

Tailwhipper: omgs. Haha

Rocklover: ha! Oh gods...

Tailwhipper: I'll fly with you later. You might be surprised though, I can go pretty fast...

Bad**Dragon**: no problem. I'm fast myself.

Speedster88: dude, she's not kidding. She is fat.

Tailwhipper: WHAT?!

Bad**Dragon**: a-ha-ha-ha!

Speedster88: FAST! FAST! I MEANT FAST! Not fat! Autocorrect! Gah!

Bad**Dragon**: hahahahaha nice!

Tailwhipper: ...

Speedster88: I'm serious I meant fast!

Tailwhipper: well...okay.

Rocklover: well. This is ****.

Bad**Dragon**: WHOOOOOOOOA there!

Rocklover: FUN! FUN! Ohmygods.

Tailwhipper: omgs. Haha.

Speedster88: hahahahaha! Can't stop!

Tailwhipper: I'm just glad that it stars out the swear words!

Speedster88: yeah. Haha. Oh, speaking of stars, Hookfang I think you have one more star than needed in your ursula.

Rocklover: I don't mean to sound mean, but it's so funny when it happens to someone else. XD

Bad**Dragon**: lol! So true! Toothless, I'm not sure how to respond...plus I'm laughing too hard to anyway! Hahahaha!

Speedster88: I meant underwear.

Utensil

Usage

No! I didn't mean- aaaah!

OGMS! I give up.

(**A/N**: there was suppose to be a starred out word above 'no! i didn't mean- aaaaah!' but, it won't let me put it. just so ya know)

Bad**Dragon**: can't...type...laughing...too...hard!
:D

Rocklover: me too! Sorry Toothless!

Speedster88: Uganda.

Now it's just typing random words that start with U! I don't even know what a Uganda is!

Tailwhipper: haha, it's okay Toothless. I don't think anyone here does.

_**Dragonman**__ has logged on_

Speedster88: oh no...

Dragonman: oh gods...*Laughing like crazy* this is going to get interesting! I gotta tell the others! LOL!

Speedster88: U-S-E-R-N-A-M-E!

A/N: kept laughing while writing this! Poor Toothless. Lol. Kept thinking about the Ellen vids. Plus there's this site called damnyouautocorrect . c o m, yes, there are bad words, you have been warned, but they're so funny! Haha. Oh Ellen. Not sure if mine are as funny. It's short, but I just wanted to introduce Autocorrect. R & R please! (I will add Stoik in the next one. :D)

5. Awkward

HTTYD: Chatroom- Awkward

A/N: omgs, I ALMOST forgot about this. Lol. But, here it is! No worries. Haha.

(Did anyone else who's writing chatroom based stuff, get an email about how it's not aloud? Meh. If this gets deleted, it gets deleted. I still have it on my computer. Plus, I think that MANY people will agree to this when I say: IT SHOULD BE AN OPTION. It's called FANFICTION for a reason isn't it?! That's all I have to say about that.

On with the chapter!

Bestdadintheworld: hiccup?

Dragonman: yeah. It's me.

Speedster88: and Toothless too! Dragons can have accounts! :D

Bestdadintheworld: _Writing..._

Bestdadintheworld: I thought so son. Your username gave it away. And hello to you too Toothless. Ha. Hever in all my life I thought I'd get to talk to a dragon!

Dragonman: how does everyone know it's me just by my username?

Bestdadintheworld: it's easy. You're smart. You'll figure it out.

Dragonman: ...

Speedster88: you'd think...

Dragonman: Toothless!

Speedster88: what?

Bestdadintheworld: okay! So. Who's gonna tell me what this is?

Dragonman: oh, we think it's a way of communication. Handy when you think about it.

Bestdadintheworld: interesting.

Speedster88: yeah. Although...there is just one annoying anchovy.

Bestdadintehworld: anchovy Toothless?

Dragonman: _Writing..._

Dragonman: haha! Autocorrect strikes again! It's this feature that tries to "help" you by putting in a word that it thinks is what you want.

Bestdadintheworld: _Writing..._

Bestdadintheworld: ooooh, so I'm guessing Toothless, that you didn't actually mean to say "anchovy". Right?

Speedster88: *sigh* yeah. I meant accessory. Stupid acne.

AUTOCORRECT! Grr!

Dragonman: haha. It really makes Toothless look bad. But in a funny way.

Speedster88: ...

Bestdadintheworld: haha. Funny.

Dragonman: by the way, I've written down our first conversations on this. There are only three, but they may help with understanding. Sort of.

Speedster88: you did WHAT now?!

Dragonman: I said, I wrote down our conversations.

_**Bad****Dragon**__ has logged on_

Bad**Dragon**: hey Hiccup, could I have a copy of those conversations?

Speedster88: rhetorical question Hiccup. Anyway, Hookfang? Why the heck would you need them?

Dragonman: yeah. I knew that.

Bad**Dragon**: sure. Sure you did Hiccup. Oh, no reason really...

Dragonman: okay. I guess I could just make copies for everyone that wants them.

Speedster88: hey. I just realized something. How come autocorrect hasn't hit you yet Hiccup?

Dragonman: because I'm awkward!

Bad**Dragon**: yeah we know. It's pretty obvious.

Speedster88: yeah, first impressions aren't always your best.

Dragonman: um... I meant awesome.

Wait. WHAT

Bad**Dragon**: what?

Speedster88: what?

Bestdadintheworld: hm. Now THIS is awkward.

_**Tailwhipper**__ has logged on_

Tailwhipper: hey guys!

Bad**Dragon**: hey Stormfly. Toothless was just talking about you.

Dragonman: actually, they were calling me awkward.

Speedster88: you did that to yourself!

Dragonman: autocorrect! Man! It has the worst timing!

Speedster88: welcome to the club my friend!

Dragonman: ,,,

Tailwhipper: it seems as though I came at just the right time.

Bestdadintheworld: I think, I agree.

**A/N: **meh. I dunno about this one, but I had a bit of writer's block for this. That's why it's kinda short. So sorry if it's not that great. I'll try to do better with the next chapter. Keep readin' folks! :D once again, suggested topic's will be written about! ;)

(**A/N**: they're having a conversation about fishing.)

Bad**Dragon**: Toothy, it's easy. All you do is wait for the right moment, and...bam! You're munchin'!

Speedster88: yeah, yeah. I know! I can never time it right though!

Bad**Dragon**: hey. If Hiccup can catch fish, you can.

Dragonman: Just what do you mean by that? By the way, you _do_ know that I use a _different_ method to catch fish. Right?

Bad**Dragon**: sure, sure. I'm just saying.

Dragonman: no comment.

Bad**Dragon**: meh, you're the one that gave me that impression.

Dragonman: uum...what impression? That I couldn't catch fish? Or...

Bad**Dragon**: that you couldn't really do anything. But, soon you proved me wrong.

Dragonman: ... was... was that what everyone thought of me?

Speedster88: oh come on. I- oh. Well...in our defence, you were..._different_. Back then. I suppose you still are, but you know...

Dragonman: great. The "different" card. You know, my first impression of you Toothless, wasn't that great either.

Speedster88: oh I know. I did that on purpose.

Bad**Dragon**: as did I.

Dragonman: huh. Well then.

Bad**Dragon**: sooooooooo...Hiccup...what was your first impression on Astrid?

Dragonman: what?

Bad**Dragon**: you read it. Now re-read it if you have to.

Dragonman: what do you mean?

Bad**Dragon**: oh come on, don't play dumb Hiccup. I mean, what did you first think of her when you met?

Dragonman: ...

Speedster88: actually, I'd like to know too.

Dragonman: _Writing_...

Dragonman: okay, okay. Hm. Well, at the time, we were only like three or four when we met, so I didn't really think that much of her. Mostly because I didn't actually know her at all. Not to mention the others. My first impression? Annoying, stuck up- um...I think you get the point. Hey, we were three or four years old.

Bad**Dragon**: ...

Speedster88: ...

Bad**Dragon**: that's it?

Dragonman: you only asked for the _first_ impression. ;)

Speedster88: dang. Technicalities.

Bad**Dragon**: man.

Dragonman: ha!

Speedster88: whatever.

Dragonman: *sigh*... alright...I did think she was puny- but that was pretty much it.

Bad**Dragon**: knew it!

Wait, what?

Dragonman: oh...yeah. I meant pretty...autocorrect...
:P

Speedster88: was that so hard? ;)

Dragonman: ...

A/N: so there it is! It's incredibly short, but hopefully it's alright! :D hope you liked it Ami! Thanks for the suggestion! So, if anyone else has anything they'd like to suggest- lay it on me!

R & R please!

Rocklover: what they were going to say was that you should ask Astrid on a date!

Bad**Dragon**: yeah. So. You gonna do it or what dude?

**1 minute later...**

Older-twin: I like hunting and all- but me plus Tuff _and_ Snot?

The-axe-gal: good point. They can get _really_ annoying sometimes.

Older-twin: tell me about it. It sucks that we're the only girl teenagers on this dumb island.

The-axe-gal: yeah, and the only decent guys are Fishlegs and Hiccup. Well...Fishlegs can get annoying too.

Older-twin: so really the only decent guy is Hiccup.

The-axe-gal: yeah, I suppose so. Heh. To think that only months ago, he was seen as a nothing.

Older-twin: lol. Yeah. Speaking of which, where is he?

The-axe-gal: I think he's in the forge working on something for the dragons. If not he's probably out flying.

Older-twin: right lol. Oh, or the Academy.

The-axe-gal: right that too. Boy, there isn't much else he could really be on Berk besides his house. Is there?

Older-twin: nope. Not really.

The-axe-gal: I guess he can be a bit too...awkward. But I guess that's not really his fault...

Older-twin: come on, you like that about him.

The-axe-gal: ...what?

Older-twin: I know I do! ;)

The-axe-gal: O.o?!

Older-twin: yep.

The-axe-gal: but...when?

Older-twin: I dunno. What about you?

The-axe-gal: dunno either.

Older-twin: well then. Looks like we're in this together now!

The-axe-gal: yeah.

Older-twin: okay so first thing, what happened last night?

The-axe-gal: he...asked me out!

Older-twin: cool, knew it would be you. It was kinda obvious.

The-axe-gal: hey, I saw him glance at you more than a few times.

Older-twin: I was probably just standing next to you.

The-axe-gal: nope. Usually I was standing behind or beside him. Nowhere near you! :)

Older-twin: ...seriously?...

The-axe-gal: seriously. He blushed a few times too.

Older-twin: lol. He's cute when he blushes!

The-axe-gal: I know right! Haha

Older-twin: whoa did something just blow up?

The-axe-gal: yeah! Let me check.

The forge got blown up.

Older-twin: ...you know who right?

The-axe-gal: yep. Lol

Older-twin: lol! Well, we at least know he's there and not at his box thing reading this.

The-axe-gal: there's a bright side to everything.
Lol.

Older-twin: haha.

Speedster88: oh hey. Left this on last night. What up?

30 seconds later...

Speedster88: Um, you there?

The-axe-gal: nothing! Nothing's up with us!

Older-twin: yeah nothing!

Speedster88: wow. What's up with you?

The-axe-gal: nothing.

Older-twin: um, girl talk. Did Hiccup blow up the forge again?

Speedster88: you know him too well.

Older-twin: that boy destroys more houses nowadays than you guys did in the past.

Speedster88: thought you'd like that about him.

Older-twin: what exactly do you mean?

The-axe-gal: Toothless, we were having a private conversation.

Speedster88: _Writing..._

Speedster88: The private conversation on this box thing that anyone on Berk can have and access anytime they want to, and have the ability to see that conversation. Yeah. Real
private.

The-axe-gal: shut up.

Speedster88: hey, I didn't actually read it yet. I just joined in?

Older-twin: so, you didn't read it...

Speedster88: no. I just, wrote that. Right?

The-axe-gal: oh don't be smart with us Toothy.

Speedster88: wait. Girl
talk?

Ooooooooohhhhhh...

The-axe-gal: um- NO!

Older-twin: not THAT kind of girl talk you stupid dragon!

The-axe-gal: how would you know what girls talk about anyways? You're _not_ a girl.

Speedster88: true.

The-axe-gal: MOVING ON...how did Hiccup blow up the forge again?

Speedster88: not sure- oh wait, actually I see that it was Tuff and Snoggle. Lol.

The-axe-gal: um, snoggle? Really Toothless?

Speedster88: oh boy. Stupid Auction Cat. I meant snoggle.

Snail.

Snitch.

Really!

Speedster88: **********!

The-axe-gal: WOW Toothless. WOW.

Speedster88: I MEANT THAT!

A-U-T-O C-O-R-R-E-C-T! Grrr.

Older-twin: hahahahahahahahahahaha!

The-axe-gal: wait so...where's Hiccup?

Speedster88: dunno. Thought he was the one who blew up the forge.

Oh, I think I see him going home.

Oh wait, he stopped at the forge.

Older-twin: what's his reaction?

Speedster88: the, 'oh my gods what have you two idiots done?!' one. Lol.

The-axe-gal: haha.

Speedster88: okay, now he's going home.

Dragonman: hey guys, left this on by accident. Meant to turn it off last night.

Speedster88: wow that was fast.

Dragonman: so what are you guys talking about?

Older-twin **and The-axe-gal**: NOTHING

Dragonman: sheesh, just asking.

Speedster88: oh gee look at that, I gotta meet Storm trooper. Bye!

_**Speedster88**__ has logged off_

Dragonman: um, I think we know what he meant. okay what were you guys talking about?

Older-twin and **The-axe-gal**: NOTHING!

50 seconds later...

A/N: well, there you have it. By the way. I've put in references to a few things. One being Willy Wonka and the Chocolate Factory (the original 1971 movie,) the tv show Community, and yes, even the animated tv show the Ultimate Spiderman. I only sort of watched that one because of the marvel/ phineas and ferb crossover thing. Lol, just to get a feel for that kind of stuff. Eh, had to make a reference! I'm not much of a super hero person really. I am however a P&F fan. But yeah. SO. Who can guess what the references are?

(Oh, there's a reference in there that's pretty noticeable lol.) Oh, and 'Sif' is a Norse goddess btw. Thor's wife, and mother of Thrud and Ull to be exact. Um, wikipedia so I could be wrong...

R & R please! :)

(If no one can guess the references, I'll tell you all in the next three chapters or so. I shall also list the people who got them. If I remember haha.)

Besttrainerever!: well you know what? I hate the letter S!

Dragonman: what are you gonna do, take it out of the alphabet?

Speedster88: yeah. So you're not the best speller sheesh

Besttrainerever!: hm. Hiccup, you gave me a great idea!

Dragonman: oops. Sorry guys.

Dragons4ever!: thanks Hiccup.

Oldest-twin: yeah thanks.

Dragonman: I said sorry!

Besttrainerever!: I bet that no one can go for very long with out typing that letter.

Bad**Dragon**: what will the prize be?

Dragonman: really lout?

Besttrainerever!: _Writing..._

Besttrainerever!: yeah really! The winner will get the victory and the joy of deciding what we all eat for dinner.

Dragonman: for me, lout, Tuff, and Leg it can't be dragon food.

Speedster88: for example...?

Dragonman: raw wildlife of the ocean.

Twoheadedreptile: alright fine. But that took the fun out of it!

Dragons4ever!: um, actually...

Besttrainerever!: we are in a bet to find out who can go longer without typing the eighth letter from the end in the alphabet.

Tailwhipper: boys.

The-axe-gal: why S?

Dragonman: _Writing..._

Dragonman: lout apparently felt that the letter did not hold logic in the alphabet.

Um...read our text...

The-axe-gal: um...oh...I see...nice job.

Dragonman: thank you.

Twoheadedreptile: it not that great!

Tailwhipper: at least Hiccup has decent grammar when speaking.

Besttrainerever!: he only read more than one book!

The-axe-gal: that's more than you've ever read. What was it, like...oh- none?

Besttrainerever!: hey! I read the title of them!

The-axe-gal: uh huh.

Besttrainerever!: I did.

Besttrainerever!: no, and anyway, dad mentioned mating could be eccential for life.

The-axe-gal: eccential? That is NOT how you spell that.

Dragonman: I don't think you can replace _the letter_ with a C.

Tailwhipper: it just doesn't work like that Snotlout.

Speedster88: yeah, nice try dude.

Bad**Dragon**: I think you're out now. Did not work bro.

Besttrainerever!: I can't be out! I didn't type it!

Dragons4ever!: you're cheating though. Not right lout! And I think your dad mentioned a different word.

Besttrainerever!: fine! I'm out! You happy now?

Rocklover: you ever hear the fraise, 'cheaters never prosper?'

Besttrainerever!: um, no. not really.

Twoheadedreptile: that technically did not applesauceme in the unwritten rule book.

Dragonman: um, I think you're out.

Twoheadedreptile: NOOO! Curse you autocorrect! I meant appear!

Rocklover: um, just how did 'applesauseme' get into your box's memory?

Twoheadedreptile: how should we know? All we can do is type.

Rocklover: good point.

Speedster88: haha, two down! Four left!

The-axe-gal: yeah sure Toothless.

Speedster88: meaning...

The-axe-gal: nothing.

Nothing at all...

Bad**Dragon**: are you mocking me?

The-axe-gal: what? Me? Mock? _Of course not! _How dare you.

Bad**Dragon**: ... -.- ...

The-axe-gal: :)

Dragonman: haha. Go astrid!

Oh crap...

Speedster88: three left! Nice! Thank you Hiccup!

Dragons4ever!: really hiccup?

Dragonman: hey, don't pry at me, I momentarily...forgot?

Besttrainerever!: you forgot.

Dragonman: yeah.

Besttrainerever!: you forgot? What- how?

Dragonman: you think I know?

Dragons4ever!: eh, whatever.

Dragons4ever!: anyone notice where my straddle book went?

Bad**Dragon**: ha! You're OUT!

Dragonman: straddle book?

Dragons4ever: what? AW COME ON!

Dragonman: haha. I think auto correct is a fan of the letter S. Straddle book...O.o

The-axe-gal: you think? Haha

Dragons4ever!: *sigh*...I meant to say doodle. Stupid Autocorrect!

Speedster88: haha, only me and Hookfang left!

Bad**Dragon**: you're going down bro!

Speedster88: no chance!

The-axe-gal: ANYWAYS

Bad**Dragon**: don't worry, the bet won't go on for very longtemps

Speedster88: auto correct on my team for once? Cool! ha! I won suckah!

Bad**Dragon**: ...crap... I meant to just say long...

Speedster88: well, you were right about something for once...

Tailwhipper: uh, yeah good job Toothless...

The-axe-gal: um...yeah... :) nice work.

Rocklover: congratulations.

Speedster88: thanks!

Oldest-twin: hey Toothless, what's the opposite of won?

Speedster88: ...

A/N: Looks like auto correct got tired of their bet. Ah haha. _Zoe 101 _reference. (Don't own that either, stop nagging!) Had to. That was a funny part of the episode. Thought it'd be funny here. Never knew how many words had the letter 'S' in it. You don't think about it that often...

The-axe-gal: stubbornness. Like dragon like trainer.

Dragonman: FINE

**Welcome players! Before we begin the virtual experience, a flash of light will appear and your current image will appear on the screen. Don`t smile.**

Speedster88: wait, like dragon?

To be continued...

AN: lol, Not sure how many parts to this there will be haha. Created this first one yesterday and finished it today. Hm, I may or may not create a deviantart pic for this one. I don`t have an account, so for the most part I`ll just have to think about it. I think I will if you guys want me to though!

Suggested topics will be taken!

R & R please! :D

13. Randomness

HTTYD: Chatroom: randomness

A/N: Thanks again for the awesome reviews people! :) the more reviews, the more I like to write, therefore, the more chapters you get! Good deal is it not?

This next one is- to put it simple terms- the title. Lol

Randomness is often awesomeness in my book though. Right? (Only "often" because, let's face it. Not ALL random things are awesome lol.)

This is not connected in anyway to my previous chapter "Click Me." Part two of that will come next.

(I hope) Ha ha!

Tailwhipper: hello everyone!

Speedster88: hey. So, that spider cave was interesting...

Oldest-twin: didn't even know that Berk had a spider cave. Man that was creepy!

Dragonman: I think I'm gonna be dreaming about giant spiders for

the rest of my life! :(

The-axe-gal: I'm guessing both of you guys hate spiders. Come on, it wasn't that bad.

Older-twin: yeah you wimps! Haha. Astrid and I did a better job of toughing it out! :D

Dragonman: hey. They were a foot taller than me and bigger! Heck, some were almost Fishlegs' height! Some were even my DAD'S height! Please tell me you noticed that!

The-axe-gal: yeah.

Older-twin: we did.

Oldest-twin: girls.

Bad**Dragon**: Come on Hiccup, I thought that after befriending Toothless you'd be oh, less scared of stuff?

Dragonman: it's not so much fear _them_ as fear of dying. I'm a stickman. Remember your first impression of me?

Bad**Dragon**: remember my second? ;)

Speedster88: yeah dude, I say you could have taken the runt on.

Dragonman: that one was _my height_. Plus it had eight legs and plenty of eyes.

Oldest-twin: not to mention those teeth! Creeped me out!

Older-twin: idiot. Those weren't teeth, they were fangs. Duh. That's how they inject the venom.

Oldest-twin: ... -.- ...have you been reading? _Again...?_

Dragonman: what? You read?

Older-twin: no...and it was just two books.

The-axe-gal: wow. No offense, but I never thought that would happen!

Tailwhipper: you have such people skills Astrid.

The-axe-gal: thank you.

Dragonman: um, yeah. So, Ruff, what were the books about?

Older-twin: _Writing..._

Older-twin: well, they weren't fact books that's for sure. They were about these kids who have magic powers and go to this school for

magic people and such. It was beyond dull at first and I almost put it down. But then it got interesting. There was this dark wizard that everyone thought was dead, but came back. Before that the kids had to solve this weird mystery. That was the first one.

Dragonman: ..wow...where'd you get those?

Older-twin: dunno. They just appeared on my bed one day. The cover looked weird so I tried it out.

The-axe-gal: interesting. What about the second one?

Wait. HEY I HAVE PEOPLE SKILLS!

Dragonman: um, yeah...

Older-twin: yes. Yes you do. The second was a sequel to the first. It had a lot more action, and was a bit darker. It had giant spiders like the ones in that cave.

Bad**Dragon**: sounds weird.

Dragonman: huh. Could I borrow those if you're done?

Older-twin: sure, knock yourself out.

_**Boomarangmaster**__ has logged on_

Oldest-twin: what? Who's that?

Speedster88: uh oh. Not another crazy person! O.O

Boomarangmaster: hey who are you calling crazy? Uh oh, I think I got the wrong chat.

Bad**Dragon**: so who the heck are you?

Speedster88: whew. At least it's not..._her..._

Boomarangmaster: _Writing..._

Boomarangmaster: okay... Well, not from your world...apparently...I think my plan backfired. I was planning on sending my annoyingly evil... "friend" here but I may have done the same thing to myself...oops...I hope I'm not stuck here.

Dragonman: what do you mean by evil?

Boomarangmaster: well, firstly, chasing someone to the death is her all time favourite past...time.

Oldest-twin: good enough for me.

Tailwhipper: horrible! What kind of person would do such a thing?

Boomarangmaster: it's like she has no soul!

The-axe-gal: she?

Boomarangmaster: yup.

_**Fireprincess**__ has logged on_

Boomarangmaster: uh oh. Speak of the literal
devil.

Fireprincess: I WILL find you!

pranksterprince: aw what! Man! How did I click the wrong one?
Which chat am I in?

nocandyinme: well, you are not in mine...um, just as I

Boomarangmaster: _Writing..._

Boomarangmaster: ah ha-ha autocorrect and the language trade. I'm glad I found that one. I have no idea what she's trying to say. Don't listen to her she's evil. You know, the whole "killing someone means nothing to me" thing.

pranksterprince: whoa...harsh...what planet did I log into?

_**Madamfist**__ has logged on_

Madamfist: oh hey. Just got on.

pranksterprince: hey! Finally! Someone I know!

Madamfist: um...what?

Boomarangmaster: you're in the wrong chat apparently. So am I. Madamfist? Who puts _that_ as their username?

Madamfist: I could introduce her to ya.

Boomarangmaster: uh, no, no. I'm good thanks.

Oldest-twin: wow. This is weird.

Bad**Dragon**: you staying in the background?

Oldest-twin: yup...

Bad**Dragon**: same here... O.o ...

_**CARP**__ has logged on_

CARP: hey guys!

Fireprincess: No soy un hombre!

Fireprincess: te maldiga!

Boomarangmaster: uh, yeah.

CARP: um...okay?

Speedster88: WHAT! Why are random people that we don't know entering our chatroom!

The-axe-gal: nice people skills. ;p

Speedster88: :p

Boomarangmaster: I wonder if I sent more people here than just me and fireprincess...oops.

CARP: I have the wrong one? Dang.

pranksterprince: so who are you?

nocandyinme: you must like fish a lot.

CARP: fish?

nocandyinme: your username? Carp. It is a fish.

Dragonman: or uh, you like to brag about yourself...the old Norse definition...

nocandyinme: that too.

CARP: what? No, no, no. It stands for Cool And Radically Popular! It's what I wanna be! :)

Speedster88: good thing it wasn't, cool, _rich and _popular.

pranksterprince: oh ho, burn!

Boomarangmaster: haha, nice!

CARP: why?

The-axe-gal: heh, and _I_ have no people skills.

Madamfist: haha! That's too funny.

Tailwhipper: what ever...

To be continued...

A/N: ...yeah...random...haha. So? Who _were_ those newcomers anyways? I know. But YOU have to figure that out! :) I'll give you a hint though. DISNEY CARTOONS. Both of the past, and present...and future. JK! :p oh, except for two that may be obvious. Oh, and what were the two books that Ruffnut_ actually _(O.o) read?

Don't worry. The next one to this will be posted soon. I promise! I just decided to leave it here. Lol

R & R please!

:D

14. Level One: Don't Look (Part Two)

HTTYD: Chatroom: Level One: Don't Look (Part Two)

A/N: here it is! Yay!

Keep guessing on the last chapter, you can do it! I will be continuing it so it might be easier after that one. But please try! :) Disney cartoon tv shows, of like the ninety's, to the present. Plus an extra that isn't a disney tv cartoon animation thing. I'm not sure what to call it cause the style is based on Anime's, but it's not technically an Anime...so yeah... That's a hint by the way. lol.

Good job LaurenJr! You guessed right! Don't worry. I don't think I'm planning on stopping there lol.

Also, "Guest" guessed, haha, ONE character from Phineas and Ferb. But which one and which username is it? (There's only one from that show by the way.)

You're guessing the right books, but what about the characters and usernames? Please try!

R & R please! :)

Continued from "Click Me"...

**Welcome players! Before we begin the virtual experience, a flash of light will appear and your current image will appear on the screen. Don`t smile.**

Speedster88: wait, like dragon?

Before she could respond, Astrid was soon blinded temporarily by a bright white flash from the top of her box. As well as the others. As soon as they came to, they saw little images fall from the top of the box and land in the middle in a line with the background white.

**These images are a doodled picture of yourself. You control your character. **

Bad**Dragon**: Toothless, why do you look like a squirrel?

Speedster88: what? I don't look like a squirrel.

Bad**Dragon**: yes you do.

Speedster88: no I don't.

twoheadedreptile: no he doesn't.

Speedster88: thank you!

twoheadedreptile: he looks more like a salamander with feet duh.

Speedster88: gee thanks.

twoheadedreptile: oh sure.

**You can control your character by moving them around the screen. To move, press the buttons with the right and left arrow symbols on them. To duck, press the down arrow symbol. To jump, press the up arrow symbol.**

Suddenly all of the characters started moving right and left and some began jumping and ducking.

Older-twin: cool! It moves!

Bad**Dragon**: AH RUFFNUT YOUR FACE! It's all mushed up!

Older-twin: duh idiot, that's not me. That's Tuff. This is me. See? I'm jumping!

Her character began to endlessly jump up and down. Her face was normal looking like the other characters.

Bad**Dragon**: okay, okay, sorry! I get it!

Oldest-twin: yeah, I sneezed. Hehheh.

Speedster88: okay... moving on.

**Your objective of this game is to make it to the last level. Level ten.**

Dragons4ever!: levels? Hm. There's TEN?

**To win the game, you must go through all ten levels. Throughout the game you will collect objects and materials for potions. **(**A/N**: lol, sorry folks, they're not playing a harry potter related game! Don't hate me! Haha) _**Each level will contain a different setting or "world". You must defeat the guardians of the Crystal Castle and receive the hammer of Thor and become the Hammer Master.**_

Besttrainerever!: which will be me!

The-axe-gal: you just barely know how to work this thing. How do you expect to win?

Besttrainerever!: um, check my username, DUH

The-axe-gal: um, yeah. No comment.

Bestttrainerever!: ha, thought so.

Dragonman: um, I don't think that's a good thing.

**In the first level, you will be placed in a cave. Collect as many items as you can. Once you have collected them all, and defeated the traps, you may move on to level two.**

**Warning: some items will lower your chances. If you are ready please click yes.**

Suddenly another blinking box appeared with the word "Yes" printed on

it.

Besttrainerever!: yes!

Dragonman: um, traps?

Tailwhipper: lower our chances?

Rocklover: I suppose we have to have _some_ challenge. Right?

twoheadedreptile: yeah... I guess... but it wont be fun if we keep losing guys!

Speedster88: right, so pay attention to what you're doing!

Everyone clicked "yes."

**Welcome players to level one.**

The image's background changed from white to the bottom of what looked like a mountain.

Oldest-twin: whoa. Is that a mountain?

Dragonman: yeah I think so.

**Your goal on this level is to get to the top of the mountain without losing any of your heart levels at the bottom.**

Soon the gang's usernames appeared with ten hearts next to them.

Dragons4ever!: I think that's our lifespan or something.

Besttrainerever!: so like, if we lose them all we die or something?

Speedster88: um...sounds about right...but we don't die in real life.

Besttrainerever!: oh, good.

Speedster88: at least...I think.

Bad**Dragon**: you give the best peptalks ever dude.

Speedster88: hey, just saying.

Dragonman: okay, let's get moving. The up arrow was jump...

The-axe-gal: I think we can get onto those rocks over there.

Her character moved left and tried jumping. It didn't work.

The-axe-gal: or not. What else is there...

Older-twin: hey, there's this note here.

Rocklover: ooh, what's it say?

Dragons4ever!: ooh, you can leave notes?

Dragonman: I think your character just has to touch it.

Ruffnut's character moved over to the note that was on her right. A box popped up asking if she wanted to read it. She clicked yes.

Dragonman: uh, don't look or it takes you?

Dragons4ever!: wh-what's that suppose to mean?

Tailwhipper: what takes us?

The-axe-gal: I don't know Stormfly...

Besttrainerever!: it just means our characters...right...

Bad**Dragon**: pretty sure...

twoheadedreptile: this is a weird game.

Dragonman: agreed.

Suddenly, on a little rock above Toothless' head, appeared a glowing object.

Speedster88: huh, wonder what that is. Oh, it's not high enough for me to reach by jumping!

Oldest-twin: how do we get to it if we can't jump on anything?

twoheadedreptile: hm, good point. Can we fly?

Rocklover: oh, excellent question. Now, how would we do it...

She tried to fly while jumping but nothing was working. She ended up falling down on a space that pushed in.

Rocklover: I'm not that fat!

Without much of a warning, strange birds started attacking her.

Dragons4ever!: Meatlug!

Besttrainerevre!: I'll get her!

Snotlout's character moved into the battle. He tried to jump on to the birds, but ended up destroying Meatlug's

hearts.

Dragons4ever!: dude, you just killed Meatlug!

Besttrainerever!: it was better than doing nothing!

The-axe-gal: oh I don't know.

Speedster88: that's definitely debatable.

Rocklover: guys, I'm not really dead. You know that right?

Her character appeared next to Hiccup.

Dragonman: oh, cool you just get reborn or something.

Rocklover: yeah.

Dragons4ever!: Meatlug! :)

Rocklover: :)

Besttrainerever!: uh, guys, a little help over here!

Snotlout's character was now getting attacked.

Dragonman: hold on guys, maybe we should hang back and study their tactics.

Besttrainerever!: WHAT!

Soon enough Snotlout's character disappeared.

The-axe-gal: uh, Hiccup, they didn't have any tactics.

Dragonman: yeah I know.

Then Snotlout's character reappeared next to Hiccup. He started ramming into him.

Besttrainerever!: HANG BACK AND STUDY THEIR TACTIS!

Hiccup's hearts began to disappear.

Speedster88: dude! You're gonna kill him!

Dragonman: eh, let him get it out of his system.

Besttrainerever!: aw forget it! Let's just get going!

His character began to jump up and down.

Older-twin: Snot, jumping doesn't work.

Bad**Dragon**: we already established

that.

Besttrainerever!: well I don't see YOU coming up with anything!

Hiccup's character then tried to jump up on one of the birds.

Speedster88: are you asking to get killed?

Dragonman: huh? No, I'm trying to get on to one of them so that we can fly up to the top. That seems to be where they're going, right?

Tailwhipper: ooh, good strategy. I'll try that.

Hiccup's character in fact, did manage to get onto a bird and fly up out of sight.

Older-twin: whoa, where'd you go?

Dragonman: I don't actually know, I think you guys have to jump up on the birds and fly up as well to find out.

Speedster88: hey, wait for me!

His character was soon the last one.

Bad**dragon**: Toothy we're waiting on ya! Hurry up!

Speedster88: I'm trying! Somehow it's harder for me!

His character tried to jump. He landed on one for a second, but another one came and knocked him down.

Speedster88: gah! This is frustrating! How did you guys get up so easily!

Besttrainerever!: cause we're that good! Now stop talking, and start jumping!

Speedster88: stupid bazinga's!

Tailwhipper: um, what?

Speedster88: bingo

Dragonman: I think Autocorrect has favoured someone haha

Speedster88: Berlin. What? Come on! I'm trying to say BILATERAL!

The-axe-gal: oh gees, poor Toothless.

Speedster88: THIS IS STRATEGIC!

Speedster88: aaaarrrrg!

**Congratualtions players. You have completed level one.**

Speedster88: finalmente!

Oh forget it.

A/N: lol, there's part two everyone! Hope you enjoyed it! Still debating whether or not I will do a deviantart pic or not for this one. Huh, I wonder what that note was about... lol Community reference. Sorry for those who aren't fans of that show, but I had to. Haha.

Google translate says that finalmente is Spanish for finally. Eh, just so ya know.

R & R and suggest topics please! :D

15. Log Off (Part Two)

HTTYD: Chatroom: Log Off (Part Two)

A/N: hello, hello, hello! Once again, thanks for the awesome reviews! Gees, this had gotten really popular! :) so, here's chapter 15 ya'll!

...Continued from "Randomness"...

Pranksterprince: hm...I wonder what prank I should do next... maybe some of you guys could help?

Fireprincess: yo no soy un hombre!

Pranksterprince: yeah, you're not helping... anyone else?

Fireprincess: maldecirÃ¡ boomerang muchacho!

Boomarangmaster: ah haha. Language trade. Never gets old. Ooh, I got a good one. Leave a note on something valuable to someone, oh, and say something like "sorry about the damage". They'll be searching for the damage forever!"

Pranksterprince: haha, yeah, that's good one! I've already done that to a few people though. :(I need a new inspiration...

Oldest-twin: you could blow something up.

Bad**Dragon**: I thought you were staying out of this.

Oldest-twin: eh, I like pranks.

Bad**Dragon**: oi. What ever.

Pranksterprince: um...it uh, has to be friendly and fun... you know. Like, uh, for kids?

CARP: oh! I got a good one. Switch someone's suntan lotion for glue. They'll get stuck to their towel!

Pranksterprince: hm, tender, I like that one! Haven't tried it yet. Hey, how'd you come up with that?

CARP: it actually happened to a friend of mine...

Pranksterprince: well, thanks for the idea! :)

CARP: sure!

Tailwhipper: hm, at least everyone seems to be getting along here. :)

Fireprincess: aguador voy a averiguar donde usted y su hermana son! usted tendrÃ¡ que pagar por esto!

Rocklover: um...most people...

Tailwhipper: a girl can dream.

Rocklover: :)

_**Boomarangemaster**__ has sent Fireprincess a "Language Trade."_

Nocandyinme: what exactly does that do?

Boomarangmaster: it changes her words to a different language. And it never get's old! This one's got a cool name! :)

Fireprincess: i sizÓ™ nifrÓ™t.

Older-twin: heh. No idea!

Nocandyinme: ha, funny. Um, if no one minds me asking, how do we get out of here and into our own chatrooms?

Older-twin: no idea on that either.

Boomarangmaster: sorry, I can only send people in my chatroom places. I can't do anything to anyone else. :/

Older-twin: hey, more books appeared on my bed. Weird.

Madamfist: what do you mean appeared?

Boomarangmaster: couldn't someone have put them there?

Older-twin: I've been here all morning. No one came in. They just appeared.

Dragonman: are they like the last ones?

Older-twin: yeah I think so. They have the same people on the cover. I think they're the next books or something.

Nocandyinme: what books would these be?

Older-twin: they're about these wizards and witches that go to this school for magic, and I think each book is a year.

Pranksterprince: sounds weird. The only books that I read are comic books. Like Senor Fusion.

Madamfist: yeah, same here.

Boomarangmaster: um, what are "comic books"?

Madamfist: are you serious? You don't know what comic books are?

Boomarangmaster: I don't think I'm from your world...

Pranksterprince: what do you mean, "our world"? Are you an alien?

Boomarangmaster: um, no.

Nocandyinme: actually, there are plenty of theories scientists have come up with about "different worlds", or universes. Like time travel.

Madamfist: you know what I think? All of this sounds like a situation that happened to a certain someone.

Pranksterprince: you don't mean...

Madamfist: yup. He logged on to this one chatroom, and started talking to these weird people that didn't seem like they were from our world. Then they never saw him again...

Pranksterprince: weird...

Speedster88: no offense... but you guys are weird...

Dragonman: not weird just different.

Speedster88: no, just weird.

Bad**Dragon**: I don't think Astrid's the only one with no people skills...

Speedster88: hey!

The-axe-gal: HEY!

Dragonman: lol. You know it's kinda true...

The-axe-gal: watch it boy.

Dragonman: sheesh, sorry...

Madamfist: hey axe-gal you and I would make great friends haha.

The-axe-gal: :) lol

Pranksterprince: hey, I've been meaning to ask this, but what's with you guys and dragons?

Dragons4ever!: what do you mean?

Nocandyinme: I think he is referring to your usernames.

Bad**Dragon**: oh, that's easy.

Pranksterprince: oh really?

Dragonman: half of us (the humans) train dragons.

Madamfist: dragons? Please. Those don't exist.

Bad**Dragon**: and the other half of us, _are_ the dragons.

Pranksterprince: yeah, yeah. Good one.

Besttrainerever!: it's true! Oh, and check my username!

Madamfist: I could introduce you to mine.

Besttrainerever!: wow. You and Astrid really could be friends...

Older-twin: and me too! :)

Dragons4ever!: yeah, um, I'm good with just you and Astrid thank you...

Pranksterprince: so you guys train dragons...

Dragonman: yeah we ended a long feud between us and the dragons and then we started training them.

Pranksterprince: you guys planned this well.

Madamfist: yeah they came up with a story and everything.

Besttrainerever!: it's not _just a story_. It happened! And we're trainers! Where have you been, in the past?

Pranksterprince: no.

CARP: you guys are really processioned.

Nocandyinme: um, I do not think that is what you

mean.

Boomarangmaster: uh oh, I think I sent autocorrect to more than one person...

Speedster88: hey, it's not me this time! Yes!

CARP: man, that's not what I meant. I meant predicate. Province. *sigh*...I downloaded this thing called "Audio Crustacean" thinking it'd help with my writing. Only nine out of ten words were readable. One person got frog when I meant hair once...with my hand writing I mean.

Pranksterprince: wow. hahahahaha! I like autocorrect.

Madamfist: now that's a good one! :D

CARP: aw man.

Boomarangmaster: ha, if I sent it to you, I didn't mean to. I only meant it for one person! Haha

Fireprincess: Siz lÓ™nÓ™t.

Speedster88: wait, are you saying that you could have sent it to us too?

Boomarangmaster: I'm not sure. I suppose it's possible. Lol, sorry about that.

The-axe-gal: no worries, it's been hilarious!

Dragonman: yeah, it has been pretty ******.

Bad**Dragon**: wow.

Tailwhipper: nice one.

Dragonman: FUNNY! FUNNY! I meant funny! Gees!

Rocklover: oh boy.

Speedster88: haha. I didn't know you could swear.

Pranksterprince: oh man, where do I get this autocorrect thing? Haha!

Boomarangmaster: hm, who would you like me to send it to?

Pranksterprince: let's see...

Madamfist: all of our friends and then some. If you don't mind.

Boomarangmster: no problem, it's easy! So, who's it gonna be?

Pranksterprince: okay, here it is, Thevoicekid, smart girl, nonameboy, thesportschef, bossman, womanincharge, goldensnitch, and assistantboy. That would be awesome of you!

_**Boomarangmaster**__ has sent "Autocorrect" to Thevoicekid, smart girl, nonameboy, thesportschef, bossman, womanincharge, goldensnitch, and assistantboy._

Boomarangmaster: lol, there you go.

Madamfist: lol, they're gonna be so mad once they start talking nonsense. Haha!

Pranksterprince: yes, yes they will be. Thank you!

Dragonman: oh no!

Speedster88: ah! Log off!

HTTYD: Chatroom: Level Two: Black Cloth (Part Three)

A/N: Sorry this is so late in the day, but it`s here! Okay, alright. For the last chapter- I will tell you the tv shows that they`re from. **BUT I WARN YOU it may make it WAY obvious**. But, you asked for it! Okay so here they are: Recess, Phineas and Ferb, Disney`s The Weekenders, and Avatar the Last Airbender (the tv series). Once again, _you_ asked for it and have been warned! :) Thanks for the awesome reviews people! It's great knowing that I make tons of people laugh! :D

(**Oh, and please check out my announcement for my Rise of the Brave Tangled Dragons fic and leave a review**! :D)

...Continued From "Level One: Don't Look"...

The characters all arrived at the top of the mountain.

**Welcome Players to level two.**

Besttrainerever!: That's it? No instructions?

Dragons4ever!: hm, well, there is this moving plank that's going from left to right over on our right. Do we perhaps jump on it?

Dragonman: you know, I think you're right Fishlegs.

Speedster88: wait, look, a black square!

Oldest-twin: a what?

The-axe-gal: that, does NOT make sense. Why would _that _be at the top of the mountain?

Speedster88: why would birds carry us up here? More importantly, why would they even _be that_ big?

The-axe-gal: okay, good point.

Rocklover: so what's up with the black square anyways?

Bad**Dragon**: Toothless should check it out cause he was slow.

Speedster88: what? How is that logical? What if it destroy's my hearts?

twoheadedreptile: well dude it's certainly NOT gonna be one of us!

The-axe-gal: yeah got that right!

Tailwhipper: yup!

Speedster88: oh come on! Really!

Dragonman: Toothless, just do it.

Speedster88: fine.

The-axe-gal: baby.

Toothless' character went over to the black thing. As soon as he touched it, a box appeared. It appeared to be a piece of cloth.

Speedster88: hm, guys it's cloth. Do I want to keep it. HOW THE HECK SHOULD I KNOW!

Dragonman: just say yes, it could come in handy later? Maybe?

Speedster88: a piece of black cloth.

Dragonman: um...yeah... we uh, we don't know everything about this game.

Speedster88: if I die, I blame you.

**This item has been added to your storage. Congratulations on finding a piece of black cloth.**

Dragons4ever!: what? We have a storage thing?

Dragonman: well, it did say that we could collect stuff like Toothless just did. It makes sense.

Speedster88: how on earth would black cloth be helpful.

The-axe-gal: we'll find out later I guess.

Besttrainerever!: let's try and jump on that moving block thing now.

Rocklover: hm, maybe Toothless should go first. He didn't do so well at jumping on to things the last time...

Speedster88: gee. Thanks.

Rocklover: sure! :)

Dragons4ever!: you know that- um, ah never mind...

Rocklover: ?

Besttrainerever!: okay, let's do this! Toothless go!

Speedster88: right I'm on it!

1 minute later...

Speedster88: ah!

Besttrainerever!: dude.

Speedster88: uh...

Tailwhipper: hm, in this thing, jumping is not your strong suit...

Older-twin: you think?

Speedster88: hey. Oh, you should know, that if you miss- you go all the way back to level one. Ugh, those stupid birds!

Dragonman: WHAT? Hm, so, do we have to wait for you or...

Speedster88: You guys go on ahead I'll catch up!

Tailwhipper: you sure? We can just wait.

Bad**Dragon**: ah we might as well just go he'll take forever.

Speedster88: yes- and HEY!

Bad**Dragon**: come on, you know it's true.

Speedster88: ...

The-axe-gal: oh for the love of Thor, let's go already!

Besttrainerever!: okay, okay! Let's go guys.

Speedster88: I hate birds.

Rocklover: hey I made it!

Dragons4ever!: wait to go Meatlug!

Dragonman: okay, who's next?

Older-twin: I am!

Oldest-twin: no I am!

Dragonman: oh boy.

Older-twin: NO I AM

The-axe-gal: OH WOULD YOU JUST GO ALREADY!

Older-twin: sheesh. Impatient much.

Oldest-twin: yeah I was just gonna go.

Older-twin: no you weren't!

Oldest-twin: Hiccup! I was gonna go next!

Dragonman: really. Okay, Astrid?

The-axe-gal: I'm on it.

Hey, literally!

Speedster88: I hate birds, and that's why I eat them!

Tailwhipper: I'm next!

Yes! I made it!

Besttrainerever!: me next!

Older-twin: now me!

Oldest-twin: hey!

Older-twin: you were snoozin'! Live with it!

Oldest-twin: I DO live with it!

twoheadedreptile: that doesn't make sense, even to me. O.o... and JUMP! Whoo hoo!

Dragons4ever!: good job guys! Now it's my turn!

Speedster88: oh come on. Not again! They`re laughing aren`t they.

twoheadedreptile: no but we are.

Speedster88: *sigh...* no comment...

After all of the players, minus Toothless, jumped, they all ended up at some sort of pond. It looked an awful lot like the cove on Berk where Hiccup met Toothless.

**Welcome Players to the Emerald Pond. To pass this level, find the hidden map to the Ice Tunnels. Then find the sword of Tyr.**

Bad**Dragon**: huh, sounds simple enough.

Dragons4ever!: it may seem that way, BUT we have to be very careful of traps and whatnot like those birds.

Speedster88: did I mention I hate birds?

Rocklover: yes.

Oldest-twin: hey look, I think something's in the water. It's glowing orange.

Dragonman: hm. I don't think we should go in there though.

Besttrainerever!: you know what, what ever. We know how to get past level one right?

Speedster88: I hate this thing.

Besttrainerever!: um...most of us...so what's the trouble?

Dragonman: the trouble would be...that...okay fine. Be my guest.

The-axe-gal: you're gonna just let your cousin do that?

Dragonman: Astrid, remember that it's not real.

The-axe-gal: I know that. Duh.

Besttrainerever!: I'm jumping. See ya.

The-axe-gal: I think someone should at least go in there with him. Someone responsible.

Tailwhipper: I'll go.

The-axe-gal: cool.

Dragonman: you're just gonna let your dragon do that?

The-axe-gal: stealing my words again are you?

Dragonman: oh come on I'd never do that.

Dragons4ever: if you two are finished, we need to find this map thing.

twoheadedreptile: found it. Shows us where the caves are and everything.

Dragonman: wait what?

twoheadedreptile: yeah I did it when you guys were talking.

Older-twin: go Barf and Belch!

Oldest-twin: YEAH! Our dragon...s rock!

Dragonman: uh, well good job guys. That's one step down. Now to find the sword.

Besttrainerever!: WHOA...it's like a whole other world down here...

Tailwhipper: he's not kidding...it's weird. It's like an underwater cave. With a giant stone in the middle.

Besttrainerever!: a giant stone...WITH A SWORD STUCK IN IT! BOO YAH!

Rocklover: nice! Well done!

Bad**Dragon**: ha! What do you two lover's have to say about that! It feels good to win!

Dragonman: one,_ you_ didn't win anything. Snotlout and Stormfly did, and two, we were being cautious.

The-axe-gal: okay one, _you_ were being cautious. Two, I think Stormfly spotted the sword first.

Besttrainerever!: she just spotted the stone. I saw the sword!

Dragonman: What ever! You said the sword was stuck in the stone?

Tailwhipper: yes. The metal part is in the stone, while the handle is sticking out. Like it was placed there for someone to pull out.

Besttrainerever!: which will be me! Okay here it goes. Hiccup, what are you doing down here!

Dragonman: hey, I just wanted to see. That`s all. Calm down. You

can still pull that sword out.

Besttrainerever!: oh. Well okay then. Here it goes.

Speedster88: FINALLY! YEAH! Level two here I come!

Dragonmanb: nice. But I think we`re almost past it...

Speedster88: what

**Congratulations Players. You have completed level two.**

Speedster88: ****.

Dragonman: yeah...

Bestrainerever!: yeah! We`re SUPERCALIFRAGILISTICEXPIALIDOCIOUS!

Bad**Dragon**: ...whaaaaaa...

Besttrainerever!: whaaaaaa...

Dragonman: like dragon like rider.

The-axe-gal: ha not disagreeing there.

Dragonman: hey! I`m at least a good jumper in this!

Speedster88: hey!

Besttrainerever!: hm. This whole sword stuck in a stone thing is somehow very familiar. But I just can't quite put my finger on it...

A/N: lol and there it is everyone! Sorry it took so long. I was busy and distracted lol. But it's all good now!

R & R please! It's greatly appreciated! :D

Dragonman: so it's just you and me.

The-axe-gal: yup.

Dragonman: no one else...

The-axe-gal: yup.

Dragonman: you wanna go flying later?

The-axe-gal: yup.

Dragonman: is that the only word you know?

The-axe-gal: nope.

Lol. Sorry had to haha.

The-axe-gal: sorry Hookfang, but we were having a conversation.

Bad**Dragon**: yeah. Now I'm joining.

Dragonman: don't think you want to join this one.

The-axe-gal: it's called a _private _conversation.

Bad**Dragon**: so far all that I've read doesn't exactly fit into a private conversation.

Dragonman: hey, we were getting there.

The-axe-gal: it's called an _opener _to the conversation.

Bad**Dragon**: stop telling me what to call stuff. I do as I please.

Dragonman: oh boy.

The-axe-gal: oh for the love of Thor would ya please leave.

Bad**Dragon**: well...since you said _please_- no.

the-axe-gal: why you...

Dragonman: OKAY- moving on...

Bad**Dragon**: this isn't exactly a private chatroom now. Is it?

Dragonman: no it's not but...well...

Bad**Dragon**: having a conversation _outside of this_, would be.

Dragonman: well yeah but...um...

Bad**Dragon**: no "yeah but's!" It's just saying that you agree but disagree! It makes no sense!

The-axe-gal: WHAT?

Bad**Dragon**: hey, I'm not the one who came up with that. Blame Stormfly!

The-axe-gal: Yeah and Toothless is the genius of the dragon group.

Bad**Dragon**: because he's SO smart with words.

The-axe-gal: that's called _sarcasm_.

Bad**Dragon**: ...

_**Bad****Dragon**__ has logged off_

the-axe-gal: haha got him to leave.

Dragonman: nice work! (That _wasn`t_ sarcasm.)

The-axe-gal: :P

The-axe-gal: yeah...that guy's nuts.

Besttrainerever!: what was?

Dragonman: you getting shocked by that eel?

Besttrainerever!: oh yeah! The reason why I logged on! I, Snotlout, had JUST EATEN A RAW EEL! Boo yah!

The-axe-gal: oh joy...

Besttrainerever!: I know! Isn't it!

Dragonman: sarcasm...I hope lol.

Besttrainerever!: ...

Dragonman: you know you could get sick. Right?

The-axe-gal: not that that's a problem...

Dragonman: Astrid.

The-axe-gal: what?

Dragonman: he's still my cousin.

The-axe-gal: fine. But he'd better get off soon.

Besttrainerever!: ooooh, why?

The-axe-gal: dude, don't make me tell you what to call things.

Besttrainerever!: I won't. Wait. What?

The-axe-gal: it's called none of your business!

Besttrainerever!: hey, you were the one to say something!

The-axe-gal: only cause you're brainless.

Besttrainerever!: nu uh.

The-axe-gal: I'm NOT getting sucked into that one.

Besttrainerever!: into what?

The-axe-gal: exactly my point from before.

Besttrainerever!: now what's THAT suppose to mean? Solving riddles is Fishlegs' or Hiccup's job Astrid! NOT mine!

The-axe-gal: I think I win this argument.

Dragonman: uh, yeah... SO Snotlout I heard the twins need a third member to destroy the old Outcast ship.

Besttrainerever!: since when?

Dragonman: since I told you to. I am in charge remeber.

Besttrainerever!: no you're not. When Stoik's gone, Gobber's in charge.

Dragonman: he's gone too lout.

The-axe-gal: then Snotlout's dad is in charge.

Besttrainerever!: ...except he's gone out fishing with them...

Dragonman: so that's that.

The-axe-gal: then Mulch is in charge.

Besttrainerever!: HE'S HERE HA!

Dragonman: FINE. Technically I'm not aloud to be in charge yet. BUT I am in charge of the dragons. Whether someone's here or not here.

Besttrainerever!: and when _you're_ not here?

The-axe-gal: ha, since when will that happen?

Besttrainerever!: ... good point, but still.

Dragonman: then Fishlegs is in charge of the dragon stuff. He _has_ read the book over seven times.

Besttrainerever!: you picked Fish over Astrid? Huh. I don't know what to make of that.

The-axe-gal: actually, I agree with it. Fishleg's does know a lot more about dragons than I do. But, I'm learning.

Besttrainerever!: oh... and when he`s not here?

Dragonman: then Astrid's in charge. You know, you should have at least seen _that one_ coming...

Besttrainerever!: what ever, and when SHE'S not here?

Dragonman: ...okay I admit that I would choose you over the twins...

Besttrainerever!:YES!

Dragonman: just uh, just don't tell them.

Besttrainerever!: awe man.

Dragonman: I just don`t want them thinking they can get revenge in any way...you know they like destroying stuff.

Besttrainerever!: uh, YEAH- moving on.

The-axe-gal: and by don't tell them he means DON'T BRAG!

Besttrainerever!: hey I know what he meant. I _know_.

Dragonman: good. Then you won't say a thing. Right?

Besttrainerever!: until the time comes that I'm in charge.

Dragonman: um, in charge of the _dragon stuff_. Yes. You won't technically be in charge of the town...you know that... right?

Besttrainerever!: uh, DUH.

The-axe-gal: GREAT now get off of this thing.

Besttrainerever!: WHOA wait, hey, where'd that come from? This isn't a private chat you know!

Dragonman: um, what she meant, was that we were just trying to talk alone together...

Besttrainerever!: ...

Dragonman: um, you know, privately?

Besttrainerever!: ...dude, take notice of my previous statement.

Dragonman: well, I know...

Besttrainerever!: then talk to each other verbally. Stop communicating with the box if you want privacy! Sheesh!

The-axe-gal: didn't know "verbally" was in you vocabulary.

Besttrainerever!: huh. It's not. That one was autocorrect...

Dragonman: oh come on.

Besttrainerever!: I always liked that thing. :)

Dragonman: oh go destroy the ship.

Besttrainerever!: fine. Wow. Touchy.

Dragonman: yeah so far everything's fine. How's your fishing trip going?

Bestdadintheworld: _Writing..._

Bestdadintheworld: well the Hammerhead has seen better days...but no worries we'll still have enough for the freeze. Oh no not again. Gobber's got his hook well, hooked on a fish. I guess I should go.

The-axe-gal: why did you name a boat hammerhead?

Bestdadintheworld: after the fish of course!

Dragonman: it's uh, it's irony...so they say...

The-axe-gal: ah...

Dragonman: well dad, that's great hope Gobber's fine, and hope to see you dead.

Bestdadintheworld: wait...what?

Dragonman: DAD! Hope to see you DAD! Man autocorrect has to ruin everything!

Bestdadintheworld: hm, I suppose that autocorrect has chosen favourites.

Dragonman: ...yes. Yes it has...

A/N: lol. Oh autocorrect. Ha ha ha. So yeah, the Hicstrid part was the suggested part lol. In interruptions? Me. :) That's all I have to say! R & R please, and keep reading! :D

18. Level Three: Trees (Part Four)

HTTYD: Chatroom: Level Three: Trees (Part Four)

A/N: Enjoy! :)

**Welcome Players to Level Three.**

The gang all faded into a scene that looked like a volcano. They were all on rocks and there was lava below them.

twoheadedreptile: I think it gave up on telling us what to do.

The-axe-gal: you think?

Dragonman: hey, we made it past level two.

Speedster88: stupid moving block thing.

Dragonman: most of us.

Tailwhipper: yeah, you're right! We can totally do this!

Dragons4ever!: well, I'm pretty sure we shouldn't even touch the red stuff. Which by the way, I think is lava. That means that we're in a volcano.

Dragonman: yeah I think you're right.

Oldest-twin: wait, there's some sort of hole in the wall!

Older-twin: I think it's a tunnel! Let's go!

Rocklover: wait! There might be stuff to collect here! I'll check.

Meatlug's character then began jumping onto rocks.

Rocklover: cool, it works this time!

Dragonman: remember, one of those could be another trap!

Rocklover: right. Cool, there's some kind of green glowing gem up here. Should we collect it?

The-axe-gal: I don't see anything wrong with a gem. What about you guys?

Older-twin: what ever.

Besttrainerever!: maybe we'll get rich! :D

Dragonman: yeah maybe. Or it could be a trap.

Dragons4ever!: you mean like, it could be a disguise?

Dragonman: yeah. We should be careful.

The-axe-gal: worry wart.

Dragonman: What?

Besttrainerever!: dude, it's a gem. If Meatlug doesn't take it, I will!

Rocklover: sure. Be my guinea pig.

I mean guest. Stupid autocorrect...

Besttrainerever!: thank you. I will.

Tailwhipper: autocorrect. Sure...

His character then jumped up to the left where Meatlug was. He touched the gem, and another box appeared.

Dragonman: huh. Apparently it helps with defending ourselves against- yeti's? Wow.

Besttrainerever!: that's it! Awe man, seriously? What ever. Now let's get going already!

The-axe-gal: alright, we're going.

Dragons4ever!: WAIT, I just read that it helps us with making an energizing potion!

Oldest-twin: what would we need an energizing potion for? Like anything can stop us!

Just as he said that, Snotlout's character began to hop off the rocks. But, he missed one and fell into the lava causing him, and three of his hearts to disappear.

Besttrainerever!: awe man. _Level One..._ blah.

The-axe-gal: hm, good question Tuffnut.

Oldest-twin: heh-heh. :P

Besttrainerever!: ha-ha. :{ that was sarcasm.

Older-twin: hey, while you guys were talking about that gem, I went through the tunnel.

Dragonman: so what's out there? Is it a trap?

Bad**Dragon**: dude, what is it with you and traps lately?

Dragonman: so what's there?

Bad**Dragon**: sure just ignore me.

Older-twin: a forest.

Speedster88: GUYS I'M FINALLY HERE! Wait. A forest?

Older-twin: do I need to space the letters out for you? Yeah. A FOREST.

Dragons4ever!: wow strange...

Rocklover: should we?

Dragons4ever!: she seems okay...but I'm not sure...

Older-twin: guys, it's fine.

Dragonman: I don't know...

Speedster88: yeah it could be a trap.

Dragonman: don't mock me.

Speedster88: ha-ha.

Bad**Dragon**: I'm going! See ya!

Dragonman: Hookfang!

Besttrainerever!: I'm going too later!

Dragonman: once again, you ignore me.

Bad**Dragon**: don't mock me.

Speedster88: wow, defending you're yourself while mocking him... nice one!

Dragonman: ...what ever...

Bad**Dragon**: :P

Speedster88: oh, and you mean me.

Dragonman: oh- go and jump on something!

Speedster88: :P hey did you guys find a cauldron in that last level? It looked cool. :)

Dragonman: what? No.

The-axe-gal: cool.

Speedster88: by the way, Hiccup? We're waitin' on you on the other side of the tunnel.

Dragonman: what? Awe man, you guys just went ahead without me.

twoheadedreptile: yeah. You were talking.

Dragonman: I was warning- aw forget it. I'm coming.

The-axe-gal: so...what now? We're in a forest.

Speedster88: wait, is that an arm?

Bad**Dragon**: say what now?

Speedster88: oh, never mind. One of the trees looked as though someone tall was behind it. :/ it was nothing.

Dragonman: okaaaay...

Tailwhipper: let's just move forwards. Maybe we'll find something.

twoheadedreptile: or, some_one_.

Tailwhipper: or someone.

Oldest-twin: or a dragon.

Tailwhipper: or let's get going.

Besttrainerever!: toothless, I don't know why you had such a hard time getting past those levels. It was SO easy.

Speedster88: cause that's why you're just getting here now.

Besttrainerever!: hey, I do what I do. Okay?

Bad**Dragon**: and we've come to a field.

Dragonman: looks like a farm.

Besttrainerever!: how observant.

Dragons4ever!: should we cross it?

The-axe-gal: hm, hey wait, there's a man standing there. I'll talk to him. Brb.

Oldest-twin: weird. He just showed up.

Older-twin: where do you think he lives?

Speedster88: a farm house.

Dragonman: would you guys quite mooing me?

Tailwhipper: mooing?

Dragonman: Mohawk. Awe man...

Bad**Dragon**: yup. I do love that thing.

Speedster88: if you don't want to be mocked, then don't make it so easy lol.

The-axe-gal: lol, hey guys, level four is this a way! Follow muah!

Dragons4ever!: huh. That was easier than I thought.

Besttrainerever!: well _you_ didn't have to go all the way back to level one!

Dragons4ever!: true...

twoheadedreptile: yeah, yeah. Level Four here we come! See ya'll later!

Dragonman: moocher.

Stupid thing.

**Congratulations players for completing level three.**

Bad**Dragon**: sup guys.

Tailwhipper: where's Snotlout?

Bad**Dragon**: don't know.

The-axe-gal: actually I think he's with Tuffnut and Fishlegs.

Bad**Dragon**: what makes you say that?

Dragonman: they're throwing snowballs at the yaks. Well, my cousin and Tuff are anyways. I have no clue to what Fishlegs is doing with them.

The-axe-gal: um, yeah that's exactly what they're doing...how did you know? Your house doesn't exactly look upon the

plaza.

Speedster88: yeah, but we're near the top of the mountain! It's awesome!

Bad**Dragon**: wait, what? I don't see you.

Speedster88: I'm called the _Night Fury_...

Bad**Dragon**: it's daytime.

The-axe-gal: ooh, burn.

Speedster88: plus, I'm on the other side of the mountain. You're in the beach area- in case you forgot...

The-axe-gal: okay, that one _is_ a burn.

Bad**Dragon**: lol

Speedster88: thanks. Wait. What?

Dragonman: wow. You get a really great signal up here. I mean, it's cold but...well, that doesn't really matter actually...um, never mind.

Tailwhipper: yeah, it's Berk.

Dragonman: yeah. Yeah I got that.

Older-twin: sorry got side-tracked. Snotlout got run over by a yak that had spotted him, then got shoved into Tuff.
Lol.

Bad**Dragon**: you're not joining in the destroying time of day?

Dragonman: they have a schedule? Really.

Older-twin: yup. But come on. Can you really picture _me_ with Snot, Tuff, AND Fish?

The-axe-gal: ooh, good point.

Dragonman: yeah. I can see that would get...oh what's the word?

The-axe-gal: aggravating?

Dragonman: sure.

Older-twin: yeah.

Leaderman: hello everybody

Bad**Dragon**: HOLD ON! Are you from our world?

Leaderman: um, yeah?

Dragonman: um... we've had some _issues_ before so. Yeah. Who are you?

Leaderman: someone you know very well. Hiccup.

Speedster88: hm...I'm not sure I like you...

Dragonman: um, how did you figure out it was me?

The-axe-gal: oh not this again.

Dragonman: what?

Leaderman: honestly boy, can't you tell?

Dragonman: what? Tell what?

Speedster88: hiccup, let me explain it with- WHO THE HECK ARE YOU _LEADERMAN_

Leaderman: hm. Demanding. Isn't he?

The-axe-gal: yeah but he has a point. Who are you?

Leaderman: you can't tell can you?

Tailwhipper: if um, you'd be so kind as to tell us?

Leaderman: hm...you really can't tell.

Bad**Dragon**: dude. We've established that! Now spill!

Leaderman: half of you are smart, you can figure it out.

Dragonman: hm...leader...

The-axe-gal: well, Stoik has an account under a different name, and you're on here already...

Tailwhipper: what other "leader" do we know of?

Dragonman: WAIT man, it's SO obvious now. I can't believe it...DAGGAR!

Speedster88: half? Wait. WHAT?! That dweeb!

The-axe-gal: way to insult the enemy.

Speedster88: um, I think that's debatable?

The-axe-gal: yeah...no.

Speedster88: oh- what ever. He is a dweeb.

Bad**Dragon**: Daggar. Well, that explains a lot. Sort of. You know. Okay- not so much. Why are you on here?

Leaderman: who's to say I am him?

Dragonman: wait. Are you saying you're not him?

Leaderman: is there _really_ no one else? I mean- _really?_

Speedster88: yeah, I don't like you.

Dragonman: Toothless! um... anyone that's a threat? None that come to mind.

Leaderman: okay boy that hurt.

The-axe-gal: sorry man, but Berk's been at peace for weeks now.

Tailwhipper: oh! Has mildew created some kind of group now?

Speedster88: hey, you didn't capitalize his name

Tailwhipper: he doesn't deserve it.

Leaderman: you remember_ that_ _bloke_ but not me!

Older-twin: well, it's like we said- Berk's been at peace. Awe man. The snowballs and yak tramples have stopped. :(

Besttrainerever!: wait, I thought the goal _was_ to get trampled.

Oldest-twin: no, no, no, no, no. wait. yeah. AWE MAN

Besttrainerever!: ha ha! YEAH!

The-axe-gal: congratulations, you got trampled by a

yak.

Besttrainerever!: and survived!

Older-twin: um...gee that's _great_.

Leaderman: you _teenagers_ get weirder each time.

Besttrainerever!: was that sarcasm?

Leaderman: no.

Older-twin: yes.

Dragons4ever!: wait a second, who's the new guy?

Dragonman: finally. Yeah, we don't know. It's not Daggar.

Rocklover: is it mildew? (He doesn't deserve the capitalization)

Tailwhipper: that's what I'm saying.

Leaderman: what is it with you blasted kids and dragons thinking of him first?!

Besttrainerever!: GASP! Dudes! It`s ALVIN! YOU'VE BEEN IN CAHOOTS WITH HIM!

Leaderman: nice job at insulting the enemy there everyone!

Bad**Dragon**: ...debatable? Wait. Cahoots?

Speedster88: it usually isn`t debatable. Just saying...

Bad**Dragon**: cahoots... hm...

Leaderman: it's about time kids!

Bad**Dragon**: ca-hoots... weird word...

Dragonman: um, focus Hookfang.

Older-twin: what are you up to! Why are you even on here! Wait-strike that. _How _did you get on here?

Leaderman: ...same way as you?...

Older-twin: no. I mean, aren't you older than Gothi?

Oldest-twin: she has a point.

The-axe-gal: it's weird that she put it like that, but yeah.

Speedster88: weird? It's happyhouryay!

Bad**Dragon**: ... dude...

Speedster88: *Sigh...* um, I mean it's
hilarious.

Bad**Dragon**: yes. Yes it is.

Besttrainerever!: actually, I remember my dad telling me a story
when I was a kid about Alvin...before Gothi was
alive...

Dragons4ever!: I remember that story!

Leaderman: alright that's does it, none of you are getting any
information.

Dragonman: information? Thanks guys.

Besttrainerever!: hiccup, it's Alvin. What if he didn't even
have info?

Dragonman: yeah...okay.

Besttrainerever!: weeeeeeel?

Dragonman: funny, I'm not saying you're right cause we have no
idea. _Now_ anyways.

Besttrainerever!: hey that Gothi joke was funny.

Older-twin: ugh, even if it's you- at least some_one_ appreciates
my humour.

Besttrainerever!: thank you!

Older-twin: actually- scratch that.

Besttrainerever!: what

Leaderman: well, this was a waste.

The-axe-gal: yeah. No one got info on anything important. So-
goodbye.

A/N: Cool, there it is. Longer than I anticipated! :) Oh, in case you're wondering Alvin, or "Alvin the Treacherous", is the leader of the gang called "The Outcasts" from the tv series. He's basically the main "villain" of the show. "Daggar" is also from the series. He's like the co-villain. Or something. Now anyways. We'll probably see him again I'm guessing. Once again, you can suggest topics and such for the next chapter! :)

R & R please!

20. Level Four: The Tie (Part Five)

HTTYD: Chatroom: Level Four: The Tie (Part Five)

A/N: here's chapter TWENTY! Woot woot! YEAH! Twenty chapters!

Now that that's out of the way- thank you guys for leaving cool topics (and comments) for a future chapter, and you can still do that! :)

...Continued from Level Three: Trees (Part Four)...

**Level Four.**

Oldest-twin: wow. It must not like us anymore. It didn't even welcome us this time.

Dragonman: um, I don't think this thing can have emotions... I think it was man made.

Dragons4ever!: however, we don't know that much about it.

Dragonman: yeah but that could work for my point too... just saying...

Bad**Dragon**: NO "yeah but's!"

Dragonman: oh shut up.

Bad**Dragon**: yeesh, what up with you?

Dragonman: we still have seven levels to get through before things will be back to normal! (That's counting this one)

Older-twin: dude. Relax. It's not like anyone's gonna attack us.

Dragonman: well that- hold on, do you mean on here, or Berk?

Older-twin: ... both?

Dragonman: ...yeah...

The-axe-gal: ANYWAYS let's get this over with.

The gang all appeared in a small village.

Besttrainerever!: village? I thought we were gonna go to a farm. This thing makes no sense.

Rocklover: hm...you have a point. I thought a farm too... oh well.

Dragons4ever!: I wonder what happens at the end...

Dragonman: we'll know it when we get there I guess.

twoheadedreptile: dude, you need an imagination.

Dragonman: hey!

Speedster88: actually...

Dragonman: what?

Bad**Dragon**: come on, remember DUMB? When we went on that stupid night patrol...ugh...and it _was_ dumb.

Besttrainerever!: why are you complaining? YOU didn't have to wear that _sash_!

Tailwhipper: SO. This village.

Speedster88: right. What up with it?

Bad**Dragon**: dude

Speedster88: what? Last time I never got a chance to mock. So there!

Dragonman: maybe if we talked to some of these people we'd get some info.

Hiccup's character then went to talk to the local chef.

Chef: brains!

Dragonman: what? Whoa! Guys help! The villagers are after me!

The-axe-gal: well this is new...zombies.

Besttrainerever!: COOL!

Dragonman: COOL?! HELP!

Older-twin: hey guys I found a black tie!

The-axe-gal: what? A tie? Like a...neck tie?

Older-twin: yeah...it's weird... found it in this old hut.

Dragons4ever!: hm..a tie... maybe it just belonged to one of these villagers.

Older-twin: it says we could keep it.

twoheadedreptile: We're no geniuses.

The-axe-gal: there's a surprise.

twoheadedreptile: but we THINK it was just left behind.

Speedster88: left behind by who? A villager?

Dragonman: OH HEY speaking of which...HELP ME OUT HERE!

Tailwhipper: oh! Sorry we forgot!

Dragonman: you forgot about the crazed ZOMBIES chasing after me. Nice. Now I'm stuck up on this pole so if you could be so kind as to get rid of these guys here, that would help thanks.

Oldest-twin: what's the fun in that?

Dragonman: could someone explain the concept to him? Please?

Bad**Dragon**: kill the zombies dude.

Dragonman: ...yeah, that's uh, that's it.

Older-twin: yeah...we _could_ do that...

Oldest-twin: in a minute. We just found this weird potion. We're debating weather or not to drink it.

Dragonman!: what? DON'T drink it guys! Seriously!

Besttrainerever!: throwing the sword! Yeah!

Dragonman: awe man.

Besttrainerever!: oops.

The-axe-gal: wait to go Snotlout. It just dissolved the pole and landed Hiccup in the Zombies.

Dragonman: and killed me. Level one here I come...

Besttrainerever!: alright, we _could_ say that I fed him to the zombies, OR we could say that I tried to help! Gee, which to choose...

Tailwhipper: really doubt now's the time to do that.

Dragons4ever!: hm. Now how do we get the sword back...

Bad**Dragon**: yeah. No clue.

Dragonman: um, Ruff, Tuff, you guys drank the potion didn't you?

Older-twin: DUH why else would we be at the beginning?

Dragonman: oh boy...

The-axe-gal: you've got to be kidding me! We're down three people now! Oh, and the sword is amongst the zombies.

Rocklover: hm. Maybe something in this one shop can help.

Tailwhipper: okay...it looks like the place where the twins found that potion.

Bad**Dragon**: um, the one that killed them?

Speedster88: hook, there _are_ different kinds of potions. Hey look!

Bad**Dragon**: guys I found a potion that will destroy the zombies!

Speedster88: hey, you mean _I_ found it!

Bad**Dragon**: no. No I don't.

Speedster88: what? Why?

Bad**Dragon**: cause _last time_ I didn't get a chance of finding anything! So there!

Speedster88: ...really...

Bad**Dragon**: YUP! :D

the-axe-gal: OKAY. So, this potion. What is it?

Dragonman: okay we're back. Remember guys, DON'T try to talk to the people.

Oldest-twin: ha, dude we know. They're zombies.

Dragonman: so, what's this about a potion to stop them?

Besttrainerever!: guys we have a problem!

twoheadedreptile: yeah, he tried to get the sword back and failed. The zombies are after him.

Dragonman: oh man. What did I _just_ say?

Besttrainerever!: so, what's this about a potion to stop them?

Dragonman: right- okay, I guess, _before_ that.

Besttrainerever!: ugh, yo cousin, I helped you! Now it's time to return the favour!

Dragons4ever!: uuum... you made a post disappear and killed him...

Besttrainerever!: same difference, now help me!

The-axe-gal: _Fine_ if we absolutely have to.

Besttrainerever!: thank you Astrid!

Speedster88: whoa, when did you get an Afro Astrid?

Tailwhipper: what?

Speedster88: oi. Afro! When did you get an AFRO!

Older-twin: love it. Haha

twoheadedreptile: lol

Speedster88: oh come ON!

The-axe-gal: found it in the blacksmith shop...duh...

Speedster88: right...duh...

Dragons4ever!: wow. Way to go all ninja warrior on those zombies!

Besttrainerever!: my sword! Ha-ha! It's back!

**You have now finished level four.**

twoheadedreptile: ...yeah, it hates us. It didn't even congratulate us this time either...

Dragonman: it can't- oh never mind.

Older-twin: yeah good call. Right after you said that the last time, the zombie thing happened.

Dragonman: what?

Rocklover: um, karma... and I have to agree.

Dragonman: ...man...

Oldest-twin: what's an Afro anyway?

Speedster88: I don't like autocorrect.

The-axe-gal: oh just have fiddlesticks with it.

Speedster88: although it _is_ FUN when it happens to someone else...

The-axe-gal: shut it.

Besttrainerever!: huh. I guess we didn't need that potion with Astrid and her axe around. OH! I get your username now!

Dragonman: um, what's he talking about?

The-axe-gal: uh my username?

Dragonman: yeah. But what about it?

Speedster88: _Really _Hiccup? Really?

Dragonman: OH!

The-axe-gal: took ya long enough.

A/N: lol. Remember, you can still leave suggested topics for future chapters! :D

R & R please!

Older-twin: whoa, more books appeared.

Dragonman: you mean from that same series?

Older-twin: looks like it. Man, that last one had too much ugh, _romance_ issues in it. But the ending was sweet!

Besttrainerever!: um...sweet as in mushy? Or sweet as in awesome?

Dragonman: definitely the second one.

Besttrainerever!: wait, you read them?

Bad**Dragon**: figures.

Dragonman: yeah, and HEY!

Dragons4ever!: to me it seems like each year gets worse and worse for those characters... especially that last one...

Besttrainerever!: _you_ read them too?!

Dragons4ever!: ...Iwasintriguedbytheawesomenessoftheworldofmagic... I can't help it! I like reading!

The-axe-gal: *spoilers* (not that it's needed cause no one else will read them since they appear out of nowhere...) Boy, the way that evil dude came back at the end was _creepy_.

Besttrainerever!: you read them too. When did the world go nuts?

twoheadedreptile: about three days ago.

Dragons4ever!: hm...I wonder what their fifth and sixth year will be like! Definitely more challenging...

The-axe-gal: _I _want to know who the next Dark Arts professors will be. There seems to be a knew one each year!

Dragonman: I guess it's called "Dark Arts" for a reason. Lol.

Speedster88: hm... humans are interesting.

The-axe-gal: that's a compliment...right?

Speedster88: ... I'm not sure. I'll get back to you.

The-axe-gal: just so ya know...it'd _better be_.

Older-twin: whoa- it's not even boring anymore at the beginning! It kicks off with a creepy attack! You know after a few pages of boredomness...

Tailwhipper: bored- oh never mind. It's pointless isn't it?

Dragonman: yeah kinda.

Dragons4ever!: awe, don't spoil anything!

Oldest-twin: WAIT A SECOND. I have a question. Ruff, when the heck did you learn how_ to_- _read_?!

Older-twin: who said I was never uninterested?

Oldest-twin: ... who are you and what have you done to my sister! Imposter!

Dragonman: wow. Now she knows the double negative effect.

Besttrainerever!: the _what?_

_**IamAWESOME**__ has logged on_

Dragonman: **** hold that thought.

Bad**Dragon**: dude, was that autocorrect or really you?

Dragonman: um, me that time.

Speedster88: let me just say this before I never speak in this future conversation: Ruff is NOT the imposter Tuff.

Oldest-twin: oh right. Oh man, it's this creep!

The-axe-gal: before we log off like usual, I WANT TO KNOW WHO THE HECK THIS IS!

Tailwhipper: um, yeah. Me too.

Bad**Dragon**: well, I guess I know what we're gonna do today.

IamAWESOME: as do I! Hahahahahah! Bow down to your new ruler!

twoheadedreptile: ruler?

The-axe-gal: girl please.

IamAWESOME: I guess you'll never know who I am then!

Speedster88: I don't like you.

IamAWESOME: you've said that. Or something like it. You silly little reptile you!

Speedster88: HEY I ain't no silly little reptile!

Bad**Dragon**: um, dude I wouldn't say anything. Besides, I thought you were gonna stay out.

Speedster88: eh, I changed my mind? Also, you know that what I said is true.

Bad**Dragon**: the silly part maybe.

Speedster88: when I think of a good comeback you'll regret saying that!

Bad**Dragon**: um, yeah.

Tailwhipper: back to the task at hand, can we try to guess who you are?

IamAWESOME: sure but's it's pointless heeheehee! :D:D:D:D:D:D:D:D:D

Oldest-twin: whooooaa...those look like smiley faces, _and_ frowney faces at the same time! O.o...

Tailwhipper: "Frowney?"

Rocklover: let it go girl. Just let it go.

Tailwhipper: :p

Besttrainerever!: who didn't we guess last time?

Rocklover: you're not a dragon at all are you?

IamAWESOME: nope. Nor am I half a dragon.

Oldest-twin: half?

Older-twin: never mind him, I don't think we want to know.

Oldest-twin: bleh, now those books are making you _think_.

Older-twin: just saying.

twoheadedreptile: first she's reading, then she's _thinking_, after that she's using "double negatives" (whatever _those_ are,) and NOW she's THINKING. Again.

Speedster88: back to, IamAWESOME, could we get more hints?

IamAWESOME: no.

Bad**Dragon**: what? Why?

IamAWESOME: that fact that I'm a girl was the only one you'll ever get. Buahahahahahahahahaha!

Dragonman: are you sure you're not Dagur? You sound just like him.

IamAWESOME: dude. What did I _just_ say? Plus he's not that smart to come up with a plan like that.

Dragonman: hm, yeah I guess you're right.

The-axe-gal: WAIT how do you know about him?

IamAWESOME: I know about you all! That's why I'm your ruler!

Tailwhipper: weirdo. Oh, and not happening.

Speedster88: wow.

Tailwhipper: hey, it's true.

Rocklover: so. She's not a dragon, or uh, half a dragon, she's not Dagur, are you anyone of the village?

Iamawesome: nope.

Dragonman: huh. This _is_ pointless.

The-axe-gal: HEATHER! You're HEATHER!

IamAWESOME: girl please. Just no.

The-axe-gal: Oh ho no. You are NOT allowed to steal my words!

Dragonman: don't worry. It's not just you. No one is. :(

IamAWESOME: I DO AS I PLEASE! BLARGE!

Speedster88: um, yeah. You made me rechange my mind back to staying out of this.

Tailwhipper: honestly. _"Rechange."_

Rocklover: don't have me tell you again.

Tailwhipper: fine.

Older-twin: oh! Just thought of something.

Oldest-twin: bleh.

Older-twin: shut it. Anyways, are you that one kid who always says awesome!

Dragons4ever!: wow, we totally forgot about him.

IamAWESOME: YEEEEEEEEEEEEEEEEEEEAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHHHHHHHHHHHHHH no. Ha- ha- ha.

Older-twin: you stink. I'm going back to the books.

IamAWESOME: lol. Whateves girl! And I'm not Camicazi either. Wish I were though. She's cool!

The-axe-gal: who the heck is that

IamAWESOME: ooh...wrong world...riiiiiiiiiiiggggggggggggght... ha

ha ha...

Dragonman: um- world?

IamAWESOME: GASP! I've said too much!

Besttrainerever!: hey, you aren't allowed to steal my words too!

IamAWESOME: you've spoken too much before too? O.O WHAAAAAT

Besttrainerever!: no. Wait. Maybe? I don't know! I was talking about the gasp! I STARTED THAT. Stop confusing me!

IamAWESOME: um, actually...

Dragons4ever!: hm, she does have a point. Since when do _you_ start things?

The-axe-gal: besides arguments.

Besttrainerever!: hey.

The-axe-gal: :P

Bad**Dragon**: WAIT I got one. Are you any of those people that accidentally logged into our chatroom from before?

IamAWESOME: psh, no. I was THERE remember dude?

Bad**Dragon**: aw crap.

Rocklover: good try though. :)

Bad**Dragon**: are you being sarcastic?

Rocklover: not sure. I'll get back to you.

Speedster88: would ya'll just quit stealing each other's words! (that's all I have to say.)

Rocklover: diva. :)

Dragonman: man! Who else could IamAWESOME belittle!

twoheadedreptile: um, belittle?

IamAWESOME: Hiccup, I can belittle anyone on Berk.

Dragonman: Be. I meant Be. Autocorrect. :P

The-axe-gal: whoa girl, if you think you can belittle ME, you've got another thing coming!

IamAWESOME: do I now?

The-axe-gal: oh yeah! For I can belittle anyone!

Dragonman: really?

Besttrainerever!: yeah I thought you just sucked at comforting people.

The-axe-gal: do us a favour and shut up.

Besttrainerever!: I'll shut up when I want to.

IamAWESOME: I like your style.

Besttrainerever!: I still think you're creepy.

IamAWESOME: WOW. Ugh. :P:P:P:P:P:P:P

Rocklover: OKAY, moving on. Again. Are you ANYONE on Berk?

Dragons4ever!: ooh, good question!

IamAWESOME: nope. Otherwise I'd be there. Lol.

Dragons4ever!: hmph. Annoying answer.

Dragonman: are you anyone in Alvin's crew?

IamAWESOME: nice try but no.

Dragonman: you were being sarcastic- Weren't you?

IamAWESOME: ...

Older-twin: are you a dark wizard?

IamAWESOME: no I'm not cool enough to be Voldemort. :'(

Dragons4ever!: any magical creature?

IamAWESOME: no.

The-axe-gal: are you _part_ magical creature?

IamAWSOME: no.

Dragonman: um, are you a legend?

IamAWESOME: not one that everyone knows lol.

Older-twin: Are you a squib?

IamAWESOME: I am no one of those books you guys are reading.

Bad**Dragon**: WEEEEELL, I give up.

The-axe-gal: what? There has to be more options!

IamAWESOME: I'm your rider too dude.

twoheadedreptile: crap.

Older-twin: now you're just being a nuisance. I'm gone.

Oldest-twin: a _what_ now?!

Tailwhipper: I'll give you some great advice: Let it go man. Just let it go.

Rocklover: that's _my_ advice.

22. Level Five: Stalked (Part Six)

HTTYD: Chatroom: Level Five: Stalked (Part Six)

A/N: hey-hey! It's a new chapter! :) So I guess the uploading days for this one is either Friday _or_ Thursday. Lol. Well, that's it for me! Have fun! :)

...Continued from Level Four: The Tie (Part Five)...

**You are half way through.**

Speedster88: um, I think we know when we're half way through.

The-axe-gal: half of us anyway.

Oldest-twin: wait, which half? The strong half or the not strong half?

Besttrainerever!: or is it the brave half or the wimpy half?

Dragons4ever!: we have halves for those?

Bad**Dragon**: I don't think this thing likes us winning. Or maybe it's because half of us always end up going back to level one. Lol

Dragonman: I don't think it's always half, but you could have a

point.

twoheadedreptile: what's that I'm hearing now? Your logical half of you is agreeing now?

Dragonman: I didn't exactly say that. But...considering what's happened so far...I only half agree.

Tailwhipper: half agree? What are your reasons for that?

Dragonman: I'm on the fence.

Tailwhipper: ah.

Besttrainerever!: so, which half agrees?

Bad**Dragon**: alright, let's quit it with the halfs.

Rocklover: *Halves Hookfang.

Speedster88: ENOUGH WITH THE HAGGIS! Can we please get on with level five now?

Older-twin: ew, haggis is gross!

Oldest-twin: I know right?

Speedster88: awe man.

Bad**Dragon**: um, what is this, some kind of ship?

Dragons4ever!: not just any ship.

Dragonman: it's a pirate ship!

Dragons4ever!: hiccup! I was gonna say that!

The-axe-gal: well, your dramatic pauses are getting too long.

Dragons4ever!: I thought they were effective. :(

Dragonman: uh, don't listen to her Fishlegs. That's just her opinion.

Besttrainerever!: and mine.

Dragonman: and uh, Snotlout's.

Older-twin: and ours.

Dragonman: oh, and the twin's.

Speedster88: um, actually...

Dragonman: you guys are not helping!

Bad**Dragon**: ah, but when are we ever really helpful in this type of situation?

Dragonman: ...so...a pirate ship.

Rocklover: I didn't really find anything on this part of the ship, but I did find a stairwell that goes down below it. Anyone wanna come?

Dragons4ever!: sure!

Tailwhipper: wait for me guys!

Speedster88: what the heck, it's like you said, there's nothing here.

Oldest-twin: does anyone else feel like their character is being stalked?

The-axe-gal: um, not really.

Speedster88: what do you mean?

Oldest-twin: I just have this, eery feeling. Like someone or, some_thing_ is lurking in the background following us to each level.

Tailwhipper: are...you okay?

Oldest-twin: I'm fine. My character might not be though.

Bad**Dragon**: um...we'll get back to you...

Besttrainerever!: arg matey`s! Me and me landlubber`s are a gonna go down below the poop deck!

twoheadedreptile: buahahahaha!

Speedster88: ha ha, dude just, just no.

Besttrainerever!: what? That's what this part is called.

Dragonman: um, I don`t think pirate speak is right for you. Lol

Besttrainerever!: ah what ever. Let's blow this.

Older-twin: yeah let's!

Dragonman: that's not what he meant Ruff.

twoheadedreptile: alright. Guess what I figured out how to do? Breath fire!

Speedster88: what? How?

twoheadedreptile: you just press the Ctrl button and the F button

at the same time.

Speedster88: gotcha.

Bad**Dragon**: sweet it works!

Dragonman: wait, you guys let fire loose on a WOODEN ship?

Speedster88: oh...yeah...

Bad**Dragon**: yeah um, we're uh, we're moving guys. I accidentally burnt the rope keeping us tied to a dock.

The-axe-gal: you did WHAT now!

Besttrainerever!: they cast us out to sea lassie! Out to the sea where she'll wash us down to be shark bate!

The-axe-gal: seriously. Enough with the pirate speak.

Besttrainerever!: awe man.

Dragonman: where did you learn that anyway?

Besttrainerever!: I have me ways lad!

Older-twin: hey when you blaggards are done talking, we've found a chest.

Bad**Dragon**: ooh, a chest!

Dragonman: blaggards?

Besttrainerever!: blaggards! Hey! That's an insult! :P

Speedster88: a chest! That means booty!

The-axe-gal: excuse me?

Speedster88: gold? Treasure?

The-axe-gal: I knew that.

Speedster88: cause that's why you questioned it in the first place...

The-axe-gal: so what's in it? What kind of treasure awaits us?

Dragons4ever!: hm, there's a weird skull symbol on it. Wonder what it means.

Besttrainerever!: let's just open it why don't we?

Oldest-twin: right, I'm on it!

Besttrainerever!: wait! Who said _you_ could!

Oldest-twin: it`s open.

Besttrainerever!: am I gonna get to do anything on this level?

Dragons4ever!: ah demons!

Tailwhipper: so I guess we know what the skull stood for.

Dragonman: let`s get back to the deck!

Bad**Dragon**: okay, we`re here! Now what?

Dragonman: well, normally I would say head back to land. But SOMEBODY burnt the rope.

Speedster88: uh oh, don`t look now, but there are piranhas below us!

Rocklover: what?

Dragons4ever!: I thought this was the ocean! Aren`t piranhas freshwater fish!

Tailwhipper: it's like we've said before. This thing does not make any sense.

Dragons4ever!: yeah but still. Logically speaking they'd live in fresh water.

The-axe-gal: bonehead, this game has _zombies_ in it. It is NOT logical.

Dragons4ever!: say what you want, I'll be the only one prepared for the apocalypse!

Tailwhipper: you believe in that?

Dragons4ever!: ...maybe... okay I half believe in it.

Speedster88: oh please don't start that again.

Dragons4ever!: just saying.

Besttrainerever!: and I'm just saying HELP! This demon is making me walk the plank! I'm not ready to go down with the fishes!

Tailwhipper: fish.

Besttrainerever!: oh get over it!

Speedster88: I`ll get the demon!

twoheadedreptile: dude you totally missed the demon.

Dragonman: you hit the plank...

Speedster88: I know.

Besttrainerever!: dude! Ugh! This is payback for the zombies, isn`t it?

Speedster88: no comment.

Dragonman: hm, Snotlout feeds me to zombies, then as payback Toothless feeds him to fish. My family is complicated.

Older-twin: speak for yourself. I gotta live with Tuffnut.

Oldest-twin: yeah well- I gotta live with you!

Dragonman: you both have very good points.

Older-twin: hey!

Oldest-twin: ha-ha.

Rocklover: you guys, back to the task at hand here! The demons?

Speedster88: I counted thirteen up here.

twoheadedreptile: why would we need to know that?

Speedster88: I don't know how we're suppose to defeat them.

twoheadedreptile: good point.

The-axe-gal: wait, the chest! Maybe we have to send them back!

Dragonman: yeah! But, how? Do we just bring it up, or what?

Bad**Dragon**: I'll get it!

Besttrainerever!: dudes I'm back!

Speedster88: okay now you're just bragging.

Besttrainerever!: ...no comment.

Speedster88: :P

Besttrainerever!: ah! They're after me again!

Dragonman: but why you?

The-axe-gal: yeah, surely someone else is a much better target.

Besttrainerever!: thanks guys.

Dragonman: Astrid, that`s not exactly what I meant.

The-axe-gal: it`s not what _you_ meant. It`s what _I_ meant.

Dragons4ever!: wait a second, Snotlout your sword! Take it out!

Besttrainerever!: they`re ghosts Fishlegs! A sword is NOT gonna work!

Dragons4ever!: this game isn`t logical. I also think that your sword has some kind of spiritual powers. It could work! Do it!

Dragonman: awesome. Why not?

Besttrainerever!: alright. Fine. If I lose my sword- I'm blaming you Fruitcake.

Dragons4ever!: um...huh?

Besttrainerever!: french. Fruit fly. Fi club. What's that one? What ever. Flimsy. Oh fudge!

Speedster88: Snot, we get it. You're trying to say Fishlegs.

Besttrainerever!: actually that last one...

Speedster88: ...oh...

Dragons4ever!: anyways, I'm fine with being blamed for it.

Bestttainerever!: okay... here it goes.

Bad**Dragon**: got the chest! Aim them over to where it is!

Tailwhipper: we plan on sending them back there.

Besttrainerever!: gotcha. Okay, one, two, three!

Rocklover: ooh, the sword's glowing yellow!

Dragonman: it's working! The light is pushing them away!

The-axe-gal: and into the chest!

Dragonman: Tuff, you know what to do.

Oldest-twin: blow it up? Cool.

Dragons4ever!: No, _lock_ it up. LOCK!

Oldest-twin: right. Got it.

Tailwhipper: yes it worked!

Rocklover: they're gone! Good job guys!

The-axe-gal: yeah we rock! :)

Besttrainerever!: check it! A crown appeared from the chest! :) I'm rich!

Dragonman: _we're_ rich.

Besttrainerever!: I collected it. _I'm_ rich.

Dragonman: Snotlout, you- oh forget it. Let's go.

Older-twin: level six here we come! Hey...one more book appeared...

**Level Five was completed.**

A/N: lol. This was fun to write. Oh, and the idea that Toothless get's revenge is from Bright Eyes Illusionist! They left the creative part to me. :)

Well, R & R and suggest topics (optional) please! :D

Leaderman: alright you guys. What's up with you're obvious usernames? And Mildew, why did you make yours so obvious as

well?

Staffman: what do you mean obvious? I'd say that if those _trainers_ were to figure me out, they'd think I would have called myself something related to dragons.

Outcastlander: like Dragonhater. Or something.

Leaderman: so what's your excuse?

Outcastlander: um...

Leaderman: riiiight... oi. You people give me such headaches!

Outcaster: so...you were saying something about Berk before we decided to go private?

Leaderman: ah yes. Our plan to attack Berk. We need to take those kids as captives.

Staffman: that won't work. Their dragons are smart enough to come after them.

Outcastsrock!: Or we could just take their dragons.

Outcast Affiliate: um...how?

Outcastman: simple. We use _our_ training skills.

Outcastsrock!: aren't they already trained to attack us?

Staffman: _technically,_ they're defending Berk. _That's_ what they're trained to do. Besides, they have more than one enemy.

Staffman: ah yeah. What's his name and his people...

Outcastlander: wasn't his name some kind of weapon? Like...Sword the Shirtless or something?

Staffman: the what?

Outcastman: no, no, no. it was Axe.

Outcast Affiliate: just...Axe?

Outcastman: yeah...I think so...

Leaderman: idiots.

_**Deranged Defiant One**__ has logged on_

Deranged Defiant One: idiots. It's Dagur the Deranged! Can't any of you get something right!

Outcastlander: oh yeah. That's it!

Staffman: ANYWAY. This plan won't work Alvin. Their dragons are smart. We need to come at a different angle.

Deranged Defiant One: for once...I agree. Just this once.

Leaderman: alright then. What do _you_ suggest?

Deranged Defiant One: we take them both. Take out the dragons first so they're not a threat. Then, go after those trainers. But-leave Hiccup to me. I need my revenge!

Leaderman: yeah yeah. What ever. You'll get it. I just need mine on the whole island, so let's just get on with this already!

Outcast Affiliate: ooh! I have an idea! We can sneak up on Berk by using this new _hidden_ passage way that I've found while we were last there!

Staffman: hidden passage way? What hidden passage way?

Outcaster: I was there too, and it's just on the Eastern side of the island. There's a deserted beach area that they don't use, and there are cave tunnels through out the mountain!

Outcast Affiliate: We can invade it from the inside!

Outcastman: by the way...Affiliate?

Outcast Affiliate: what? It works. I think...

Outcastman: uh...no comment.

Outcast Affiliate: fine, what ever. So, Alvin, Dagur, what do you think?

Deranged Defiant One: yeah, I've seen those caves. They were made by that Screaming Death when it was last there. Duh.

Leaderman: wait a minute, how do you know about that?

Deranged Defiant One: small islands sunk around my village. Duh.

Leaderman: you sure like that word. Don't you? Well, are you two sure they haven't discovered those caves yet?

Outcast Affiliate: um...we left months ago...

Outcaster: uh, and haven't returned.

Leaderman: your point?

Outcaster: uh, well, um...

Outcast Affiliate: they could have found them by

now?

Leaderman: so, what you're saying is that my plan
won't...work?

Outcaster: OH NO! That's not it.

Outcast Affiliate: oh, uh, no. No it's not. We uh just meant that
uh...

Outcaster: what if the dragon is still there or comes back when
we're there?

Leaderman: so you're saying we're weak.

Outcaster: uh, no! No, no! Um... Mildew. You say
something.

Staffman: no comment.

Outcaster: that's saying something?

Staffman: yup.

Outcast Affiliate: some help you are.

Outcastsrock!: wouldn't he only be helping
Alvin?

Outcastman: hm, good point.

Outcast Affiliate: hadn't thought of that...

Deranged Defiant One: if you women are done yacking away- we've
got a village to take care of.

Leaderman: exactly. We only send one boat out, carrying as many
men as it can. Then once that one's at the shore, one person will
sail it back to us and we'll take more there. That way those pesky
teenagers won't notice us right away.

Outcastlander: well, hopefully.

Leaderman: I thought we talked about this.

Outcastlander: oh, um...

Outcastsrock!: hey, I just thought of something. What if they
have tons of dragons guarding the caves?

Leaderman: have you people got any confidence!

Deranged Defiant One: that's why you're teaming up with me and my
army. My _large_ army.

Leaderman: oh shut it boy. We'll leave in three days. Get
everything ready for then. Got it?

Outcastsrock!: um, got it. Got it guys?

Staffman: ALRIGHT, let's just go. They'll never suspect it!

Oldest-twin: and that's where you're wrong.

Staffman: what? You! You were that "new teen" that said he was part of Dagur's team!

Oldest-twin: hey Mildew. Was I? I don't remember that. :/

Leaderman: you got Mildew from Staffman?

Oldest-twin: he's the only one I know that has a staff. Well, except my great uncle. But, he's dead, so this wouldn't work. Plus, it'd be really creepy.

Staffman: moving on...it's you! It is!

Older-twin: I think you have the wrong person.

Leaderman: hold on, what ARE you doing on here!

Older-twin: well, to be blunt- we forgot to log out. DUH.

Deranged Defiant One: are you mocking me? I think you're mocking me.

Older-twin: you're so discerning.

Deranged Defiant One: you WERE mocking me! I knew it!

Oldest-twin: ugh. Sis, those books are making you do and say weird things. Where did you learn that word?

Older-twin: ...you know I don't know. O.o...

Staffman: but it _was_ you! I know it! I've lived in Berk long enough to know who the trouble-makers are!

Older-twin: that may be us, but we were never where you were dude.

Oldest-twin: yeah we were just flying around Berk. Never came across your guys's place.

Deranged Defiant One: while I dislike these people... they appear to be telling the truth. These oaf's do not have the brains to write a poem dedicated to me that I actually like!

Staffman: but...but...it's him!

Oldest-twin: dude, give it a rest. No one's buying it.

Older-twin: yeah so shut up or I'll throw you in Devil's Snare when I find some! Of course I'd have to throw you in it in the dark...

Staffman: but...wait. What?

Oldest-twin: ugh. Probably something related to those books! Oi...those books...

Outcaster: what you've read them?

Oldest-twin: ha ha! Good one! Ha ha!

Older-twin: I did. The only books I ever liked.

Deranged Defiant One: and may I ask why you are talking about _books_?

Oldest-twin: ha, that's what I'd like to know!

Older-twin: what ever.

Leaderman: ugh. You won't stop us fools!

Oldest-twin: sure.

Older-twin: yeah, don't think that we don't know you have another plan now.

Oldest-twin: unless, that's what they _want_ us to think!

Older-twin: right. Well, see ya wouldn't wanna be ya!

Outcastsrock!: uh, what did she mean by that?

Oldest-twin: we're gonna levitate stupid!

Outcastman: what? How?

Oldest-twin: Meant leave. Stupid autocorrect.

Older-twin: ha ha. See ya losers!

24. Level Six: Shadows (Part Seven)

HTTYD: Chatroom: Level Six: Shadows (Part Seven)

A/N: ugh. Computers. Anyway, here's chapter twenty four people! :) Enjoy!

...Continued from Level Five: Stalked (Part Six)...

**Level Six.**

Speedster88: I wonder what weirdness this level will bring us.

Besttrainerever!: maybe we have to fight Ninjas in a battlefield and the loser goes all the way back to level one.

The-axe-gal: hey look, a battlefield.

Besttrainerever!: what- I was being sarcastic!

Bad**Dragon**: wait, it's only a battlefield. Doesn't mean it's ninjas.

Tailwhipper: hey look, ninjas.

Besttrainerever!: oh come on!

Speedster88: nice going.

Besttrainerever!: hey, it's not like it can hear me. Um, can it?

Dragonman: no. I don't think so.

twoheadedreptile: what the heck dude.

Dragonman: hey I didn't fully agree, I only _half_ agreed. Remember the whole half thing?

Speedster88: oh please don't start that again.

Dragonman: I wasn't gonna start it. Just saying.

Rocklover: what? Where did all these people come from?

Older-twin: um, are they cheering for us, or for the ninjas?

Dragonman: it's actually hard to tell.

Oldest-twin: I hope it's for us.

Tailwhipper: wow. There are people of every age here. Even babies.

Rocklover: awe!

Bad**Dragon**: girls.

Rocklover: :P

Dragons4ever!: hey look, there's a man walking out. I'll go talk to him.

Oldest-twin: wait! Remember what happened last time we tried to talk to people?

Dragonman: yeah, but for _sure_ these guys aren't zombies.

Dragons4ever!: exactly.

Dragonman: I think.

Dragons4ever!: nice Hiccup.

Dragonman: what?

twoheadedreptile: ugh, just get going already!

Dragons4ever!: alright, keep your heads on.

twoheadedreptile: um, why would we not... keep our heads on...

Dragonman: it- oh never mind. Uh, forget it.

twoheadedreptile: done.

Bad**Dragon**: hey look! Something's rising in the middle of the arena!

Speedster88: two something's. Stands.

Bad**Dragon**: yeah, and look what's on them!

Rocklover: fruit? Eh, not my forte. ;)

Tailwhipper: is that what we have to win?

Rocklover: I don't know. But I hope not.

Besttrainerever!: well what ever we have to win, I'm sure I'll get it.

Dragons4ever!: okay, I'm back.

The-axe-gal: we see that.

Dragons4ever!: you want the information or not?

The-axe-gal: okay, sheesh.

Dragons4ever!: _Writing..._

Dragons4ever!: okay. Here's the deal. Each one of us gets to challenge a ninja. The fruit on the left stand is what we have to slash. The ninja gets the one on the right. We'll be given a sword specifically built for this. We have to slash the fruit in the same direction as the red arrow that will appear on the left hand side of the screen. To do this, we have to press the space bar and the arrow button at the same time. To slash a slanted cut, press a vertical arrow button, and a horizontal button at the same time as the space bar.

The-axe-gal: okay, seems easy enough.

Dragons4ever!: you also have to slash it within a time limit.

The-axe-gal: oh...

Dragonman: so, who's first?

Besttrainerever!: me!

Dragons4ever!: actually I was thinking I should...

Besttrainerever!: me!

Dragonman: really Snotlout?

Tailwhipper: you can't always be first Snotlout.

Speedster88: yeah maybe I should go first.

Besttrainerever!: ME!

The-axe-gal: oh sweet baby Thor in a thunderstorm GO!

Besttrainerever!: I will. And YOU will be amazed at my awesome ninja skills.

Speedster88: huh. This sounds familiar. Ha ha, sorry just remembering how it went. :)

The-axe-gal: haha.

Besttrainerever!: what ever. Just watch and be amazed my friends.

Rocklover: um, yeah. Will do.

The-axe-gal: or will we?

Speedster88: haha

Besttrainerever!: ugh. Nice support.

Bad**Dragon**: you can do it buddy!

Rocklover: ooh, um, or not.

Oldest-twin: hey how many chances do we get? Cause Snotlout just blew the first one.

Dragonman: I guess we'll just find out.

Besttrainerever!: thanks guys. Seriously.

Bad**Dragon**: ah what ever. You'll get the next one.

Speedster88: or not.

Oldest-twin: okay, that's two chances.

The-axe-gal: skills. Right.

Tailwhipper: wow. You're doing so badly that a child from the stands got up and left.

Besttrainerever!: I thought you were the nice one.

Tailwhipper: ooh, sorry.

Dragonman: huh? Where'd they go off to?

Speedster88: I noticed a tall man in the shadows. I think they were with him.

The-axe-gal: in the...shadows? Weird. Anyway, that's three chances Snotlout.

Besttrainerever!: I know. Don't bother me you're suppose to be watching.

The-axe-gal: oh, oh we are.

Speedster88: oh yeah, yeah. We're watching.

Besttrainerever!: ugh.

Oldest-twin: oh, that's four now. Nice Snotlout.

Besttrainerever!:NOOO

Besttrainerever!: yup.

Speedster88: NO.

Dragonman: awe man. Level one?

Besttrainerever!: yes. Yes level one.

Speedster88: NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO! NO MORE JACK AND JILL!

The-axe-gal: well, they _did_ "roll" down the hill.

Dragons4ever!: must have been a pretty steep hill.

The-axe-gal: yeah no kidding. :P :)

Dragons4ever!: haha.

Speedster88: ugh. Meant Jackson.

_**IamAWESOME**__ has logged on_

IamAWESOME: well, he did pass away...*sigh* he was such a good singer...oh, I just lost the game. :P

_**IamAWESOME**__ has logged off_

Oldest-twin: awe man. I was doing so good til now! WHY WOULD SHE DO SUCH A THING!

Older-twin: ugh. I know right?

Speedster88: um...What? O.o...

Rocklover: uh...

The-axe-gal: moving on...

Dragonman: right. Who's next?

Bad**Dragon**: I will be! When I'm showing off my awesome ninja skills I am gonna set the stage on FIRE! Yeah!

twoheadedreptile: set it on fire? Yeah!

Bad**Dragon**: wait! I didn't mean that literally! Ah!

Tailwhipper: ah! The arena's on fire!

Rocklover: ooh. So are uh, the people.

Dragonman: huh. I didn't know you could do that.

Oldest-twin: what, set things on fire? We knew that ages ago.

Dragonman: no, set _characters_ on fire. That would have helped in an earlier level!

Speedster88: you still upset about that?

Dragonman: no. just annoyed that there was a simple solution.

Besttrainerever!: okay I'm back what did I miss- um. Hey look, it's all on- uh, wait why is everything on fire?

Bad**Dragon**: that's thanks to Barf and Belch. I DIDN'T mean it literally guys!

twoheadedreptile: we know that NOW.

Dragons4ever!: hey look the ninjas are attacking us!

Rocklover: anyone notice how we keep saying "hey look?"

Speedster88: not the time Meatlug.

Rocklover: sheesh, just saying.

Dragonman: um, anyone know how to fight ninjas?

The-axe-gal: Hiccup, we're Vikings. We fight Viking style. With dragons.

Dragonman: yeah, yeah. I know.

Speedster88: ah! Help! I'm getting attacked!

Older-twin: dude, we all are. Man I wish I could Confringo these ninjas!

Dragons4ever!: uh, I think there's enough fire around here. But yeah. I agree.

Besttrainerever!: is this another reference to those books? And, are you gonna do that often?

Older-twin: yes, and maybe. Why?

Besttrainerever!: just wanted to know when _not_ to be around you guys.

Older-twin: what ever.

Speedster88: now could someone help me out please? This guy's on me and swishing his sword!

Tailwhipper: I got him! Take that ninja!

The-axe-gal: cool, he's on fire.

Speedster88: no, no. That would be me.

Tailwhipper: oh, um, sorry.

Speedster88: eh, it's okay.

Dragonman: level one it is.

Speedster88: you too?

Dragonman: yeah. One guy uh, sliced me in half believe it or not.

The-axe-gal: wow. Didn't know that could happen.

Dragonman: yeah me neither.

Speedster88: at least I'm not the only one.

Bad**Dragon**: gee that's nice. But quit talkin' and start jumpin' dragon.

Speedster88: ugh. Jumping.

Rocklover: I'd say good luck, but I don't want to jinx you.

Speedster88: gee thanks.

Older-twin: hey look! There's a way out of here! Follow me!

Dragons4ever!: huh. We are saying that a lot.

Besttrainerever!: never mind, just go!

_**You have completed Level Six**__._

Rocklover: yeah we rock!

Speedster88: gee, good for you guys.

Besttrainerever!: keep jumping dragon.

Dragonman: yeah I'm already on level two. Oh, wait, three.

Speedster88: ugh.

A/N: ha ha ha. So, how many of you noticed the reference to the tv show? How many got the Wii game reference?

So, without further adieu, R & R and suggest topics (optional) please! :)

Happy holidays people! :D

Besttrainerever!: Hello dear friends!

Bad**Dragon**: uh... What's up dude?

Besttrainerever!: That would be: what _is_ up _Snotlout_, and I am perfectly fine on this fine day!

The-axe-gal: please don't say fine again. Besides, "what's" is technically correct.

Besttrainerever!: Yes, however it is not the _proper_ way of speaking, and might I add, your attitude must be adjusted.

Dragonman: who are you and what have you done with my cousin?

Besttrainerever!: what ever do you mean? I have always been your cousin.

Speedster88: seriously. Even this is freaking _me_ out, and I don't get freaked out that much.

twoheadedreptile: how about the time when you stepped on an eel?

Bad**Dragon**: or that time you freaked out because you thought that Meatlug had been turned to stone, when it was just a painted stone that was done in respect for the Gronkle?

Speedster88: that was suppose to be between us dude!

Bad**Dragon**: hey, I forget things.

Rocklover: awe! That's sweet that you'd worry! :)

Oldest-twin: ah haha! That's just the funniest thing I've ever heard!

Speedster88: you see what you've done Hookfang?

Bad**Dragon**: ha ha.

Dragonman: oh don't worry, it's not like it's easy to tell during the night if it's real or not. That guy did a really great paint job.

The-axe-gal: yeah, I'm sure that once in a while there's usually someone who does that.

Bad**Dragon**: except it was during the day.

Dragonman: what? When?

The-axe-gal: Which day?

Older-twin: I thought you had great eye sight Toothless.

Speedster88: allskdjfl asjldjfwioefohgakd aloiej

Older-twin: huh?

Dragonman: um, I think he was just banging his head against the buttons.

Tailwhipper: come on Toothless, I've heard worse! :)

Speedster88: ...could we talk about something else now?

Besttrainerever!: How about we talk about those books that some of you have read? I am enjoying them quite well.

Dragonman: you're _reading_ now? Okay, seriously who are you?!

Oldest-twin: oh no, let's not go through that again!

Tailwhipper: oh no Meatlug, I knew that it was a bad idea!

Rocklover: hey, it was your idea!

Tailwhipper: no it wasn't, I just went along with it because I

agreed!

Rocklover: wait. If it wasn't my idea, or your idea...

Tailwhipper: oh yeah. Who's idea was it?

Older-twin: what the heck are you talking about?

Tailwhipper: um...should we?

Rocklover: I'm not sure...they might take it badly. Besides, it's a secret.

Tailwhipper: right, secret.

Dragonman: screw it. I'll go ask Gobber. He usually knows what's up in the town. Brb.

Rocklover: WAIT HICCUP!

Tailwhipper: shoot! He's gone!

The-axe-gal: what are you guys talking about? What wasn't a good idea?

Tailwhipper: oh- it's nothing really.

Bad**Dragon**: NOTHING? He's speaking like a royal Englishman! Not that there's anything wrong with them. But that's NOT Snotlout! It's weird if he does it!

Rocklover: we understand that.

Speedster88: yeah, _now_. After what ever you did to him!

Tailwhipper: hey, it wasn't either of our ideas!

Speedster88: you two are the only ones who seem to know what's going on. So who's else could it have been?

Rocklover: I don't know! But we just didn't come up with it!

The-axe-gal: you know that doesn't really make any sense. Who's idea was it?

Tailwhipper: I'd love to say...but we can't.

The-axe-gal: what?

Rocklover: we were sworn to secrecy!

Dragons4ever!: secrecy? Ooh ooh! Was it some sort of society?

Rocklover: sorry, can't say.

Dragons4ever!: not even to me?

Tailwhipper: you'd have to swear to secrecy, and not on here. In person. In a secret place. That no one knows about.

Dragons4ever!: alright, I get it. *sigh...* I wonder how Hiccup's doing with talking to Gobber.

Rockllover: oh, I doubt he'll get much out of him.

Tailwhipper: Meatlug!

Rocklover: oh! Uh, you read nothing!

_**Rocklover**__ has deleted the previous conversation._

Dragons4ever!: awe.

The-axe-gal: awe is right. But, we read it, and know it! So ha! We'll find out!

Besttrainerever!: I should tell you that it should be: "awe" is right. Not: awe is right. It would not be correct.

The-axe-gal: ...oh we _will_ find out.

Dragons4ever!: that's menacing.

Older-twin: that's Astrid.

Dragons4ever!: good point.

Dragonman: hey, I'm back.

Twoheadedreptile: awesome!

Speedster88: so did you find out what's going on and who's idea it was?

Dragonman: yup.

The-axe-gal: um, and?

Dragonman: uh...

Dragons4ever!: come on! We have to know!

Dragonman: um...you guys won't like what I have to say...

Rocklover: hiccup...don't.

Oldest-twin: what?

Bad**Dragon**: so you all are just going to stand by and let him be that way! Shame on you.

The-axe-gal: gah! What is it that we won't like!

Dragonman: I've been sworn to secrecy.

The-axe-gal: ...

Bad**Dragon**: ...

Speedster88: ...you...what?

Dragonman: um, yeah, bummer right? Uh...yeah.

The-axe-gal: seriously? Sworn to secrecy? Ugh. That's just _great_.

Dragonman: um... is there anything I _can_ tell them?

Tailwhipper: uh, not really.

Rocklover: yeah, it's pretty fixed on staying a secret.

Dragonman: sorry guys.

Dragons4ever!: awe. Well, at least you tried your best.

Bad**Dragon**: but his best wasn't good enough. Snotlout's still speaking that way!

Dragonman: I know, I'm sorry about that.

Speedster88: well. This is a new turn of events.

Besttrainerever!: I agree! I am sure that we will all have more interesting adventures!

Speedster88: um...

Dragonman: so... I can't tell them _anything_?

Rocklover: got that right.

Dragonman: nothing? Really?

Tailwhipper: yeah... aren't you listening? Um, reading?

Dragonman: ...hang on, gotta ask this in person, meet me there!

Rocklover: okay, brb guys.

Oldest-twin: what!

Older-twin: quick doofus, now's our chance!

The-axe-gal: actually, I've seen you two sneak around, and Ruff, you might want to take someone else.

Older-twin: right. Let's get going before we loose them!

The-axe-gal: brb, Tuff, you stay put!

Oldest-twin: Fine. What ever. Just bring back good news!

Speedster88: hm... brb too. Later!

Dragons4ever!: well, I hope they find out something.

Bad**Dragon**: yeah cause if they don't, I might just have to find a different way to bring Snotlout back...

Dragons4ever!: um... just what do you mean by that?

Bad**Dragon**: oh, oh nothing.

Dragons4ever!: uh huh...

Besttrainerever!: where on Earth did everyone disappear to?

twoheadedreptile: ugh, what ever. Hookfang, I hope that what ever you have planned works.

Dragons4ever!: me too, as much as I like Snotlout not making fun of me, it's unnerving.

Bad**Dragon**: don't worry, I'm sure that _my_ plan will work. Let's just see if the others find anything first.

Tailwhipper: hey guys!

Bad**Dragon**: crap.

_**Bad****Dragon**__ has deleted the previous conversation._

Dragons4ever!: uh, heh-heh. Welcome back.

Rocklover: guys... what's going on?

Oldest-twin: what? Nothing.

Dragons4ever!: what makes you think something's up?

Dragonman: okay, I'm back. Wait. Why was the previous conversation deleted? Guys...

Bad**Dragon**: what? So it was deleted.

Dragonman: uh huh... hey Astrid you've been

quiet.

twoheadedreptile: she's busy.

Tailwhipper: doing what?

twoheadedreptile: she's out.

Rocklover: out.

twoheadedreptile: out.

The-axe-gal: okay, we're back.

Bad**Dragon**: heeey, she's back! From being out.

The-axe-gal: uh huh... and we lost them. Sorry guys.

Dragonman: lost who, exactly?

Older-twin: Terrors. Yeah, we saw that a group of them were looking suspicious, and we followed them. But, as luck would have it, we lost them! :/

The-axe-gal: yeah, Terrors. We were following Terrors.

Dragonman: terrors.

The-axe-gal: yup. But, it's all good now.

Speedster88: dang, I couldn't find anything either.

The-axe-gal: and Toothless had decided to help us find the Terrors.

Speedster88: what?

Older-twin: oh, but then he must have gotten distracted and forgot about them. Geez Toothless, I thought you had a better memory!

Speedster88: huh?

Dragonman: so what got you distracted from the Terrors?

Speedster88: these squirrels were bothering me so I decided to show them who's boss.

Dragonman: seriously. Squirrels.

Speedster88: yeah, squirrels. They're really annoying sometimes.

Dragonman: okay...so why was the previous conversation deleted?

Dragons4ever!: Hookfang said something embarrassing!

Bad**Dragon**: HEY!

Dragons4ever!: sorry...

Rocklover: really? What could be so embarrassing?

Speedster88: really? You're asking that?

Rocklover: um...sorry.

Oldest-twin: he's sworn everyone to secrecy.

Tailwhipper: seriously.

Oldest-twin: now you shall know how it feels! Ha-ha-ha!

Dragonman: ...okay...well played.

Besttrainerever!: Well, this has been fun friends! However I have other businesses to attend to. Fairwell!

_**Besttrainerever!**__ has logged off_

Bad**Dragon**: okay. It's time to execute my plans. Toothless, I'm gonna need your help.

26. Level 7: Circles With An X (Part Eight)

HTTYD: Chatroom: Level Seven: Circles With An X (Part Eight)

****PLEASE READ**** hey guys, SO sorry for not updating. But please be patient with me. It`s the end of the first semester for me. (It ends on the 30th) So I`m kind of busy with school and trying to get things done. Oh, and for those that may also be reading my Merlin-Dr. Who crossover, "Umawesometitlehere," and are waiting for the next chapter, it'll be there! Eventually! Sorry for the wait. I had a bit of a challenge figuring out what to write next, but I have some awesome, well, awesome to me, ideas for the next couple chapters. Again, **sorry for the wait on all my stories!** The next chapters will be there soon! I just have to get through these next couple of weeks, then I'll be good again with updating! Bare with me please!

:)

...Continued from Level Six: Shadows (Part Seven)...

**Level Seven.**

Speedster88: um, can anyone tell me why we're wearing weird outfits? Are we wearing helmets? And what up with the strange shirts? Pfft, this is stupid, dragons don't even wear clothes!

Dragonman: sorry, couldn't tell ya bud. :/

the-axe-gal: I wonder what it means.

Besttrainerever!: oh ho-ho, is that a race course behind us? Are we gonna race each other?! AWESOME!

Bad**Dragon**: we are! We're gonna race each other! VIKINGS AGAINST DRAGONS! Ha ha!

Dragons4ever!: awe. Again?

Tailwhipper: um, I think it's just for fun Fishlegs. Besides, it's us right?

Dragons4ever!: oh yeah. Ha, right.

twoheadedreptile: okay, um, which one am I?

Rocklover: um...you're the one with two heads...remember?

twoheadedreptile: oh yeah! Thanks.

Rocklover: uh, sure...

Speedster88: ANYWAY, so, we're racing each other. But how are the Vikings gonna race us dragons? We can fly. All you can do is run.

Dragonman: gee thanks.

Speedster88: sure.

The-axe-gal: hey, look, what are those things behind us?

Dragonman: it looks like they're some sort of form of transport. Weird.

Dragons4ever!: weird is right. Who did the paint job? Our Gronkle statue looks better than that.

Older-twin: I know right? Mine looks like someone barfed on it. Why would they choose that shade of green?

Oldest-twin: yeah well, why would they give you and me the same one? It makes no sense.

Dragonman: um, Tuff, yours is the darker shade of green on your left.

Oldest-twin: oh okay. Wait. My left or your left?

Dragonman: what? Yours.

Oldest-twin: okay. Wait. _My_ left, or my _characters_ left?

The-axe-gal: oh for crying out loud, your characters left!

Oldest-twin: got it!

Besttrainerever!: so... now what?

Rocklover: hm, oh wait, look, what do those symbols on the right of the screen mean?

Dragonman: it looks like those are the instructions for this level.

Dragons4ever!: ooh, I got it. Okay. To turn, press the right and left arrows on the button bored. To speed up or slow down, press the up and down arrows. The up arrow is speed up, the down arrow slows you down.

The-axe-gal: sounds easy enough.

Dragons4ever!: _Writing..._

Dragons4ever!: wow. It looks like there are obstacles that we have to look out for that could really slow us down. Like: mud puddles, water puddles, sand pits, spikes on the ground, falling boulders, and banana peels. Random. Oh, you also can chuck items at other players. To do that, you just press the Ctrl button, and aim the mouse at the player you want it thrown at, then let go of the Ctrl button.

The-axe-gal: ...we can do it. Right guys?

Besttrainerever!: totally! I am SO gonna win!

Speedster88: um, check my username pal.

Besttrainerever!: again, go and jump on something. I dare you!

Speedster88: yeah, but this is about _speed_. Not jumping.

Bad**Dragon**: moving on, what`s the prize?

Dragons4ever!: hm, looks like we don't know until we finish. So, are we ready?

Oldest-twin: heck yeah! Get ready to eat my dust!

The-axe-gal: in your dreams!

Dragonman: okay, is everyone ready? I'm gonna click "play."

twoheadedreptile: yeah! Just click it!

Dragonman: alright, alright. There. It's done.

The-axe-gal: no turning back.

Older-twin: wow. Deja vu.

Oldest-twin: those books are just eating away at your brain. Now you're speaking another language!

Older-twin: yeah, and?

Oldest-twin: ...let's just race.

Rocklover: everyone remember which coloured thing was behind you!

Bad**Dragon**: awesome, a count down!

twoheadedreptile: three...

Tailwhipper: two...

Speedster88: ONE! GO! AH, I WAS TYPING. I MISSED IT!

Dragonman: Toothless! Use one hand uh, paw- whatever, to type!

Speedster88: right!

Besttrainerever!: ha, I already passed you!

Older-twin: that was me, and I`m coming!

Besttrainerever!: oh. Well, see ya! Never! :P

the-axe-gal: hey Stormfly, you wanna team up on Snotlout?

Tailwhipper: sure!

Besttrainerever!: hey, cheaters! They're cheaters!

Dragons4ever!: actually, the rules didn't say anything about cheating not being aloud. With that in mind, see ya! Never!

Besttrainerever!: hey how are you suddenly way ahead of me?!

Dragons4ever!: yeah, can't say.

Besttrainerever!: oh it's on!

Dragons4ever!: bring it!

Dragonman: huh. I never knew how competitive you could be Fishlegs. You even mocked him. :)

Dragons4ever!: I think it's a Viking thing.

Rocklover: hey, anyone know what those symbols on the sidelines are? Those circles with an X through them?

Besttrainerever!: no clue. Ha ha, see ya! Water bomb away!

Rocklover: hey! You`ll pay for that!

Speedster88: ah! Bandana Pipette!

Rocklover: what?

Speedster88: stupid alchemy coronation!

Tailwhipper: WHAT? O.O...

Speedster88: ...ugh. Never mind.

Bad**Dragon**: ha! Dude you totally wiped out!

Speedster88: man those things are dangerous! Watch out for them! I flipped over!

twoheadedreptile: yeah, we all saw haha! AH! Oh no!

Bad**Dragon**: awe man, you crashed into me!

twoheadedreptile: well I couldn't really control where I landed when I crashed!

Speedster88: ah ha! I love karma!

Dragonman: don't we all. Except when it happens to us.

The-axe-gal: ain't that the truth. :P

Tailwhipper: throwin' a smoke bomb! See ya Snotty!

Speedster88: ha-ha, nice one!

Tailwhipper: thanks. :)

Besttrainerever!: ah! My character can't see! He's out of control! Was that you zooming past me?

Tailwhipper: yup. :)

Besttrainerever!: oh it's SO ON! You're going down! Down, down, down!

The-axe-gal: yeah- no. Happy birthday, a gift from me to you!

Besttrainerever!: ah! You're throwing fruit at me! Gee thanks. What I always wanted. You know me so well.

The-axe-gal: yeah, I know. :)

Besttrainerever!: you know it's not my birthday. Right?

The-axe-gal: duh.

Speedster88: hey, Hiccup, why did you throw that nut at me? We're suppose to bring down Snotlout.

Dragonman: that's who I was aiming at, but he got out of the way. Sorry!

Speedster8: eh, it's okay.

Besttrainerever!: what, is everyone gaining up on me now?

Bad**Dragon**: no.

Besttrainerever!: oh, good.

Bad**Dragon**: just Astrid, Stormfly, Toothless, and Hiccup.

Dragons4ever!: ha take that! Squirrel attack!

Besttrainerever!: awe man. Squirrel attack?

Bad**Dragon**: oh, and Fishlegs and Meatlug.

Besttrainerever!: uh, yeah...

Dragons4ever!: whoo hoo! You'll never catch up to me!

Older-twin: hi there- and Bye!

Dragons4ever!: ah! How did you do that! You were back in last place with Toothless!

Speedster88: HEY, I`m in _second_ last place. Snotlout`s last.

Besttrainerever!: pfft. Not for long!

Speedster88: we`ll see!

Besttrainerever!: yes. Yes we will.

Older-twin: figured out how you did it Fish. ;)

Oldest-twin: curse those books. How did you do it?

Older-twin: I _could_ tell you...but I won't.

Dragons4ever!: and don't ask me, cause I won't tell either! :P

Oldest-twin: awe man.

Twoheadedreptile: bombs away! YEAH I WON! BOO YAH!

Besttrainerever!: awe. :(

Dragonman: wow. You destroyed that part of the track.

The-axe-gal: not to mention you basically destroyed us.

Dragons4ever!: wait. Were you ahead of me the whole time?

twoheadedreptile: yup. :D unlike you guys, I focussed all of my attention on playing the game and winning instead of half playing, and half typing, and the other half trying to gain up on Snotlout, which I would have loved to do, but after the banana peel incident- yeah. :D ha ha!

Rocklover: wait, three- _halves_...

Speedster88: PLEASE do NOT start that again.

Rocklover: okay. Sheesh.

Dragonman: wow. Again. That was nicely played Barf and Belch.

twoheadedreptile: yeah. We know!

Besttrainerever!: I would have won...

A/N: sure you would have Snotty. Lol. Well, weird thing about this chapter, I thought of it while thinking of Wreck-it Ralph, you know Sugar Rush, but it came out to be more like a Mario Cart game. Haha. Funny how things work out. Anyways, the other chapters for my other stories are coming please be patient! :) (Oh yeah, and Snotlout _was_ in fact, referencing Candace from Phineas and Ferb. Yes, yes he was.)

R & R and suggest topics (optional) please! :)

27. Interrupted (Reprise)

A/N: hey hey! I'M ALIVE! Lol. Sorry about the wait guys, but I

wanted to post this and a new thing at the same time. Oh, and don't worry, the new one is just a one shot kinda thing to get my mind rolling. But, you should check it out! Hope the wait was worth it!

Leaderman: alright. This meeting has now started. It's time to make a new plan.

Deranged Defiant One: you know since our last plan was so rudely interrupted.

Staffman: are you sure we should be doing this on here? It's not as private as you think it is.

Deranged Defiant One: so what _is _ our new plan going to be? I don't have all day.

Leaderman: keep your helmet on lad, I'll get there.

Deranged Defiant One: fine. Now get on with it. I have to figure out how to get my revenge!

_**IamAWESOME**__ has logged on_

IamAWESOME: yeah, you'll probably never get it.

Staffman: see I told you this wasn't that private!

Deranged Defiant One: what do you know? I'll bet you don't even know who we're talking about!

IamAWESOME: hiccup and them. You know, _Berk?_

Deranged Defiant One: ... just who are you! Tell me!

IamAWESOME: ah ha ha ha ha ha! Good one!

Leaderman: why must all of our planning sessions get interrupted!

Staffman: maybe it's because this is NOT PRIVATE!

Leaderman: shut up you.

IamAWESOME: ooh, nice comeback.

Leaderman: see? Someone knows how to show respect!

IamAWESOME: I do...but that was sarcasm...

Deranged Defiant One: ha haha ! Awkward!

IamAWESOME: ha, it's only awkward if you make it awkward! FYI, you made it awkward. Nice going.

Staffman: hm...I'd say _this_ is awkward.

Deranged Defiant One: shut it old man, what does FYI mean anyways?

IamAWESOME: oh, and for your information every single one of your usernames is SOOO obvious. I mean come on. Dagur, I thought at least _you'd_ be more creative than that. Leaderman? What's up with that? Seriously. Don't even get me started on _Staffman_.

Leaderman: I've just about have had enough of you. You'll be next after Berk!

IamAWESOME: then I guess I'll be waiting a LOOO

Staffman: are you always this annoying?

IamAWESOME: yeah. It's fun!

Deranged Defiant One: are you always so annoyingly random?

IamAWESOME: yeah. It's fun!

Leaderman: why don't you just leave us alone!

IamAWESOME: no. that's lame. ;)

Leaderman: ugh! I've had it!

IamAWESOME: had what?

Leaderman: ...

Staffman: maybe you should either help us, or ignore us!

IamAWESOME: oh, I'd gladly ignore you- but then you'd take over Berk. I can't let you do that, so, I'm here. To. Stay. Ha. Ha. Ha.

Deranged Defiant One: I don't like you.

IamAWESOME: nor I you. We agree to disagree?

Deranged Defiant One: you cannot confuse me with your riddle ways! We WILL WIN!

IamAWESOME: win what?

Deranged Defiant One: win what? what do you mean win what! Take over BERK! Aaaaaaaaaaaaaaarg! You are driving me crazy!

IamAWESOME: uh, yeah... the crazy ship sailed before I got here.

Staffman: she has a point.

Deranged Defiant One: who's side are you on?

Staffman: Alvin's.

Deranged Defiant One: well... he's teaming up with me, so you're on _my side_.

Staffman: I'm still only working for him. _He's_ who _I_ teamed up with.

IamAWESOME: huh. Things just got interesting. Um, sort of. But I utterly do absolutely HATE to say this- but Mildew's right.

Staffman: see I told you. Wait. How did you know who I

am!

IamAWESOME: why is the sky blue? Why do you not know who I am? Some things are just better left unsaid...

Deranged Defiant One: how about you tell us who you are?

IamAWESOME: um, I'm nameless not stupid.

Staffman: you can't be nameless, that makes no sense.

IamAWESOME: makes more sense than you guys. O.O

Leaderman: quit being annoying. And. For. The. Last. Time. Leave. Us. ALONE!

IamAWESOME: for the last time- no.

Deranged Defiant One: leave!

IamAWESOME: no.

Deranged Defiant One: LEAVE or we'll find you!

IamAWESOME: ooooh, I'm so scared! - and no.

Leaderman: can't we just get back to what we were talking about?

IamAWESOME: no.

Leaderman: ...you annoy me to no end.

IamAWESOME: I know! ;D

Staffman: how do you know we won't find you?

IamAWESOME: no one knows who I am, and no one knows _where_ I am. DUH. We've been over this guys.

IamAWESOME: I mean that I wanted someone to chat with. You know other than these dorks.

Deranged Defiant One: HEY

twoheadedreptile: ugh. These guys.

IamAWESOME: I know right? They actually thought that they could come up with a plan to take out Berk! Hahahahahahahahahahahahahahahahahahahahahahahahahahahahahahahahaha-lol.

twoheadedreptile: these doofuses? HA! That's the most hilarious thing I've ever read!

Deranged Defiant One: _excuse me_?

IamAWESOME: yes, you may be excused from this chat.

Deranged Defiant One: uh, NO that's not what _I_ meant!

IamAWESOME: ah, but that _is_ what _I_ meant. Live with it doofus.

Deranged Defiant One: it's _Dagur_.

twoheadedreptile: we like doofus.

Staffman: oh no. Not this mangy dragon.

twoheadedreptile: mangy? I'm not an outcast.

Leaderman: OI!

IamAWESOME: oi yourself. Barf and Belch ain't livin' on a gross dead island.

twoheadedreptile: nicely said. :)

IamAWESOME: thanks!

Staffman: I keep telling you that this thing is not as private as you think it is!

Deranged Defiant One: shut up old man, we're busy trying to get rid of these two pests.

Staffman: Old man!

Deranged Defiant One: you're older than me...and a man? Duh.

Staffman: and you're not a man then. So I'M more superior. DUH.

Deranged Defiant One: why you- of COURSE I'M A MAN DUH YOURSELF!

IamAWESOME: if you say "Duh" one more time, _I'm_ gonna find YOU!

Deranged Defiant One: good, then I can get rid of you!

twoheadedreptile: ha, yeah right. No one can get rid of her!

IamAWESOME: tis true.

Staffman: are you saying you're some sort of parasite?

IamAWESOME: depends.

Leaderman: oh my gods, depends on what!

IamAWESOME: depends on what _YOU_ think a "parasite" is.

Staffman: obviously we think _you're_ the parasite.

IamAWESOME: and I think that _you guys_, minus barf and belch of course, are parasites. And THAT'S how it works. :D

Staffman: _WE'RE_ THE PARASITES?!

IamAWESOME: glad to see we're on the same page! :)

twoheadedreptile: you know...finally. :P

Leaderman: THAT'S IT. We're LEAVING.

28. Level Eight: Watching (Part Nine)

A/N: I just want to say: LONGEST. CHATROOM CHAPTER. EVER! About 12 or 13 pages in a word document! O.O Hope you guys like it! Um, just so you know, I think update will be kinda random from now on. Hope that's okay.

...Continued from Level Seven: Circles With An X (Part Eight)...

Besttrainerever!: Toothless! Did you steal my fish that was suppose to be a snack!

Speedster88: well, I _am_ a NIGHT Fury. You know, the ninja of the dragons.

Besttrainerever!: I knew it! Ugh. You have been bugging me ALL week! I`ve had it!

Dragonman: come on guys, Toothless, cut it out.

Besttrainerever!: thank you cousin.

Speedster88: I'm sure that you told him how you tricked me into walking into a net.

Dragonman: really Snotlout.

Besttrainerever!: hey. That was ONE thing. He's been at it for a week!

Dragonman: yeah but still...

Besttrainerever!: you are NOT just going to be on his side just because he's your dragon. That's SO not fair.

Dragonman: no, I'm not. But those nets can be very dangerous to our dragons.

Besttrainerever!: okay. Lesson learned. Now deal with him!

Dragonman: okay, okay. Toothless, come on.

Speedster88: what? I've just stolen his "precious" snacks, and maybe a couple of pranks here and there...

Dragonman: uh huh.

Speedster88: what? They were harmless. I SWEAR.

the-axe-gal: wait a second, were you the one who put a ton of salt in his breakfast? That was hilarious!

Dragonman: that was you Toothless?

Speedster88: NINJA! Must I say it more that once?

Dragonman: toothless.

Speedster88: what? It was harmless!

Besttrainerever!: I could have DIED from the sourness!

Speedster88: ah there`s no way you can die from "sourness."

Dragonman: uh, sorry Toothless, but I actually side with Snotlout on this one.

Besttrainerever!: YES! Wait. Come again?

Dragonman: um, I side with you on the argument.

Besttrainerever!: YES! Oh this is the best day of my life! Actually...second best. The best still has yet to come.

Dragonman: uh, okay. Um, do any of you guys have anything to say on this matter?

the-axe-gal: I just have seven words to say: he's your cousin, and he's your dragon.

Dragonman: fair enough. Anyone else?

Bad**Dragon**: I think Astrid spoke for all of us.

Dragons4ever!: but, he's your rider.

Bad**Dragon**: yeah and?

Dragons4ever!: eh, alright then.

Dragonman: *sigh* okay. So, Toothless, Snotlout, apologise.

Besttrainerever!: uh, that's not really my thing?

Dragonman: snotlout!

Speedster88: yeah um, do I have to?

Dragonman: really guys!

Besttrainerever!: hey don't blame me. Vikings are stubborn, I take after our ancestors. Blame them. You've said it yourself!

Dragonman: yeah but...

Speedster88: and...I take after you.

Dragonman: what? I'm not that stubborn.

the-axe-gal: ha! Yeah right.

Dragonman: whatever happened to "your cousin and your dragon?"

the-axe-gal: that's still in play.

Dragonman: uh huh.

Older-twin: uh, speaking of "play", can we get on with this? We're on level eight here!

Dragonman: *sigh* alright. Let's do this. But you guys have to make up eventually!

Speedster88: you know..."eventually" can be a long time.

Besttrainerever!: for once, I agree.

Dragonman: ...ugh, whatever.

**Welcome to Level Eight. Please create teams of two or three.**

Dragons4ever!: hey, it welcomed us this time. Teams of two? Meatlug?

Rocklover: ooh, um, actually I'm with Stormfly. Uh heh, sorry.

Tailwhipper: uh, yeah, sorry!

Dragons4ever!: oh, no prob!

Besttrainerever!: okay, Hookfang!

Bad**Dragon**: uh, yeah no I'm with Toothless.

Speedster88: you are?

Bad**Dragon**: yes. I am.

Besttrainerever!: TRAITOR!

Speedster88: except I was going to go with Hiccup.

Dragonman: uh, sorry, I'm with Asrtid.

Speedster88: WHAT? You didn't pick ME as your first choice!

Dragonman: um...no.

the-axe-gal: well, if it makes you feel better Hiccup wasn't exactly _my_ first choice.

Dragonman: see? Wait. What?

the-axe-gal: hey Stormfly and Meatlug wanna be a team of

three?

Tailwhipper: sure!

Rocklover: alright! :D

Speedster88: ...yeah, I feel a _little_ better. Fine. I guess I'm with Hookfang.

Bad**Dragon**: uh, I changed my mind...

Speedster88: what?

Bad**Dragon**: I CHANGED MY MIND. I'm with Fishlegs.

twoheadedreptile: how did that happen?

Dragons4ever!: we have a deal.

the-axe-gal: now it makes sense.

Dragonman: wait, if you two are in different places, how did you make a deal?

Bad**Dragon**: um, are you forgetting that we both have legs?

Dragonman: ...um, right... uh, moving on. Hey Ruff wanna be partners?

Older-twin: hm...sure why not. If this is a challenge to see who knows more about dragons, we'd beat them all! :)

Dragonman: uh...yeah... alright then.

Besttrainerever!: man, who am I going with?

Speedster88: um, so Barf and Belch, you wanna team up?

twoheadedreptile: nah, we're with Tuff.

Oldest-twin: TOTALLY! Yeah!

Speedster88: awe man.

Tailwhipper: uh, yeah. Haha!

Bad**Dragon**: sucker. Ha, can't believe you fell for that!

Dragonman: that was easier than I thought.

the-axe-gal: oh totally.

Speedster88: just WHAT ARE YOU GUYS TALKING ABOUT.

Dragons4ever!: come on. You're smart.

Speedster88: would ya just tell me?

Rocklover: um...who _else_ doesn't have a partner?

Speedster88: ...NO WAY.

Besttrainerever!: HA yeah right, I'm NOT pairing up with him.

Dragonman: well, it's too late now. No one else is planning on switching.

**Please insert you team names here:**

**Ruffcup**

**Hookfish**

**stormeatas**

**berff**

Dragons4ever!: wouldn't it make more sense to have it "Fishhook?"

Bad**Dragon**: yeah, but I put a spin on the ordinary.

Dragons4ever!: oh, then yeah okay! :)

the-axe-gal: um...berff?

Oldest-twin: yeah. The B from Barf and Belch, the E from Belch, the R from Barf, and the FF from me!

Dragonman: that's...actually a pretty good combination. Speaking of which, "Ruffcup?"

Older-twin: you got anything better, D.U.M.B.y?

Bad**Dragon**: haha DUMB. That was so...

Dragons4ever!: dumb. Oh, no offense Hiccup.

Bad**Dragon**: ha.

Dragonman: okay, point taken. Moving on. Again.

Speedster88: I'm still not going to be partners with..._him_.

Besttrainerever!: nor am I with _him_.

Dragonman: ugh, you guys! It's a game. Get over it!

Speedster88: a game you say. Just like my pranks?

Dragonman: you also stole his snacks.

Speedster88: fine!

**Toothsnot**

Besttrainerever!: HEY who said YOU could put your name first!

Speedster88: *sigh...* do I really have to say it? N-I-N-J-A! Be faster next time :D

Besttrainerever!: why you... HICCUP!

Dragonman: um, I can't do anything about that. The name is entered and the game is starting.

Older-twin: thanks. I just lost the game.

Oldest-twin: already?

Older-twin: not this g- never mind.

Dragonman: oh, I know which game you're talking about...uh... Never mind...

Older-twin: haha!

**To play this level you must say whether each sentence is fact or crap. Each team gets to guess. I will say who was correct. To pass this level, you must get five questions right. If you get all of the questions wrong, or none right, you will go back to level one.**

Rocklover: okay, sounds simple enough.

Besttrainerever!: back to level one? Awe man. That will take forever if we lose! TOOTHLESS, don't make us lose.

**During the game you may also decide to keep, switch, or de-partner with your partners. Each person or dragon has to agree to depart or join up.**

Speedster88: sweet!

**Let's begin. You should know that the sentences will be random.**

**Sentence 1: Lightning strikes the earth about 8 million times a day.**

Speedster88: oh I know this one! Fact!

Besttrainerever!: how can you know for sure? I say false.

Dragonman: uh, you're just going to disagree with each other all the time are you?

Speedster88: hey, we're arguing right now.

Dragonman: oh boy. Well, what do you think Ruff?

Older-twin: hm...let's see...Snotlout got struck twelve times in fifteen years...carry the three- fact.

Dragonman: uh, okay. That's what I was gonna say.

**Ruffcup: Fact.**

Tailwhipper: hm, tough one. I'm not up on lightening.

Rocklover: neither am I.

the-axe-gal: yeah same here...guess?

**Stormeatas: Fact.**

Bad**Dragon**: okay, I say fact.

Dragons4ever!: I think it's fact too. I think I read up on it somewhere...

**Hookfish: Fact.**

**Berf: Fact.**

**Toothsnot: Crap.**

Speedster88: DUDE! THAT'S WRONG! It was fact!

Besttrainerever!: hey. You're a ninja, be faster next time.

Speedster88: ...

**Now I will say which ones are correct.**

**Ruffcup: Correct**

**Hookfish: Correct**

**Stormeatas: Correct**

**Berff: Correct**

**Toothsnot: Incorrect**

Speedster88: see? I told you. Ugh, man- you never listen!

Besttrainerever!: I'm sorry what'd you type?

Speedster88: you- gah!

Dragonman: uh, okay, next one.

**Sentence Two: A duck's quack doesn't echo, and no one knows why.**

Dragonman: uh...

Older-twin: ...Fact? Ducks are weird.

Dragoman: you got a point there.

**Ruffcup: Fact.**

Speedster88: um...no clue. Crap?

Besttrainerever: alright then.

**Toothsnot: Crap.**

Speedster88: ugh. Dude.

Besttrainerever!: I told you to be faster!

the-axe-gal: so what do you guys think? Fact or Crap? I think it could be...crap. Everything has an echo right?

Tailwhipper: yeah, I've never heard of anything without an echo.

Rocklover: Crap it is!

**Stormeatas: Crap.**

**Berff: Fact.**

Dragons4ever!: uh...I didn't read up on ducks. What do you think?

Bad**Dragon**: crap. All things have echoes. Right? I think Stormfly's right on that.

Dragons4ever!: okay!

**Hookfish: Crap.**

**The correct answers:**

**Ruffcup: Correct**

**Toothsnot: Incorrect**

**Stormeatas: Incorrect**

**Berff: Incorrect**

**Hookfish: Incorrect**

Older-twin: wow guys. Wow.

Dragonman: huh. Ducks don't have echoes. I guess it makes sense that no one would know why.

Bad**Dragon**: that...is weird, Ducks are weird.

Older-twin: okay next! :D

Dragons4ever!: don't get cocky, that was only two questions, there are five.

Older-twin: whatever.

**Sentence Three: Orcas (killer whales) kill sharks by torpedoing up into to shark's stomach from underneath, causing the shark to explode.**

Dragonman: whoa. Fact?

Older-twin: whoa. Yeah that would be awesome to see! :D

**Ruffcup: Fact.**

Tailwhipper: what? That sounds too far fetched...fact?

Rocklover: I agree...but I'm not sure...I'll just go along with it this time.

the-axe-gal: fact it is girl! :)

**Stormeatas: Fact.**

Bad**Dragon**: know anything about sharks and whales?

Dragons4ever!: uh...no.

Bad**Dragon**: well, I sure picked a good partner.

Speedster88: yes. Yes you did.

Bad**Dragon**: shut it.

Dragons4ever!: let's guess. Crap? That sounds way to weird.

Bad**Dragon**: yeah...I don't buy it. Crap it is!

**Hookfish: Crap.**

**Berff: Fact.**

Speedster88: uh...fact. It's too weird to be crap. It's like the duck thing isn't it.

**Toothsnot: Crap.**

Speedster88: oh come on snotty! If we get this one wrong I'm striking out on my own! And I'm gonna WIN!

Besttrainerever!: suits me just fine. And I'M gonna win.

Speedster88: we'll see!

Dragonman: YES we will! Now let's keep going with this so we can!

**Correct Answers:**

**Ruffcup: Correct**

**Stormeatas: Correct**

**Hookfish: Incorrect**

**Berff: Correct**

**Toothsnot: Incorrect**

Speedster88: that's it. I'm gone.

Besttrainerever!: me too. And I'M GONNA BEAT YOU!

**Toothless and Snotlout are no longer partners.**

Dragonman: well, so much for that plan. Oh, and you guys are switching when you only have two questions left?

Speedster88: hey, I'll still get some right.

Besttrainerever!: yeah same here! I'll beat Toothless!

Speedster88: ha, that's a laugh!

**Sentence Four:** _**It's possible to lead a cow upstairs but not downstairs.**_

Bad**Dragon**: what up with these random animal questions? Come on, gimme some questions on dragons!

Dragons4ever!: actually, that _would_ be useful.

Bad**Dragon**: you know nothing about cows do you?

Dragons4ever!: just the basics. But uh, the whole stairs thing um...no. Fact?

**Hookfish: Fact.**

The-axe-gal: what do you guys think?

Rocklover: hm... what the heck let's go with fact.

Tailwhipper: I don't know... it just doesn't sound right to me. I

say crap.

The-axe-gal: uh oh, I'm the tie breaker. Um... first thing that comes to mind is crap.

Rocklover: alright then!

**Stormeatas: Crap.**

_**Speedster88**__: __**Fact.**_

**SnotloutSnotloutOIOIOI!: Crap**

Speedster88: really. That's your name?

Besttrainerever!: duh. It's more creative than yours!

Speedster88: HEY!

Rocklover: ugh, come on guys! Next one!

Dragonman: wait, we haven't gone yet!

**Ruffcup: Fact.**

Dragonman: oh. Okay, never mind.

**Berff: Fact.**

**Hookfish: correct**

**Stormeatas: incorrect**

**Speedster88: correct**

**SnotloutSnotloutOIOIOI!: incorrect**

**Ruffcup: correct**

**Berff: correct**

**Now I will show how many points each team has:**

**Hookfish: 2**

**Stormeatas: 2**

**Speedster88: 1**

_**SnotloutSnotloutOIOIOI!:**__**0**_

**Ruffcup: 4**

**Berff: 3**

Speedster88: you know if you get this one wrong...

Besttrainerever!: except I WON'T. You will.

**Sentence Five: He is watching you.**

Dragonman: uh...

Dragons4ever!: okay... do we have to answer this one?

Speedster88: alright. That's just plain creepy.

twoheadedreptile: guys...what if it's fact?

The-axe-gal: and who is this..._he_? Is he someone we know? Then it would be less creepy.

Older-twin: you know what? I'm just assuming it's one of our enemies.

**SnotloutSnotloutOIOIOI!: Fact**

**Ruffcup: Fact**

**Stormeatas: Crap**

**Berff: Fact**

**Speedster88: Crap**

**Hookfish: Crap**

Dragonman: okay... everyone ready for the results?

Bad**Dragon**: please let us be right!

**SnotloutSnotloutOIOIOI!: Correct**

**Ruffcup: Correct**

**Stormeatas: Incorrect**

**Berff: Correct**

**Speedster88: Incorrect**

**Hookfish: Incorrect**

Besttrainerever!: HA! I was ridiculous! Yeah!

Speedster88: well, for a second time, I agree! Haha!

Besttrainerever!: what? Awe man. Autocorrect. I meant resistant.

The-axe-gal: well, a lot of people resist you.

Besttrainerever!:oh come ON!

Dragonman: just one question...WHO'S watching us?

Besttrainerever!: um...

A/N: ha ha. Oh, by the way. The first four questions are actual facts. (I hope. Lol Looked it up online so, yeah.) It's weird. I didn't know ducks don't have an echo. The things you learn. Anyways-

R & R and suggest topics (optional) please! :)

29. Takeover!

A/N Sorry it's kind of late guys. But, it's here. Oh, and for those waiting on my Merlin/Doctor Who fic, sorry it's so late. I'm about half way done though! Please stick around for it! :D Anyways, so, I've been thinking...and I've decided to tell you who the visitors were in "Randomness" and "Log Off." But, I'll tell you at the end of this one. Haha! Dragons4ever!: good morning guys!

Rocklover: good morning!

Older-twin: what do you mean?

Dragonman: what?

Speedster88: what does _he_ mean? What do _you_ mean?

Older-twin: do you mean to wish me a good morning?

Dragons4ever!: uh...

Older-twin: or do you mean it is a good morning whether I want it or not?

The-axe-gal: what are you getting at now?

Dragons4ever!: um...

Older-twin: or perhaps you mean to say that you feel good, on this particular morning?

Bad**Dragon**: I have no idea what you're saying.

Older-twin: or are you simply stating that this is a morning to be good of?

Tailwhipper: um, Ruff, what _are_ you trying to say?

Dragons4ever!: all of them at once I suppose...

Older-twin: ha, that was great.

Dragonman: no seriously, what's up?

Older-twin: another book appeared.

Dragons4ever!: same series?

Older-twin: no, it's totally different.

The-axe-gal: how?

Older-twin: well, so far it's about this uptight short person who is asked to go on an adventure with these weird people called dwarves. He's asked by this wizard guy, and at first he declines, but then accepts. Their goal is to track down their old home that was taken by a dragon.

Oldest-twin: ugh. Books.

Dragonman: you know, you could learn to like them.

Oldest-twin: _learn?_ While I'm still _alive?_

Dragonman: oh boy not this again.

Besttrainerever!: man, more books? Ever since Gobber's eloquence class you guys made me go to, I've been hooked on those stupid wizard books.

Bad**Dragon**: SO THAT'S WHAT HAPPENED!

Tailwhipper: Snotlout! I thought you were sworn to

secrecy!

Besttrainerever!: I wasn't. You guys were?

Dragonman: what- yeah! Gobber made us.

Bad**Dragon**: you guys should be ashamed of yourselves.

Rocklover: now what are _you_ getting at?

Bad**Dragon**: you tried to change Snotlout!

Dragonman: actually, I didn't exactly take part in it...

Bad**Dragon**: but you knew about it.

Dragonman: ...okay point taken. But, that wasn't until after it happened.

Bad**Dragon**: ...fine whatever.

The-axe-gal: and they didn't _try_ to change him, it flat out worked.

Besttrainerever!: ugh. Now I'm interested in that stupid book that you got! You broke me!

Dragonman: they didn't _break_ you Snotlout, they just...changed...you slightly...

Bestttainerever!: what good came of that!

Dragonman: you're reading.

Besttrainerever!: that's _good?!_

Speedster88: I'm not the one reading.

Besttrainerever!: ...curse you.

twoheadedreptile: ha. No comeback.

Bad**Dragon**: you've got to be kidding me. Who are these people!

Older-twin: I was reading more of this book, what's happening?

The-axe-gal: random people are logging in on here.

Older-twin: oh no. Not again! Please! No more IamAWESOME people!

Dragonman: don't worry, so far they're different.

Older-twin: oh, good.

Besttrainerever!: but they're still annoying.

Older-twin: ... I'm staying out of it. Let me know how it ends.

Skirraterror: dudes! What's happenin'! Skirraterror in da house yo!

Terrorbro: cool dude ya made it!

FlamingSceimhle: sup bro!

Older-twin: on second thought, don't bother.

Bad**Dragon**: ... This. Is. Freaky.

Oldest-twin: ...you staying out of this?

Bad**Dragon**: yup.

Oldest-twin yeah same here.

Besttrainerever!: me too!

Rocklover: ah you guys are just chicken to confront them.

Besttrainerever!: let's see you do it then.

Rocklover: alright. Here it goes. Hey, FlamingSceimhle, Skirraterror, Terrorbro, would you please tell us who you are?

FlamingSceimhle: we wud...

Terrorbro: but we gonna see how long it takes u guys to figure it out.

Skirraterror: it's more fun that way! XD

Rocklover: ...okay, um, thanks. See you guys? Was that so hard?

Oldest-twin: ... still staying out of it.

_**Terrordude**__ has logged on_

Terrordude: yo wat up! Terrordude is in da house so let's get dis party started yall!

Tailwhipper: I'm not trying to offend anyone here, but all you all have such bad grammar.

The-axe-gal: maybe we should try it.

twoheadedreptile: what? Even _we_ don't understand them.

Dragonman: Wait. She may be on to something. I mean, if we can speak their "language," maybe we can find out who they are.

Dragons4ever!: oh, okay. It's worth a shot. I'll do it.

The-axe-gal: go for it! :)

Terrordude: yo yo let's rock dis joint I say we head for da

Dragons4ever!: thanks. :)

Skirraterror: so we gonna blow dis or wut?

Oldest-twin: what do you mean blow?

Bad**Dragon**: I thought you were staying out of it. AGAIN.

Oldest-twin: eh, I get curious. He said blow.

Bad**Dragon**: whatever.

Speedster88: uh, question.

Terrorbro: shoot bro.

Speedster88: why are you on here?

Dragonman: Toothless.

Speedster88: what? It's a legit question.

Terrordude: same as u bro.

Speedster88: um...I highly doubt that.

Terrordude: how cum?

Speedster88: ...I just do.

Dragons4ever!: wait! I think I know who they were!

The-axe-gal: care to spill?

Dragons4ever!: Terrors! Terrible Terrors!

Dragonman: oh, duh! How did we not see that? Each of their names had the word "Terror" in it.

Besttrainerever!: yeah, I can't believe you guys didn't notice.

Oldest-twin: what, like you did?

Besttrainerever!: yeah after the third one, I saw a pattern!

Tailwhipper: yeah sure you did.

Besttrainerever!: I did!

Dragonman: then why didn't you say anything?

Besttrainerever!: I was staying out of it. Duh.

The-axe-gal: he didn't see it.

Besttrainerever!: you know what- screw you guys!

twoheadedreptile: ha, no comeback. Again.

Besttrainerever!: screw you too.

Bad**Dragon**: hey guys we've figured out who they were! They were terrorists!

Speedster88: um, that's one way of putting it. Haha!

Bad**Dragon**: what? Oh, no. Well, yeah. Haha, but I meant terrific.

twoheadedreptile: no no, that's not what you mean.

Bad**Dragon**: awe come on! I meant TREASURE ISLAND!

Older-twin: what's treasure island? Did I miss something?

The-axe-gal: autocorrect, haha, the weird visitors were Terrible Terrors.

Older-twin: ah, that makes sense now. Lol. I've always loved a good autocorrect show! :D

Bad**Dragon**: you know what, screw you!

Besttrainerever!: not your best comeback Hookfang.

Speedster88: yeah, take it from Snotlout.

Besttrainerever!: HEY! He didn't need to know that!

Bad**Dragon**: oh brother.

Dragonman: hey come on Toothless, they have their smart moments.

Bad**Dragon**: Hiccup, don't you dare.

Speedster88: I dare! :)

Dragonman: this just isn't one of them.

Older-twin: lol. This is just as good as autocorrect.
:D

A/N: haha! Fun facts: Skirra means Scare in the Old Norse language, at least that's what the website said haha, and Sceimhle is Irish for Terror. At least, that's what Google translate says.

30. Level Nine: White Mask (Part Ten)

A/N: THIRTY CHAPTERS! I MADE IT TO 30 CHAPTERS! As well as 205 reviews. Uh, again, I'm SO sorry for the wait on this one. Things caught up with me, and I was working on my other stories, and math has been a "colourful swear word here" so, sorry about that. But please be patient if I get busy with other stuff. Also, sometimes I get writers block like everyone else, so, just keep that in mind please.

Oh yeah, and I realized that in the last "Level" chapter, I had put, "_**If you get all of the questions wrong, or none right, you will go back to level one.**_" Which is basically the same thing... my bad. Lol. I didn't realize until someone said something. Haha. Oh the things you don't notice until AFTER you post something.

With that done, enjoy this next chapter! :)

...Continued From Level Eight: Watching (Part Nine)...

**Welcome to Level Nine.**

The-axe-gal: wait. Are we wearing skiis?

Rocklover: yeah we are! We're skiing! :)

Speedster88: nice!

Dragons4ever!: hm, I wonder what the rules will be for this level!

Dragonman: what's that behind us?

Tailwhipper: it looks like it's heading up to the top of that mountain.

Older-twin: maybe it's what we ride on to get there.

Besttrainerever!: yeah right. That's stupid.

Dragonman: what's stupid about it?

Besttrainerever!: I will think of why later.

Dragonman: yeah.

Bad**Dragon**: hey, can we do this now?

Dragonman: right, yeah. Okay. Fishlegs the rules?

Dragons4ever: well, they seem pretty basic. You just try and make it down the mountain without dying, and you're good!

The-axe-gal: yeah, that is pretty basic.

Dragons4ever!: oh, and if you DO die, you have to go back to level one.

The-axe-gal: of course.

Besttrainerever!: well, that WON'T be me this time. No, no, no, no, no!

Speedster88: um, sure.

Besttrainerever!: hey, it won't.

Dragonman: ugh, guys, really?

Speedster88: whatever. It won't be me either!

Dragonman: GUYS we're on level NINE here! We've only got this one plus one more left, could we _please_ not fight?

Speedster88: fine.

Besttrainerever!: fine, whatever. It still won't be me.

Dragonman: you- ugh. Yeah whatever. Fishlegs how do we start?

Dragons4ever!: you just go up the thing behind us, which is called a "ski lift" and take it up to the mountain. Then ski down the mountain. WITHOUT dying.

Older-twin: HA! I knew it!

Besttrainerever!: yeah well- whatever. Let's go.

Oldest-twin: sweet! I'm on! Anyone else coming?

Older-twin: duh!

twoheadedreptile: yeah let's go skiing!

Dragonman: great! We're all on the ski lift now.

Bad**Dragon**: so, now what?

Dragons4ever!: ...we wait. Until we get to the top. :/

Bad**Dragon**: man, that could take forever!

Oldest-twin: ah! I fell off the lift!

Dragons4ever!: what? How?

Oldest-twin: I pushed the up arrow. :(I think I
died!

Tailwhipper: come on, you didn't die!

The-axe-gal: uh, okay, _now_ you died.

Older-twin: HA! Level one you go!

Oldest-twin: NOOOOOOOOOOOOOOOO I was sooo close!

Older-twin: whoo hoo! I'm on the hill!

Dragons4ever!: oh no! I fell off the cliff trying to get off of
the ski lift! :(

The-axe-gal: seriously?

Dragons4ever!: yeah.

The-axe-gal: awe man. I hit a tree.

Dragonman: I think this is harder than we
thought.

Dragons4ever!: no kidding. DIE ZOMBIES DIE!
HAHA!

Speedster88: uh...

Dragonman: uh, wow that was fast Fishlegs.

Dragons4ever!: um...yes, yes it was.

Besttrainerever!: cheat codes?

Dragons4ever!: I am too busy to answer your questions, I am
trying to win a race here.

Dragonman: ...uh huh.

Older-twin: hey cool, I collected a rock for
potions!

Dragonman: huh. Interesting. Oh cr- I hit a
branch.

Besttrainerever!: NOO! I tripped and now I'm doing somersaults!
Ooh, and I hit a tree.

Bad**Dragon**: surprisingly, you didn't die.
O.O

Besttrainerever!: YES! I knew it wouldn't be
me!

Speedster88: don't be so cocky. We're not finished
yet.

Besttrainerever!: and how might I ask, are YOU holding up?

Speedster88: ...um...

Dragonman: he tripped, hit a branch, and rolled down off the mountain. I think he died.

Speedster88: who's side are you on?

Older-twin: hey, I got a feather! Also good for potions.

Rocklover: cool! I wonder how you make potions. I'll have to figure out that later though before I HIT THIS TREE!

Dragons4ever!: ah! No! I fell down a hole in the snow! Why are there holes in the snow!

twoheadedreptiles: stupid trees!

The-axe-gal: gah! Snow creature! It's throwing snowballs! Look out!

Dragonman: This just got more complicated! Whoa! That was close!

Older-twin: take that snowman! Attack of the branch!

Dragonman: wow. You destroyed it. Wait. How did you do that?

Older-twin: ... that's my little secret. :)

The-axe-gal: of course.

Besttrainerever!: why is it that I get pelted with EVERY snowball that thing throws at us?

Speedster88: tis one of life's greatest mysteries.

Besttrainerever!: okay that's it.

Speedster88: hey! You tripped me!

Dragonman: oh come on guys.

Speedster88: not now Hiccup, I'm trying to balance myself before I- uh, yeah. Never mind.

Besttrainerever!: haha!

Speedster88: I hate you.

Older-twin: I collected a... bean? That's weird. It didn't say what it was good for.

The-axe-gal: how come you're the only one picking up stuff?

Older-twin: I look for them.

Bad**Dragon**: duh! Hey, I found a... a white mask...

Older-twin: did it say what it was good for?

Bad**Dragon**: no. No it didn't...

Dragonman: that's weird. Usually it says what's used for or something.

Older-twin: good observations.

Dragonman: hey.

The-axe-gal: whoa, there are jumps now!

Besttrainerever!: sweet! I'm gonna jump!

Speedster88: and he fails. :P :)

Besttrainerever!: how about YOU do a jump?

Older-twin: cool! I did a trick! I don't know how. But I did a trick!

Rocklover: you can do tricks? There's so much to this level...

Speedster88: ah! I'm close to falling! Wait, maybe if I grab onto a branch...

Bad**Dragon**: ah ha ha! That's too good! Now you're going backwards!

Speedster88: ah! Jump! Wait. Maybe I can turn around- well, that didn't work. I just did a flip and still landed facing backwards!

Dragonman: uh oh. I tried to do a jump but landed in a tree.

The-axe-gal: are you dead?

Dragonman: no I'm just... in a tree. I'm uh, not really sure how to get down.

Bad**Dragon**: ooh, uh, sorry, we all just passed you.

Dragonman: well don't everyone come up all at once.

Older-twin: hey, I just found a weird mushroom. I wouldn't eat it though. It's glowing. It could give you weird growing

powers.

twoheadedreptile: good to know! :)

Tailwhipper: uh, yeah...

Besttrainerever!: Fishlegs! What are you doing?

Dragons4ever!: uh oh, I think our skis are stuck together!

Besttrainerever!: how?! And how do we split up!

Dragons4ever!: uh, I don't know, and I don't know. :(guess we're stuck side be side from now on until we somehow split.

Besttrainerever!: great. This is just- BUSH!

Bad**Dragon**: ha, now you're stuck in a bush! See ya!

Dragonman: uh... I'm still stuck. I've tried everything I can think of.

twoheadedreptile: did you try the down button?

Dragonman: uh, yeah...

twoheadedreptile: well, I got nothing.

Dragonman: uh, thanks.

Besttrainerever!: Fishlegs, figure out how to get out of this bush! It's taking forever!

Dragons4ever!: hey, you could help too you know! But, I think if I go right, and you go left, we'll get free. You press the left arrow button.

Besttrainerever!: ugh. Dude, it's not working.

Dragons4ever!: awe man, I was sure that it'd work.

Dragonman: join the club guys.

The-axe-gal: you're _still_ stuck in that tree that we passed a long time ago?

Dragonman: yeah... but I'm not dead yet. :)

Speedster88: well, that's a plus- forget it.

Dragonman: what?

Tailwhipper: Toothless, you died didn't you?

Speedster88: ...I don't wanna talk about it...

Oldest-twin: uh, yeah it's best that we don't.

The-axe-gal: he was still going backwards, hit a jump, slammed into Tuff, and they both somersaulted, created the biggest snowball ever, and fell off of the cliff and hit a tree at the bottom.

Speedster88: what part of "I don't wanna talk about it" didn't you understand?

The-axe-gal: that didn't mean that _I _didn't wanna talk about it! ;)

Speedster88: ... you muffin fritter...

Dragonman: uh, muffin fritter?

Besttrainerever!: oh, I get it haha!

speedster88: wait. You do?

Besttrainerever!: autocorrect. But uh, yeah, yeah I still get it. Lol. Surprised that Hiccup doesn't considering that he thinks he's "so smart" and all.

Dragonman: hey!

Bad**Dragon**: um, I don't think you want to know what he meant. Haha.

Dragonman: oh boy.

Older-twin: wow. I just collected a boot.

Tailwhipper: ...a boot?

Older-twin: a boot.

Rocklover: what's it used for?

Older-twin: no idea.

Bad**Dragon**: what the heck would a boot be up here on a mountain anyways?

Oldest-twin: ah! I was going really fast and hit a tree! My skiis fell off! Along with my boots, so sis if you could grab those that would be great!

Bad**Dragon**: uh, ignore my question.

Older-twin: ha, sure I picked up a boot, but I ain't picking up yours! See ya! Hey cool! A biscuit!

Besttrainerever!: what the- my ski just flew up and hit me in the face!

Dragons4ever!: uh... yeah that was weird...

Oldest-twin: awe man. I just died. Well thanks _sister_. If that's who you REALLY are!

Bad**Dragon**: a biscuit. What- ah forget it. This level is weird.

Older-twin: Tuff, what do you mean?

Besttrainerever!: how can we STILL be stuck!

Oldest-twin: WELL. Let me tell you. First of all, you're _reading_. Second of all, you don't even _try_ to help me? And third of all, that means you're an IMPOSTER!

Dragons4ever!: hm... Hiccup what's your situation?

Older-twin: uh, First of all, those books are cool. Second of all, I'm not helping because I'm trying NOT to die, and THIRDLY, the only imposter is IamAWESOME.

Tailwhipper: ooh, she's got ya there!

Dragonman: uh, well Fishlegs I'm uh, still stuck. In the same tree. I've tried absolutely _everything_ I could think of.

Besttrainerever!: yeah that helps us plenty.

Oldest-twin: yeah well... FINE whatever.

Besttrainerever!: what?

Oldest-twin: not _you!_

Besttrainerever!: okay, sheesh.

Dragonman: I don't know what I'm doing wrong, my character's just not moving at all.

Dragons4ever!: hm, maybe you are dead, but the thing isn't working or something.

Dragonman: maybe.

twoheadedreptile: try hitting it.

The-axe-gal: what good would that do?

twoheadedreptile: um... maybe the box is stuck?

Dragonman: I don't think it's the box, I saw all of you guys fly past me. Uh oh, that snowman is coming after you guys, I just saw it!

Older-twin: another one? I'll take it like I did the last one! Piece of cake!

Tailwhipper: uh, yeah. Oh hey, I just did a trick on a jump! :) I think it was a front flip.

Speedster88: what do you mean you think?

Tailwhipper: well, I was kind of only half paying attention.

Speedster88: oh. It's a good thing you didn't die.

Bad**Dragon**: yeah like you did just now.

Speedster88: WHAT! OH COME ON!

Tailwhipper: ooh, sorry!

Speedster88: it's uh, it's okay... I blame Snotlout.

Besttrainerever!: WHAT? Why? How is YOU dying, MY fault?

Speedster88: well... if I recall, YOU were the one to press the "Click Me" thing from the very beginning. THEN you clicked the "yes" thing.

Besttrainerever!: oh come on, Hiccup, tell your dragon that's not a valid answer!

Dragonman: uh, I'm stuck in a tree here, and also, if you hadn't clicked that button, I wouldn't be wondering why I'm still stuck.

Older-twin: ha! He's got you there! :)

Besttrainerever!: don't you have some collecting to do?

Older-twin: actually I've collected it all, including some weird ring. It has some kind of immense power that could rule the word. I found it in a hidden cave.

Oldest-twin: no seriously, stop reading, it's making you sound like Hiccup or Fishlegs!

Dragons4ever!: HEY Tuffnut!

Oldest-twin: what?

Older-twin: oh yeah, I'm also waiting for you guys down at the bottom of the mountain.

Bad**Dragon**: wait. How did you do that without- uhm, doing what I just did...

Older-twin: without dying? Oh, that's easy. Collecting the objects intrigued me and helped me focus.

Bad**Dragon**: of course.

Oldest-twin: see? _Intrigued_. You sound just like them!

Dragonman: actually, I can't remember the last time I used that word.

Dragons4ever!: yeah, same here.

Oldest-twin: oh.

Older-twin: ha!

The-axe-gal: oh cool, I'm at the bottom now. :)

Older-twin: sweet! So that means that the rest of you aren't far behind! :)

Dragonman: *sigh...* not exactly...

Bad**Dragon**: THAT STUPID SNOWMAN!

Tailwhipper: finally! I'm at the bottom! Yes!

Rocklover: me too!

Dragons4ever!: I'm gonna make it!

The-axe-gal: wow. We might not have to wait long after all!

Dragons4ever!: ooooooh fuuuuuuuuudge...

Dragonman: fudge. Right.

Besttrainerever!: so, you get fudge, but not muffin fritter?

Dragonman: hey... give me a break, I'm still stuck in the tree.

Besttrainerever!: haha.

Speedster88: hm, break... _OOPS_ I died... again... I'll be back...

The-axe-gal: I know he's suppose to be mysterious and all, but seriously?

Rocklover: yeah, it's adorable though how he tries to keep it up.

Speedster88: I am NOT adorable.

Dragonman: hahaha!

Speedster88: I wouldn't be laughing at your saviour! :P

Dragonman: what?

Older-twin: yeah, what are you gonna do? He's stuck. Almost permanently.

Dragonman: uh, thanks.

Older-twin: oh sure.

Speedster88: I'm gonna give him a break.

Dragonman: and I repeat- what?

The-axe-gal: what's happening? We can't see it here at the bottom of the mountain!

Dragonman: okay, he's coming down into view, and he's- whoa. He slammed into the tree causing to- well, break. I'm free!
:D

Speedster88: you're welcome.

Dragonman: oh, yeah, thanks! Okay, no more dying for me, I'm coming!

Speedster88: me too! :D

Dragons4ever!: alright I made it! WHOO HOO!

Bad**Dragon**: yeah! Finally! Man, that was a hard level.

Besttrainerever!: ha, tell me about it. I keep- OH COME ON. I was almost there! Stupid snowman.

Older-twin: hey Astrid, there's another cave over here.

The-axe-gal: what? Really?

Tailwhipper: this game sure does love it's caves.

Dragons4ever!: ooh, what's in it?

Dragonman: hey! I made it! So, what's this about another cave?

The-axe-gal: I'm thinking it's the entrance to the next, and final, level guys! :)

Besttrainerever!: sweet! Take that snowman! Haha! I'm on my way!

Speedster88: ugh, man, I did NOT want to go back to level one again, thank gosh I don't have to!

Bad**Dragon**: yeah, you're not much of a jumper are you?

Speedster88: oh shut up.

Older-twin: oh cool, I just found a key.

The-axe-gal: a key to what?

Besttrainerever!: the key to your heart?

The-axe-gal: hey!

Besttrainerever!: oh come on, did you really have to kill me?

The-axe-gal: yes.

Dragonman: guys, not now, we're almost done! Okay, let's just go into the cave.

twoheadedreptile: hey, I'm here! What's up?

Older-twin: we were about to enter this cave to the next level! :)

twoheadedreptile: sweet! Okay, let's go!

**Welcome to the final level. Level Ten.**

Oldest-twin: okay guys, I got my boots back, and I'm finally here at the bottom! Where'd you go?

A/N: hope you liked it!

Sorry for the wait.

Please feel free to R & R! :D Feel free to suggest topics for future chapters! :)

31. Proposal

A/N: so, I felt bad that you guys had to wait so long for the last chapter, so here's two in one day! :) Seriously. I finished up chapter 30 and wrote this one today. It was a challenge, but I did it! Enjoy!

Dragons4ever!: guys I have a proposal!

The-axe-gal: please don't let it be something "D.U.M.B." related. I don't want another sash.

Dragons4ever!: what? No! That's not it! And that's not what I meant!

Bad**Dragon**: ha, remember that time when we played that game all day and on the ninth level Hiccup got stuck in that tree?

Besttrainerever!: oh yeah haha. Man, that was some game.

Rocklover: while it was kind of annoying, it was actually pretty fun. :)

The-axe-gal: yeah, the ending was kind of crazy though.

Besttrainerever!: yeah, that monkey king came out of nowhere in the last level! It was so crazy how everything happened!

Dragons4ever!: speaking of coming out of nowhere- guys, I have a PROPOSAL!

Tailwhipper: oh, sorry Fishlegs, what was your idea?

Dragons4ever!: what? NO! I mean proposal.

Rocklover: uh huh... we got that. Now what is it?

Dragons4ever!: no, no! _Proposal_. Not proposal. _Proposal._

Bad**Dragon**: what, you're getting married? Aren't you only like fourteen?

Dragons4ever!: omgs! NO I don't mean proposal! I'm saying proposal!

The-axe-gal: so what is it?

Dragons4ever!: GAH! WHY IS IT SAYING PROPOSAL! Okay, I mean: P-R-O-POSAL

Besttrainerever!: uh, yeah, we get that.

Dragons4ever!: oh for the love of- some weird random girl just appeared in my room!

Bad**Dragon**: so, you're proposing to her?

Dragons4ever!: NO!

Bad**Dragon**: okay, okay.

Besttrainerever!: what does she look like?

Dragons4ever!: why do you wanna know? The point of this is that she just appeared out of nowhere like those books appeared in Ruffnut's room!

The-axe-gal: snotlout you prat.

Besttrainerever!: what?

Tailwhipper: well, one, you don't even know her, and two, apparently she just appeared out of nowhere. So you don't know if she's "good" or "bad."

Dragons4ever!: that's what I'm saying! It's real big proposal!

The-axe-gal: why do you keep saying proposal?

Dragons4ever!: ...that's also what I'm saying... over, and over again...

Rocklover: well, whoever she is, hopefully she's nice.

Besttrainerever!: yeah, and hot!

Dragons4ever!: you have a proposal.

Besttrainerever!: uh, I'm only fourteen. Duh. No I don't.

Dragons4ever!: NO, not prop- ugh. I should just give up trying to say proposal.

Rocklover: uh, Fishlegs?

Dragons4ever!: awe man, I thought that would work!

Tailwhipper: uh, so back to this girl that appeared out of nowhere?

Dragons4ever!: right. Well, she kind of looks confused as to where she is, so, that could mean that she's a good person and here by accident.

Besttrainerever!: okay, now that we know that much, what does she look like?

Dragons4ever!: _Writing..._

Dragons4ever!: ugh, dude I- okay fine. Here it is. She has dark black hair with a blue streak that fades into pink in her bangs, (I find that really weird, how could she do that anyways?) She's wearing a purple shirt and a jacket made out of- a dark red leather or something? Oh, oh, her hair wasn't the weird thing- she's wearing pants. Like men do. Oh, and some weird looking footwear with string tied in bows. They're too short to be boots I think. She also has slightly darker skin than we do. It's like she's been out in the sun for a long time and now it's permanent, and her eyes are green.. It's

like she's not from around here. Well, that part is pretty obvious I guess. Haha. Considering she just appeared like that.

Besttrainerever: hm... she sounds hot! :)

the-axe-gal: ugh, dork. But she does sound pretty, and different. Hey, shouldn't Hiccup be here? I mean, he should probably know about this.

Bad**Dragon**: yeah, but I don't know where they are. Toothless said something about going flying, but that was it.

Dragons4ever!: oh yeah, she's also holding this weird medallion looking thing. Huh... looks ancient. I wonder where she got it.

Rocklover: what does that thing look like?

Dragons4ever!: it's circular, and golden, with a chain, like a necklace, I can only see the back of it though, so I don't know what the other side looks like.

Rocklover: interesting.

Dragons4ever!: huh. Here's something I somehow didn't notice before, she's carrying something on her back. It's got a weird shape. I have no clue of what it could be.

Tailwhipper: hm, that's certainly is strange.

The-axe-gal: huh, now I want to strangle her.

Dragons4ever!: uh, what?

The-axe-gal: oh fritters. I meant strangle.

Dragons4ever!: that's what it's doing to me! Proposal.

The-axe-gal: man, this thing is way off. Strangle.

Besttrainerever!: wow Astrid, I know you had issues when Heather came to Berk, but seriously?

The-axe-gal: S-P-E-A-K TO HER! NOT strangle. Man. Where does autocorrect get these words from? Gees, Fishlegs, you were right, that is SO annoying!

Dragons4ever!: and I repeat- that's what I'm saying!

Bad**Dragon**: uh, okay, so who _is_ this girl?

Dragons4ever!: I don't know, but she keeps looking at me weird- oh wait, one of these boxes appeared in front of her. Maybe she can communicate with us through here.

_**Mysterygirl**__ has logged on_

Tailwhipper: hi I'm Stormfly. What's your name?

Mysterygirl: hi there. I'm Chikako. The way to pronounce it is Chi-kah-koh. You pronounce the I the same as you would in the word "In."

The-axe-gal: hi Chikako, I'm Astrid, I'm just curious as to how you got here? Apparently you're in Fishlegs' room?

Dragons4ever!: oh, yeah, that's me. Fishlegs.

Mysterygirl: uh, Fishlegs... okay. Well, to be honest, I have no idea how I got here. One minute I'm in my uncle's attic, I find this watch, it's a device that tells you the time of day, I try to fix it because it was WAY off, and I ended up here. Yup. That's my story.

Bad**Dragon**: uh, hey there, I'm Hookfang, uh, you're not like IamAWESOME, are you?

Mysterygirl: who?

Bad**Dragon**: oh uh, never mind!

Rocklover: I'm Meatlug! Hm, Chikako. What does your name mean?

Mysterygirl: haha, it means "clever" which is ironic because I am clearly not. Considering that I am somehow in your world now...

Dragons4ever!: wait, where are you from?

Mysterygirl: judging by what kind of building I'm in, and what you're wearing, I uh, I think I had just time travelled.

Besttrainerever!: you're from the FUTURE! Oh, I'm Snotlout by the way.

Mysterygirl: uh, hi. Oh, and yeah. I think so. But I still don't know where I am. Oh, who are you guys?

Dragons4ever!: you my new found friend are on the small island of Berk. Land of the Vikings.

Mysterygirl: ...uh, Vikings? Seriously? I travelled THAT far back in time?

Tailwhipper: um, just what time period are you from?

Mysterygirl: uh, I'm from the year 2014... things are VERY different there.

The-axe-gal: wow. I'd imagine. So, are Vikings still

around?

Mysterygirl: sorry guys, if they are I don't know about them. :(

Besttrainerever!: awe. Oh hey, on a scale of one to ten, ten being super hot, one being, well, not, what would you rate yourself as?

Mysterygirl: Jack Frost.

Besttrainerever!: what?

Mysterygirl: you're lucky autocorrect changed what I originally put.

Besttrainerever!: oh, uh, haha... um... Fishlegs! Buddy, pal, uh, say something! Now!

Mysterygirl: wow. Vikings sure have different names.

The-axe-gal: well, Chikako, your name isn't exactly common here either.

Mysterygirl: haha, I guess so. :)

Bad**Dragon**: oh yeah, and I'm a dragon. So is Toothless.

Mysterygirl: wait. What?

Tailwhipper: um, have you heard of a dragon?

Mysterygirl: oh, oh yeah. I've definitely heard of them. But I've just never communicated with a dragon through speech. DRAGONS ARE REAL HERE?!

Rocklover: of course we do. Wait, dragons don't exist in your world?

Mysterygirl: no, sorry, you guys are legends and myths and such.

Besttrainerever!: well, that's sucks.

Mysterygirl: can I ask a question? Which of you are dragons and which of you are humans?

Dragons4ever!: well, I can answer that, of course you know I'm human (duh,) Astrid is human, Snotlout is human, and the other three are dragons. :) The other three being Hookfang, Stormfly, and Meatlug.

Mysterygirl: oh, okay. Hold on, if you guys are Vikings and Dragons, how do you have computers?

The-axe-gal: have what?

Mysterygirl: these boxes. They're from my time. They're called

computers. Oh, you pronounce that like this: come- pew- ter. It's just a form of communication really. Plus, they let us connect world wide. :)

Rocklover: world wide? Wow. That's really cool!

Mysterygirl: yeah it is, you can communicate with someone that's half way around the world!

Dragons4ever!: wow. Your time sounds so interesting!

Mysterygirl: I wonder how I'm going to get home...

Dragons4ever!: hm. Well, considering that you time travelled, I think this could be a proposal.

Mysterygirl: wait. What? Dude, we're only like what fourteen? I know some places have arranged marriages and such, but come on.

Bad**Dragon**: ah ha ha! Man, if only Toothless were here...

32. Level 10: Or It Takes You!

A/N: Uh, SOOO

about?

Tailwhipper: not how everything will return to normal after this?

Besttrainerever!: yeah why aren't you?

Rocklover: oh boy.

Besttrainerever!: what?

Dragons4ever!: hey guys, where are we?

Older-twin: ha, it looks like we're in a desert.

Speedster88: what would we have to do in a desert?

Older-twin: fight off mummies?

Oldest-twin: but mom is out with Astrid's mom though.

Older-twin: no, not- oh forget it.

Dragonman: they're like zombies. Only wrapped up in white cloth. Wait, Ruff how did you know that? I mean, well, the only books you've read were those wizard ones, and... what was the new one?

Older-twin: the new one was about dwarves recruiting a hobbit, to take back their mountain kingdom that was taken by a huge evil dragon.

twoheadedreptile: man, that puts a bad spin on us. :(

Older-twin: yeah kinda, but there's another one, and I think this is another series, but they're related. It's weird though, this newer one is about some other hobbit and a dark and powerful ring that could rule the world. Oh and so far there aren't any dragons in it.

Dragonman: huh. Sounds interesting.

Besttrainerever!: uh, what's that flying around in the background?

Speedster88: ...looks like some kind of cloth...

Dragons4ever!: wait, I think it's a carpet.

The-axe-gal: random place for a carpet.

Dragons4ever!: WAIT! I think I know something about this. It's a flying carpet! Cool!

Oldest-twin: a what?

Dragonman: oh, I think I've heard of this too. Yeah, it's like just a carpet, but it can fly.

Bad**Dragon**: what do you mean "it can fly"? If I'm right, (which I am,) last time I checked, carpets don't move by themselves.

The-axe-gal: huh. He's _actually_ got a point.

Bad**Dragon**: thanks. Wait. Hey!

Dragonman: um... Legs, could you uh, help me out here?

Dragons4ever!: okay think of it like this: the carpet is like a dragon. It flies, only it doesn't have wings, claws, legs, arms, scales, horns, a face, ears, a tail, it doesn't breathe fire um...

Dragonman: uh... good work?

Dragons4ever!: ...

Older-twin: I still don't get it. How could it be like a dragon, if it doesn't have all of that?

Dragons4ever!: um, okay think of it like this instead: it's like a flying sheep. Just without the legs, face, and inside parts.

Speedster88: um... what?

Dragonman: uh... Legs?

Dragons4ever!: um...

The-axe-gal: how can it be like a sheep if it doesn't have all of that then?

Older-twin: exactly! That's what I'm saying!

Dragons4ever!: MAGIC HELPS IT FLY!

Besttrainerever!: why didn't you just say that in the first place? That would have saved us some time!

Dragons4ever!: what time? We haven't started yet.

Besttrainerever!: I meant time as in daylight-DUH...

Dragons4ever!: yeah. You know it's ten in the morning?

Besttrainerever!: you`re just asking to be defeated in this level you know.

Dragons4ever!: that would be true... if you had read up on the level and I hadn't.

Besttrainerever!: yeah well... shut up!

Speedster88: that's your best come back?

Besttrainerever!: ... I panicked.

Speedster88: uh huh...

Rocklover: hey. Has anyone else noticed that the information on the next level only appeared on Fishlegs' thing?

Dragonman: yeah we did.

Speedster88: we just didn't say anything.

The-axe-gal: it just wasn't important.

Besttrainerever!: besides you thought that _we_ were gonna _read_ it?

Oldest-twin: while we're still _alive?_ Right Ruffnut?

Older-twin: oh sorry guys I was caught up in the book and forgot to add into the conversation. What's happening?

Oldest-twin: crap.

Older-twin: oh okay thanks, gonna read more.

Bad**Dragon**: besides, you know, Fishy is just the first one to read everything. Well, other than Hiccup.

twoheadedreptile: it's not like anyone really cared.

Dragons4ever!: Fishy?

Tailwhipper: we're not saying we didn't care _at all_, just that we figured everyone knew.

Rocklover: none of you knew huh?

Dragonman: uh, no. wait. You knew that we didn't know?

Rocklover: duh, of course I knew you didn't know? I knew you'd say something as though you _did _ know, so I pretended not to know about you guys knowing it... um...

Bad**Dragon**: wait what?

Rocklover: uh, never mind. Anyways, what are we doing in this level Fishy?

Dragons4ever!: Fishy? Uh, we have to find a lamp? That's uh, that's all it says...

Besttrainerever!: read up on this level huh?

Dragons4ever!: ... oh shut up.

twoheadedreptile: what the heck is a lamp?

Dragons4ever!: it uh, it doesn't say. It just says and I quote: "Your goal is to find the lamp."

Bad**Dragon**: that's it? Come on Fishy, there's gotta be more.

Dragons4ever!: again with Fishy... nope sorry, that's it.

Besttrainerever!: don't lie to me Fishy...

Dragons4ever!: I'm not, and Fishy? Seriously?

Dragonman: so that's really it?

Dragons4ever!: YES! OMGS guys, that's IT!

Dragomnan: well, alright then. Let's find that lamp! Whatever it is...

Rocklover: uh, yeah. So what, we do we just move around until we come across something?

Older-twin: hey check it out, I found something. It's not the lamp, but I found something. It's weird.

Speedster88: weird how?

Older-twin: well... it looks like a stone, but it's not a stone. It also looks like a gem, but it's not a gem...

Tailwhipper: that is weird. Pick it up and see what it is.

Older-twin: oh hey it's some type of jewelry... Ew. Anyone else want it?

The-axe-gal: nah. What do you use it for?

Older-twin: uh, it doesn't say. It just asked me if I want to keep it. Meh, if it's no good for anything, I'm leaving it.

Besttrainerever!: ah! I disappeared!

Dragonman: what? How?

Besttrainerever!: you think I know?!

Bad**Dragon**: dude, tell us what happened and we'll find you.

Besttrainerever!: uh, I don't think you will.

The-axe-gal: why not?

Besttrainerever!: because I think I'm underground...

Speedster88: ...how...

Besttrainerever!: oh for- I DON'T KNOW! I was just standing by that weird looking shack, and I just fell into the ground!

Older-twin: quick sand?

Dragons4ever!: hm, maybe, this is a desert... you know about quick sand?

Older-twin: yeah. Why?

Twoheadedreptile: there's food?

Dragons4ever!: no not- oh forget it...

Dragonman: wait. Shack? There's a building near by?

The-axe-gal: Snotlout, where were you?

Bestrainerever!: by the shack

Speedster88: gee thanks.

Bestrainerever!: by the shack to the right of you, duh.

Dragonman: what- how did we miss that?

Rocklover: does it matter?

Dragonman: uh, right. So, Snotlout you were right about here?

The-axe-gal: so much for the flying carpet.

Dragons4ever!: we'll get it later.

Besttrainerever!: yeah. I was going to enter the shack when I sunk. Now I don't know where I am.

Dragonman: okay guys, let's sink!

Speedster88: you realize that in a _real_ life situation we'd never do this.

Dragonman: yeah. But this isn't a real life situation at the moment.

Speedster88: okay fine. Let's go save Snotty.

Besttrainerever!: hey. I despise that nickname.

Speedster88: okay, let's go save Snotster.

Besttrainerever!: you're asking to be sent back to level one you know.

Dragonman: guys, I thought we settled this.

Speedster88: did you really think it'd be that easy?

Dragons4ever!: hey guys we're all waiting on you! Hurry up and sink already!

Besttrainerever!: yeah doofus! Stop chatting and come save me!

Dragonman: alright, alright. We're coming Snotty.

Besttrainerever!: ... do NOT start that...

Oldest-twin: whoa... we're in some kind of under ground sand cave. Cool!

Tailwhipper: okay, so where should we start? Right? Left?

Dragonman; um, hey how about down? There's a gigantic hole right there.

Bad**Dragon**: yeah alright. Sounds good. Let's jump!

Speedster88: again, in real life...

Dragonman: again, this _isn't_ real life...

Tailwhipper: stop bickering and come on!

Speedster88: we weren't bickering!

Besttrainerever!: ha, you made them sound like an old married couple!

Dragonman: ... yeah you know you're not the only one who can send people back to level one, right, Snotty?

Besttrainerever!: no comment.

Older-twin: hey what's that weird gold thing sitting on that rock?

The-axe-gal: hey! Is that the lamp?

Older-twin: I'll check it out.

Rocklover: hm. It's got a really weird shape to it.

Older-twin: okay, this bubble popped up and it says "rub me." weird...

Speedster88: well, reinstate it then.

Bad**Dragon**: what?

Speedster88: ... meant rub... wow autocorrect... wow.

Older-twin: lol but okay.

Speedster88: again though in real life you know...

Dragonman: oi. Stop it with the real life stuff! This isn't real life!

Dragons4ever!: uh, should we be worried about that fog that's coming from the thing?

Bad**Dragon**: don't worry about it Fishy. It's probably nothing.

Dragons4ever!: are we all getting new nicknames or something?

Besttrainerever!: look Fishy, stop being so fussy with every little thing!

Dragons4ever!: okay Snotty.

Besttrainerever!: ... no comment...

Oldest-twin: oh my gosh! Something's coming out of the thing!

Bad**Dragon!**: that's what she said! Ah haha!

The-axe-gal: ugh. Boys.

Bad**Dragon**: seriously though, what is it?

Dragonman: it looks like a human but...

Twoheadedreptile: dudes it's got no face!

Tailwhipper: that's not the proper way to arrange a sandwich.

Twoheadedreptile: ... I... know?

Tailwhipper: oh boy. I meant sentence. Oi autocorrect.

Speedster88: what's with you and grammar?

Tailwhipper: eh, I don't know.

Speedster88: not that it's a bad thing...

Older-twin: ugh. Stop flirting and help us out here! The dude looks like he's about to attack!

Speedster88: what? I wasn't, uh, we weren't...

Besttrainerever!: he's got no face! Why doesn't it have a face!

Twoheadedreptile: that's what I'm saying!

Dragonman: why is it wearing a suit like Europeans?

The-axe-gal: THAT'S what's you're wondering about? Not the fact that he's faceless and white as snow?

Dragonman: uh, apparently.

Speedster88: wait. Hiccup, how do you know what Europeans wear?

Dragonman: Trader Johann.

The-axe-gal: because he's such a reliable source.

Dragonman: hey, he's travelled the world more than you have.

The-axe-gal: alright, that part may be true, but still, his stories are a bit... hm...

Bad**Dragon**: out there?

The-axe-gal: yeah.

Dragonman: guys, he travels the WORLD. What have we done?

Speedster88: save Berk?

Tailwhipper: multiple times?

Dragonman: ...well... yeah. But my point is that maybe someday WE should travel. You know, see what's out there. See what Johann sees pretty much all of the time.

Bad**Dragon**: I'll admit it, it sounds cool... I've never really been farther than Egg Island.

The-axe-gal: Egg Island?

Bad**Dragon**: the place where we mate?

Rocklover: it's uh, it's not called that.

Bad**Dragon**: it's a better name than what it's actually called!

Tailwhipper: no, uh, no it's not.

Speedster88: hey it's not *******.

Tailwhipper: hey! Don't swear!

Speedster88: ah! I didn't! I swear it was autocorrect!

The-axe-gal: you realize you just counteracted your statement.

Speedster88: ... whatever.

Besttrainerever!: hey guys? If you take a break from talking about Johann, mating and swearing, you'll see that we've got a problem?

Dragonman: what's that? And for the record you made it sound weird by saying it like that.

Dragons4ever!: no, no he didn't. And we've been sent back to LEVEL ONE!

Bad**Dragon**: ...

The-axe-gal: ...

Dragonman: ...

Speedster88: ...

Rocklover: ...

Tailwhipper: ... SON OF A

**To be continued...**

A/N: ah haha Stormfly got cut off! Lol Again, I"m SOOOO sorry for the long waits on all of my stories! Well, it's summer time now so I should be able to write a lot more! :D

Oh, and uh, sorry for the inappropriate joke in there. The uh, the one that Hookfang makes lol. I couldn't help it. Once I wrote that sentence, I had to haha. This is rated T. Anyways, there are also a couple of references to a couple of well known movies in here as well! They're probably fairly obvious, but I'll let you tell me what they are. ;)

Well, R & R please! :)

33. Say What Now?

A/N: uh, sorry about that wait guys. It wasn't as long as the last one though, right? But, I too felt as though the chapter "Proposal" needed to be continued. So, here it is! :)

Mysterygirl: So, what else do you guys do on here besides chat?

Dragonman: what do you mean?

Besttrainerever!: We played a weird game thing that had ten levels. If you got hit too many times you had to go back to level one.

Mysterygirl: oh, that game. That one was tricky. But, I mean like, do you go to other websites?

Dragons4ever!: other what?

Mysterygirl: websites. You see that little rectangle at the top? You can use that to go to different websites. Like for instance, this one is .com. There are other chatrooms besides yours you know. Oh, and other websites.

Besttrainerever!: WHOA, whoa, whoa! Are you saying we can do a lot more on here that talk to each other?! I KNEW IT! TOOTHLESS YOU OWE ME SOME FISH!

Speedster88: awe crap. Fine, whatever.

Mysterygirl: ooh, one of you type in . It's a great site! It's got loads of videos!

The-axe-gal: loads of what?

Mysterygirl: uh... I'm probably not the best person to explain. But just click on an image with a title that interests you, and watch.

Older-twin: ha! I'm watching this one about cats. These animals are SO stupid.

Mysterygirl: oh! Is the title 'If it fits, I sits'?

Older-twin: yeah. Wow. This is weird. I didn't even know these 'cat' creatures existed.

Mysterygirl: ha! That's a good one. There are literally thousands of other videos to watch. Just click one, and it plays.

Dragons4ever!: so what's this fanfiction one?

Mysterygirl: oh, uh, I wouldn't click on that one actually.

Bad**Dragon**: why not?

Mysterygirl: uh... it's uh... got a virus?

Dragonman: hey guys it's got all kinds of stories on here.

Mysterygirl: NO! DON'T! Um, your computer will

crash!

Twoheadedreptile: our what?

Mysterygirl: these box things!

Dragonman: hey there's a title called 'how to train your dragon.'

MysteryGirl: AH NO! DON'T CLICK!

The-axe-gal: hey if you go to Google you can look up pictures. Cool. Uh, it's sometimes weird and disturbing though.

Mysterygirl: uh, yeah. It needs to be fixed a little.

Dragonman: uh, guys on this Fanfiction website, there are stories about us. They're under the title 'how to train your dragon.'

Mysterygirl: NO! UGH. You stupidhead! I told you not to click on it!

Oldest-twin: stupidhead? I like it.

Rocklover: I found recipes for different meals! Yum... I wonder if they have different rock recipes.

Mysterygirl: perhaps I shouldn't have said anything.

Older-twin: ha! Now I'm watching this Ellen person make another person say stupid stuff to random people! It's hilarious!

Mysterygirl: oh yeah Ellen's an amazing person! I love her! (In a non creepy way of course.)

Speedster88: what the heck is anime?

Mysterygirl: oh, it's a type of drawing style.

Speedster88: it's weird, but funny lol.

Mysterygirl: what exactly are you doing?

Speedster88: I'm on this site with different anime uh, 'videos' as you call them. Watching this one called 'InuYasha.' It's really weird.

Mysterygirl: oh yeah, I watched that. It's actually a pretty good story! I think you'll like it. It's got action, adventure, it's a fantasy- it's even got a good romance story.

Speedster88: romance? Ew. Never mind.

Mystergirl: what do you mean ew? I've heard that you've been trying out a little romance yourself you know.

Speedster88: what? No...

Dragonman: you guys! Someone posted all of our chatroom conversations on this Fanfiction site!

Speedster88: Hiccup, thank gosh. Wait. What? Who? When?

Oldest-twin: when? Where? Why? And How? Haha!

The-axe-gal: how old are you?

Oldest-twin: fourteen, why?

The-axe-gal: uh, never mind.

Dragonman: just look up ' .' Then go to movies, and find 'How to Train Your Dragon.' The title of this is simply called Chatroom.

Tailwhipper: ugh, that is such an unimaginative title. Couldn't they think of something better?

Rocklover: like what?

Tailwhipper: I don't know. Something better than _Chatroom._

Dragonman: wow. It's got like thirty-two chapters of our conversations! Including one with Dagur and Alvin.

The-axe-gal: wow. There are millions of stories about us! I'm famous!

Besttrainerever!: don't let it go to your head.

The-axe-gal: you're just peeved that there are more stories about _me_, than there are you.

Besttrainerever!: what?! Okay, where do I find this thing?

Speedster88: ha! This InuYasha guy totally just got owned by this Kagome girl! Nice!

Mysterygirl: ooh, what part are you at?

Speedster88: she just came up with the 'sit boy' thing.

Mysterygirl: ha! I love it when she does that. She does that a lot actually.

Speedster88: sweet.

Older-twin: ha! These bad lip reading 'videos' are funny! It looks like they're actually saying it!

Mysterygirl: hahaha! Totally forgot about those! Man, I should

re-watch them. It's been a while...

Dragonman: oh gods...

Mysterygirl: um... should I ask?

Dragonman: these fanfiction people are
disturbing!

Mysterygirl: uh...

The-axe-gal: I KNOW right? They can't get my character right AT ALL! It's so annoying. Plus, in some they've paired me up with... *shudders* Snotlout! Ugh! Of all people! Really?
Him?!

Dragonman: ... I'm leaving this site. It's too
disturbing.

The-axe-gal: why? They've only paired you up with original characters, and Ruffnut.

Dragonman: Do NOT explore that area anymore!
Please!

The-axe-gal: ... alright. I'll look up this 'InuYasha' thing Toothless is watching. It sounds interesting.

Dragonman: thank you.

The-axe-gal: uh, sure?

Mysterygirl: okay, phew, that was close.

Dragonman: tell me about it.

Besttrainerever!: AH! I can't believe it!

Dragonman: crap! I forgot you were on that
site!

Besttrainerever!: I'm not some wannabe loser on the inside! Seriously! I do NOT have a thing for Ruffnut! OR ANYONE ELSE FOR THAT MATTER! EW!

Older-twin: huh. This Vsauce guy makes interesting points about scientific stuff. Like what exactly is random in the
world.

Oldest-twin: ...wait. You're watching stuff about
science?

Older-twin: um... no?

Oldest-twin: ... -.- who the heck are you and what have you done with my sister?!

Older-twin: this Ryan guy is pretty funny! But the Smosh people are weird... I don't like them that much.

Bad**Dragon**: wait, what are you doing again?

Older-twin: I'm on Youtube. It's awesome!

Rocklover: wow. There's a whole other world on this thing! But some of it's really weird...

The-axe-gal: oh I know right? Something pops up, and I'm just like 'that's not what I asked for stupid' lol.

Rocklover: ha! Yeah totally!

Older-twin: OH MY GOSH! Someone posted videos of US on here!

Dragonman: WHAT?! Is it like the stories on Fanfiction or...

Older-twin: dude... it's like our EXACT lives! From the time you started the academy up to Alvin joining us again! It's SOOOOOOO creepy! ...did I actually act like that?

Dragonman: uh... well, I'm not gonna lie, um, yeah. Yeah, you did.

Older-twin: every one of these things seem to revolve around you though. It doesn't have the time Tuff and I destroyed this weird rock statue, or the time Snotlout accidentally ate bugs while flying, OR the time we totally pranked you good!

Dragonman: ... that was one time. Though, I'm glad it's not on there... Snotlout ate bugs? When?

Dragons4ever!: so, do they have it like, word for word?

Older-twin: yup.

Besttrainerever!: do... they have the time I destroyed Mildew's roof?

Older-twin: yup. They've got all of your stupid moments, except the time you accidentally ate bugs while flying.

Besttrainerever!: stupid moments?

Dragonman: seriously, when did he do that?

Tailwhipper: what _I'm_ wondering is... who the heck would post stuff about our lives on this thing for others to see? It's a total invasion of privacy!

Bad**Dragon**: hm, I think I know who!

_**IamAWESOME**__ has logged on_

The-axe-gal: speak of the literal devil.

Speedster88: whoa. This demon slayer's got

skills!

IamAWESOME: wait. Are you watching InuYasha?

Dragonman: you got that from demon slayer?

IamAWESOME: YEAH! IT'S LIKE ONE OF THE BEST SHOWS OUT THERE! DUUUUUUUUH!

Dragonman: ... uh...

Tailwhipper: oh good. I've got a bone to pick with you!

IamAWESOME: what bone?

Tailwhipper: did you post videos about our lives on youtube?

Dragonman: ...and... and written stories on fanfiction?

IamAWESOME: no.

Besttrainerever!: I demand that you tell us the truth you freak of nature!

IamAWESOME: uh, I am. I did not post anything. I don't even have a Fanfiction account... wait. I should get one... I've got some good ideas.

Dragonman: NO!

IamAWESOME: wait. Fanfiction? Youtube? YOU HAVE EXPANDED YOUR HORIZON! CONGRATULATIONS! WOOT, WOOT!

Mysterygirl: oooh... this is who you were talking about earlier...

IamAWESOME: I'm talked about? AAAAAAAAAAAAAAAWE! You guys!

Mysterygirl: so who are you?

IamAWESOME: just a girl. That rules over everyone! MUAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA!

Mysterygirl: ...you sound like one of my friends... Azami is that you?

IamAWESOME: nope sorry. Different gal! Wait. Are you Japanese?

Mysterygirl: yeah, my names Chikako. What's yours?

IamAWESOME: uh, yeah. No one's gonna know! Hahahahahha!

Mysterygirl: yeah you definitely sound like Azami... weird. But

that means I can handle you! Ha!

IamAWESOME: dang. Oh well. I guess I should have seen this coming eventually!

Rocklover: oh, uh, Chikako, what does Azami mean?

Mysterygirl: it means 'the flower of a thistle.' I know it's pretty weird. I don't understand some of the definitions of names.

Rocklover: interesting. Thanks!

Mysterygirl: sure, no prob!

Besttrainerever!: Azami certainly would suit IamAWESOME...

IamAWESOME: HEY!

Besttrainerever!: oh, uh, you're still here?

IamAWESOME: DUH STUPIDHEAD!

Mysterygirl: I like your choice of words.

IamAWESOME: thanks.

Speedster88: wow. This Naraku guy is wakawaka.

Mysterygirl: huh?

Speedster88: Wyonna.

IamAWESOME: SUCH a good singer! Oh man, I should watch Lilo and Stitch again!

Mysterygirl: wow, I haven't seen that in years! I should too! :D

Speedster88: wacko dudes!

Dragonman: uh, Toothless?

Speedster88: ah that one's close enough.

Older-twin: wait... there's pictures of us five years older than we are now... Wow. Hiccup you turn out to be good looking!

Dragonman: oh, thanks! Um... I think?

Mysterygirl: uh, maybe it wasn't such a good idea to show you guys the other sites...

IamAWESOME: you think?

Dragonman: wait, are you saying I'm not good looking now? You are aren't you!

Older-twin: shut up, I'm watching a 'trailer' thing about us when we're older!

Mysterygirl: ...yeah bad idea...

Rocklover: hey! That weird rock statue was a statue of a Gronkle! Why did you blow it up?

Older-twin: we didn't "blow it up", we destroyed it. Totally different.

Mysterygirl: yeah... _really_ bad idea...

A/N: Uh, again, sorry for the wait. Oh, and I'm not sure how long I'll keep this going. I'm running out of ideas sadly. (That's one of the reasons why I asked you guys to help me out actually lol.)

AND ANOTHER THING, the credit for the idea that this be continued goes to Toothless is best, and the credit for the idea of them going to different websites goes to Sankarea101. Thanks guys! :D All of you guys reading, whether you're new, or old, can still shout out ideas for me! :)

Keep reading, and review please! :D
